**Subject: MUTUAL AGREEMENT OF CANCELLATION – 1st Year Contract
Renewal for 4th of July Fireworks Show for City of Grand Junction (4736-20-DH)**

Dear Mr. Burch:

Due to the current state (and foreseeable future) of developments with COVID-19, and its impacts on the City of Grand Junction's fiscal budget, certain City funds are being redirected for safety measures, protocols, and other anticipated needs.

As a result of these unforeseen circumstances, the 4th of July Fireworks show is being cancelled. On May 6, 2020, Fireworks West Internationale (FWI), by and through Dustin Burch, agreed to mutually terminate the 2020 contract regarding the production of fireworks and services for the City. It is our understanding, which is confirmed by this letter, that Fireworks West Internationale with full knowledge of the consequences agrees to cancel the 2020 contract for services dated July 4, 2020

It is currently anticipated that the 2021 4th of July Fireworks show will take place. It is understood and agreed by both the City and FWI that the City's 50% deposit (\$10,000) toward the 2020 event will be applied, in full, to the 2021 fireworks event. The City and FWI agree that there will be no additional fees and/or costs associated with the cancellation of the 2020 contract for services and the \$10,000.00 will be applied as the deposit to the 2021 contract for services. In the unlikely event the 2021 fireworks event is cancelled, the City's 50% deposit will be applied to 2022, and so forth.

By signature and return of this letter agreement to the City, FWI does hereby bind itself to the terms herein and waives any further claims against the City arising out of or under the 2020 contract for services. Furthermore, FWI releases and discharges the City from the 2020 contract obligations. FWI acknowledges this waiver and release is voluntarily made and is with full knowledge and understanding.

By and through signature below, Fireworks West Internationale agrees that the signer has full authority to bind FWI and that FWI is and will be bound to the terms of this agreement.

We appreciate Fireworks West Internationale's willingness to work with the City in this matter and look forward to next year's fireworks show.

- 2.39. Sovereign Immunity:** The Owner specifically reserves its right to sovereign immunity pursuant to Colorado State Law as a defense to any action arising in conjunction to this agreement.
- 2.40. Non-Appropriation of Funds:** The contractual obligation of the Owner under this contract is contingent upon the availability of appropriated funds from this fiscal year budget as approved by the City Council or Board of County Commissioners from this fiscal year only. **State of Colorado Statutes prohibit obligation of public funds beyond the fiscal year for which the budget was approved.** Anticipated expenditures/obligations beyond the end of the current Owner's fiscal year budget shall be subject to budget approval. Any contract will

be subject to and must contain a governmental non-appropriation of funds clause.

2.41. Cooperative Purchasing: Purchases as a result of this solicitation are primarily for the Owner. Other governmental entities may be extended the opportunity to utilize the resultant contract award with the agreement of the successful provider and the participating agencies. All participating entities will be required to abide by the specifications, terms, conditions and pricings established in this Bid. The quantities furnished in this bid document are for only the Owner. It does not include quantities for any other jurisdiction. The City or County will be responsible only for the award for its jurisdiction. Other participating entities will place their own awards on their respective Purchase Orders through their purchasing office or use their purchasing card for purchase/payment as authorized or agreed upon between the provider and the individual entity. The Owner accepts no liability for payment of orders placed by other participating jurisdictions that choose to piggy-back on our solicitation. Orders placed by participating jurisdictions under the terms of this solicitation will indicate their specific delivery and invoicing instructions.

2.42. Keep Jobs in Colorado Act: Contractor shall be responsible for ensuring compliance with Article 17 of Title 8, Colorado Revised Statutes requiring 80% Colorado labor to be employed on public works. Contractor shall, upon reasonable notice provided by the Owner, permit the Owner to inspect documentation of identification and residency required by C.R.S. §8-17-101(2)(a). If Contractor claims it is entitled to a waiver pursuant to C.R.S. §8-17-101(1), Contractor shall state that there is insufficient Colorado labor to perform the work such that compliance with Article 17 would create an undue burden that would substantially prevent a project from proceeding to completion, and shall include evidence demonstrating the insufficiency and undue burden in its response.

Unless expressly granted a waiver by the Owner pursuant to C.R.S. §8-17-101(1), Contractor shall be responsible for ensuring compliance with Article 17 of Title 8, Colorado Revised Statutes requiring 80% Colorado labor to be employed on public works. Contractor shall, upon reasonable notice provided by the Owner, permit the Owner to inspect documentation of identification and residency required by C.R.S. §8-17-101(2)(a).

2.42.1. "Public project" is defined as:

- (a) any construction, alteration, repair, demolition, or improvement of any land, building, structure, facility, road, highway, bridge, or other public improvement suitable for and intended for use in the promotion of the public health, welfare, or safety and any maintenance programs for the upkeep of such projects
- (b) for which appropriate or expenditure of moneys may be reasonably expected to be \$500,000.00 or more in the aggregate for any fiscal year
- (c) except any project that receives federal moneys.

