Secretary of Org.: Diane Keliher, P.O. Box 1531, Grand Junction, CO 81502
Event Manager: George Rossman, P.O. Box 3735, Grand Junction, CO 81502

Diane Keliher, Secretary of Org., and George Rossman, Event Manager, were present.

City Attorney Shaver handed Ms. Keliher and Ms. Rossman two documents and asked if either of them have any personal knowledge of the document marked with an "A" and asked them what the document is. Ms. Rossman replied that they both have knowledge of the document which is a Special Events Permit Questionnaire.

City Attorney Shaver asked them to describe the event known as the Downtown Grand Junction Art & Jazz Festival as it refers to the questions on the questionnaire. Ms. Rossman said that this year is the 25th anniversary for the Art and Jazz Festival, they hire security through Lonestar that mans all aspects of the entrances. There is a meeting held when the security personnel arrive to go over details about the alcohol service, i.e. no alcohol can be brought in to the event and no alcohol can be taken out of the event. City Attorney Shaver asked Ms. Rossman how they ensure that only people 21 years old or older consume the alcohol. Ms. Rossman said that they have people at the ticket counter who check identification and wrist band those who are of age to drink. The security personnel and staff walk around the beer and wine area and make sure that all persons who are drinking have a wrist band on.

City Attorney Shaver asked what is shown on the document marked with a "B". Ms. Rossman stated that the x's that are shown on the diagram are the cross streets that will be closed. On Main Street, from 3rd Street to 6th Street will be the beer and wine area. Security will be posted at all the cross streets. Metal pedestrian barricades will be placed at the cross streets and breezeways. Security will remain at the event from ½ hour prior to the event and stay late after the event until the last person leaves.

City Attorney Shaver asked if there have ever been any problems with the event in the past 24 years. Ms. Rossman said they have never had any problems.

Hearing Officer Grattan asked where the entrance and exit is on the diagram. Ms. Rossman said anywhere there is an x on the diagram, uniformed security will be posted and people can enter and exit.

No one was present in opposition to the application.

Hearing Officer Grattan admitted Exhibits A and B into the record and found that pursuant to Colorado State Statutes 12-48-106, there are no grounds for denial of the issuance of the permit on the basis that it would be injurious to the public welfare because of the nature of the special event, its location within the community (which he noted that the area is frequently used for special events) or the failure of the applicant in a past special event to conduct the event in compliance with applicable laws. He found that the application for a special events permit submitted by Grand Junction Downtown Association was in order and approved it.

2. Grand Junction Lodge No. 270, Loyal Order of Moose, 567 25 ½ Road, Grand Junction, CO 81505, Maria Noriego's Wedding on May 11, 2013 from 4:00 p.m. to 12:00 a.m., Malt, Vinous, and Spirituous

Secty. of Org. and

Event Manager: Dennis J. Tobin, 2676 H Road, Grand Junction, CO 81506

Dennis Tobin, Secty. of Org., Event Manager, and Administrator of the Grand Junction Lodge No. 270, was present.

City Attorney Shaver asked if the City Clerk's office is keeping track of the number of events and asked if they are within the statutory number allowed. Ms. Kemp answered yes to both questions.

City Attorney Shaver handed Mr. Tobin two documents and asked if he has personal knowledge of the event being applied for on May 11, 2013 at the Moose Lodge and if so, how. Mr. Tobin said he does have knowledge about the event because he filled out the application. City Attorney Shaver asked Mr. Tobin to describe the event for the Authority. Mr. Tobin said that it is a wedding and they expect around 300 people. There will be a reception and a dance. They will have dinner catered in. There will be two bartenders. There will be two uniformed Moose Lodge officers present for the entire event as well as two hired security people that are State certified. City Attorney Shaver asked how the alcohol service will be controlled. Mr. Tobin said they will use a hand stamp on the people who are of age to drink alcohol. City Attorney Shaver asked who will be checking the identification. Mr. Tobin said it will be the people at the door as well as the bartenders. City Attorney Shaver asked if those people at the door will have received specific instructions from him or others pertaining to the alcohol service laws of the State of Colorado. Mr. Tobin said yes.

Hearing Officer Grattan asked Mr. Tobin if they have had similar types of events in the past and have they had any problems with them. Mr. Tobin said they have had similar events with no problems.

There was no one present in opposition to the application.

City Attorney Shaver said that the nature of the event appears to be proper. He noted that each of these types of events are stand-alone events. He recommended approval of the special events permit.

Hearing Officer Grattan admitted Exhibits A and B into the record and found that pursuant to Colorado State Statutes 12-48-106, there is no evidence that the issuance of the permit would be injurious to the public welfare because of the nature of the special event (a wedding), its location within the community (which he noted that special events permits have been approved for these type of events in the past for the Moose Lodge), it is an appropriate place for a wedding, or the failure of the applicant in a past special event to conduct the event in compliance with applicable laws. He found that the application for a special events permit submitted by Grand Junction Lodge No. 270, Loyal Order of Moose for Maria Noriego's Wedding was in order and approved it.

3. Grand Junction Lodge No. 270, Loyal Order of Moose, 567 25 ½ Road, Grand Junction, CO 81505, Isidera Herrera Birthday on May 25, 2013 from 4:00 p.m. to 12:00 a.m., Malt, Vinous, and Spirituous

Secty. of Org. and

Event Manager: Dennis J. Tobin, 2676 H Road, Grand Junction, CO 81506

Dennis Tobin, Secty. of Org., Event Manager, and Administrator of the Grand Junction Lodge No. 270, was present.

No one was present in opposition to the application.

City Attorney Shaver handed Mr. Tobin two documents identified as “A”, a questionnaire, and “B”, a diagram designating the licensed premises, and asked him to describe his general understanding of the event. Mr. Tobin said he has knowledge about the event because he filled out the application. City Attorney Shaver asked Mr. Tobin to describe the event for the Authority. Mr. Tobin said that the event is what the Hispanics refer to as a Quinceanera. It is a birthday celebration and they expect around 250 people. City Attorney Shaver asked how the alcohol service will be controlled. Hearing Officer Grattan said he is familiar with these type of events and they are aimed at underage persons, therefore he believes that precautions need to be taken even more so. Mr. Tobin stated that they do pay particular attention to those events because it is not just alcohol that could create a problem.

City Attorney Shaver asked Mr. Tobin to describe Exhibit “B”. Mr. Tobin said that is the main hall, which is an 8,700 square feet dance floor. There is a full bar, a kitchen (which will not be used because this is a catered event), access to four bathrooms, and five exits. City Attorney Shaver asked if each of the exits and entrances will be monitored by some type of security. Mr. Tobin said yes. There will be two uniformed Moose Lodge officers present for the entire event as well as two hired security people that are State certified. City Attorney Shaver asked how the appropriate age will be identified. Mr. Tobin said they will use a hand stamp on the people who are of age to drink alcohol. City Attorney Shaver asked who will be checking the identification. Mr. Tobin said it will be the people at the door as well as the bartenders.

Hearing Officer Grattan said this request is a bit of a concern because it is aimed at mostly 15 year olds. He asked Mr. Tobin to further clarify how they will ensure that young, underage persons will not receive alcohol service. Mr. Tobin said that identification will be required. Hearing Officer Grattan asked when the identification will be checked. Mr. Tobin said when they go to order a drink, the bartender will ask for identification for every person ordering alcohol. Mr. Tobin said that orders will not be taken at the tables.

Hearing Officer Grattan admitted Exhibits A and B into the record and found that pursuant to Colorado State Statutes 12-48-106, there is no evidence that the issuance of the permit would be injurious to the public welfare because of the nature of the special event, its location within the community (which he noted that the size of the dance floor continues to amaze him), and there was

no failure of the applicant in a past special event to conduct the event in compliance with applicable laws. He found that the application for a special events permit submitted by Grand Junction Lodge No. 270, Loyal Order of Moose for Isidera Herrera Birthday was in order and approved it.

4. Grand Junction Lodge No. 270, Loyal Order of Moose, 567 25 ½ Road, Grand Junction, CO 81505, Rafael Herrera's Wedding on May 18, 2013 from 4:00 p.m. to 12:00 a.m., Malt, Vinous, and Spirituous

Secty. of Org. and

Event Manager: Dennis J. Tobin, 2676 H Road, Grand Junction, CO 81506

Dennis Tobin, Secty. of Org., Event Manager, and Administrator of the Grand Junction Lodge No. 270, was present.

City Attorney Shaver handed Mr. Tobin two documents identified as "A" and "B" and asked him if he has personal knowledge of the information as provided. Mr. Tobin said he does have knowledge about the event because he filled out the application. City Attorney Shaver asked Mr. Tobin to describe the nature of the information as it relates to the questions. Mr. Tobin said that 275 people are expected at the event. There will be a ten piece orchestra. There will be two officers of the Moose Lodge as well as two hired security guards present. City Attorney Shaver asked if the alcohol service area is designated on Exhibit "B". Mr. Tobin said yes. City Attorney Shaver asked if the security will be watching the ingress/egress areas to prevent alcohol from leaving that area. Mr. Tobin said yes. City Attorney Shaver asked Mr. Tobin if this event is different than those that have been held at the Lodge that they have had experience with. Mr. Tobin said no.

Hearing Officer Grattan admitted Exhibits A and B into the record and found that pursuant to Colorado State Statutes 12-48-106, there is no evidence that the issuance of the permit would be injurious to the public welfare because of the nature of the special event, its location within the community, and there was no failure of the applicant in a past special event to conduct the event in compliance with applicable laws. He found that the application for a special events permit submitted by Grand Junction Lodge No. 270, Loyal Order of Moose for Rafael Herrera's Wedding was in order and approved it.

Hearing Officer Grattan advised Mr. Tobin that if they are going to keep doing these types of events in the future, they may want to alter their licensing structure.

5. Colorado West Pride, P.O. Box 1208, Grand Junction, CO 81502, Colorado West Pride Festival on May 19, 2013 from 9:00 a.m. to 6:00 p.m. on the Street at the corner of 6th Street and White Avenue, Malt, Vinous, and Spirituous

Event Manager: Jesse A. Daniels, 191 Turner Avenue, Whitewater, CO 81527

Mark Matthews, Secretary of Org., and Jesse Daniels, Event Manager, were present.

City Attorney Shaver handed Mr. Matthews and Mr. Daniels two documents identified as "A" and "B" and asked them if they have personal knowledge of the information about the event. Mr. Matthews and Mr. Daniels said they did because they filled out the application. City Attorney Shaver asked them to describe the nature of the event that is being requested to be permitted. Mr. Daniels said that it is a gay rights celebration celebrated on the street. They expect about 550 attendees. A 2,000 square foot area will be fenced and secured for the alcohol area. City Attorney Shaver drew their attention to Exhibit "B" and asked them to describe it for the Authority. Mr. Daniels said that it is the stage area for the entertainment. City Attorney Shaver asked about the red line. Mr. Daniels stated that is the fence line around the perimeter for the alcohol service area and there will be a security guard. City Attorney Shaver asked them to describe how they will ensure that only persons of lawful age will be allowed alcohol. Mr. Daniels said they will have two separate areas where that will be checked. When alcohol tickets are purchased, they will have to present identification. To enter into the fenced in area, they will have to present identification again and be wrist banded. Underage persons will not be permitted into the fenced in area.

City Attorney Shaver asked how the number of 550 attendees was obtained. Mr. Daniels said that it is roughly the number of people they had last year. City Attorney Shaver said that the questionnaire indicated that the event had not been held before. Mr. Daniels said it has not been held outdoors. City Attorney Shaver asked if there have been previous problems with the event held indoors. Mr. Daniels stated there had not.

Hearing Officer Grattan asked if tickets only would be used in the beverage area and not cash. Mr. Daniels confirmed that to be correct. Hearing Officer Grattan asked if beverages would be taken out of the fenced area. Mr. Daniels said no.

No one was present in opposition to the application.

Hearing Officer Grattan admitted Exhibits A and B into the record and found that pursuant to Colorado State Statutes 12-48-106, there is no evidence that the issuance of the permit would be injurious to the public welfare because of the nature of the special event, its location within the community, and there was no failure of the applicant in a past special event to conduct the event in compliance with applicable laws. He found that the application for a special events permit submitted by Colorado West Pride for Colorado West Pride Festival was in order and approved it.

6. The Avalon Theatre Foundation, Inc., 2135 N. 7th Street, Grand Junction, CO 81501, West Slope Supper Club on May 9, 2013 from 5:00 p.m. to 9:00 p.m., located at 625 Colorado Avenue, Malt, Vinous, and Spirituous

Secty. of Org. and

Event Manager: Robin Brown, 2353 E Road, Grand Junction, CO 81507

Robin Brown, Secty. of Org. and Event Manager, was present.

City Attorney Shaver and Hearing Officer Grattan inquired as to where the building is located in which the event is proposed to be held. Ms. Brown explained that is the old Crossfit Red building that sits right across from Enstrom's on 7th Street.

City Attorney Shaver handed Ms. Brown two documents identified as "A" and "B" and asked her how she has knowledge of the event that is being proposed and to describe the nature of the event. Ms. Brown advised that she organized the event. It is an event that they hope to have every other month. It is a food, wine, and different chefs. It is an event to promote the Grand Valley as a food destination. Different chefs are involved and people who grow and produce things in the Grand Valley. All proceeds will go to the Avalon Theatre. City Attorney Shaver asked for clarification whether it is a cocktail party or a supper club. Ms. Brown said that they hope to graduate into sit down dinners. The first one is just heavy appetizers and drinks. City Attorney Shaver asked how they will ensure that no one under 21 will be served alcohol. Ms. Brown said that no one under 21 will be allowed at the event.

No one was present in opposition to the application.

Hearing Officer Grattan admitted Exhibits A and B into the record and found that pursuant to Colorado State Statutes 12-48-106, there is no evidence that the issuance of the permit would be injurious to the public welfare because of the nature of the special event or its location within the community. Because this is a first time event, there is no history one way or the other indicating whether or not there has been compliance with applicable laws. He found that the application for a special events permit submitted by The Avalon Theatre Foundation, Inc. for West Slope Supper Club was in order and approved it.

VII. OTHER BUSINESS

Ms. Kemp introduced Maggie Fitzgerald with the Grand Junction Police Department who has taken over the Alcohol Server Responsibility Training due to Joe Patrick's reassignment. Ms. Fitzgerald advised that they are still figuring out what to do on the enforcement side of the job.

Hearing Officer Grattan addressed the concern regarding petitions. He stated that his preference is to have someone present that has actually conducted or has personal knowledge of the survey to answer questions. He is alright with Max Scott representing Oedipus because he is representing his professional organization. Mr. Scott is the voice for the standard practice for that

organization. Hearing Officer Grattan is mostly concerned with hearsay situations. City Attorney Shaver also said that a professional organization like Oedipus always provides a written report that details the process. Methodology and the process that was used to evaluate the survey are necessary.

Ms. Kemp advised that a new application has just been received and on the acceptance letter, she indicated that a representative of the company and a person who conducted the survey should be present at the Hearing instead of just a representative of the company. City Attorney Shaver and Hearing Officer Grattan said that would work.

VIII. ADJOURNMENT