3. Statement of Work/Specifications

3.1. General: The City of Grand Junction is soliciting competitive bids from qualified and interested companies for all labor, equipment, and materials required to

provide a fireworks show/display for the City of Grand Junction's (held on July 4th) Annual 4th of July Fireworks Show. All dimensions and scope of work should be verified by Bidders prior to submission of bids.

3.2. Project Description:

3.2.1 Fireworks show specifications:

- A. The City of Grand Junction's budget for fireworks is \$20,000. The City seeks to get the most "bang for the buck" so to speak, and therefore the award shall be based upon the fireworks provider that can offer the best possible fireworks show. Factors for determining this include: the price (not to exceed \$20,000), variety of show, ability of show to reach a regional audience, is responsive and responsible, references, previous successful experience with similar shows (budget, size, electronically fired, and regional audience), and ability to meet all required specifications/scope of the project, as set forth.
- B. Date of the Fireworks show shall be July 4, 2019 beginning at 9:45pm.
- C. Length of fireworks show shall be 20 minutes.
- D. Location of the fireworks show will be in the Lincoln Park Practice Field Area or the Lincoln Park Golf Course Driving Range.
- E. A variety of shell sizes between 3 - 5" is requested with the maximum fireworks shell size to be 5". A breakdown of shells proposed for the show is required, and the variety of each will be weighed in the selection process. A maximum of 5 professional grade multi-shot boxes will be allowed. No ground-level effects will be allowed.
- F. The selected fireworks company shall choreograph the complete fireworks show to music and provide 1 CD or an MP3 with music and fireworks ques. The City shall provide the sound equipment to send the ques to the fireworks company and the music to the radio stations.
- G. There are approximately 5,000 spectators within the stadium and 50,000 to 100,000 outside the stadium in the surrounding areas. A majority of the spectators are in a 1 - 10 mile radius around the stadium (see attached diagram of the viewing radius). Because the show must be viewed regionally, a maximum of 5 professional grade multi-shot boxes will be allowed. Each of these boxes will be counted as 1 shell for purposes of comparing total shell count. For example a 100 or a 1000 multi-shot box will be counted as 1 shell for total shell count purposes.
- H. Please see the attached map which indicates the Fireworks Safety Zone for the City of Grand Junction 4th of July Fireworks Show.

3.2.2 Please provide at least 3 references of regionally viewed events you have electronically fired, choreographed to music, and with similar budget. Please include company name, location, and main point of contact with phone numbers.

3.2.3 The selected fireworks company must have a minimum of 10 years experience of firing electronic shows. The City is looking for a fireworks company to provide our fireworks show of electronic firing only.

3.2.4 The selected fireworks company shall work closely with City staff to coordinate all aspects of the fireworks show, and to ensure maximum public safety.

3.2.5 The selected fireworks company shall be responsible for any and all setup, takedown, and cleanup related to the fireworks show they provide.

3.2.6 The time line will be as follows: All of the firework setup and wiring of the electronically fired show will need to be completed on July 3, 2019. During the morning of July 4, 2019 all inspections, sound checks, and final setup will occur. Please describe the time line of when the fireworks and staff will arrive, and state any requirements, if any, that you need from the City or City staff.

3.2.7 The City or City staff shall at no time take possession of or responsibility for any fireworks or related equipment or supplies provided by the fireworks company including, but not limited to: shipment, receiving, storing, moving, setup, handling, etc.

3.2.8 The selected fireworks company shall ensure that their products, supplies, materials and equipment are secured at all times and arrive on July 3, 2019. The City shall provide one security guard upon arrival on July 3, 2019 who will remain on site until the completion of the show.

3.2.9 The selected fireworks company shall provide copies of proper licensing to perform such fireworks shows.

3.2.10 The City shall provide the logistical type permits for such items as; special event permit, traffic control permit, security permit. The fireworks company shall acquire any and all required permits to operate, provide, and perform the fireworks show itself such as; State of Colorado permits and the City's local fireworks permit (City of Grand Junction Fire Prevention Bureau).

3.2.11 The City shall provide Fire Department and EMS crews during the show.

3.2.12 Invoices shall be submitted to the City of Grand Junction, Parks & Recreation, 1340 Gunnison Avenue, Grand Junction, CO 81501 and shall reference: the Purchase Order number, the name of the agency and the date.

DATE: December 10, 2018
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: 4th of July Fireworks Show for City of Grand Junction 2019 IFB-4584-18-DH

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. Q. We have a concern with section 3.3.4 Event Cancellations and / or Rescheduling: We would like to see a 50% penalty to the Owner (City) if Canceled or rescheduled within 10 days of the event. Due to the history of the region, including last year, there were many cancellations due to fire. However, the Grand Junction site was spared due to the site location on the Golf Course Park area. We incur significant expenses in scheduling, acquiring product and producing and getting your show ready weeks in advance. Please consider making this change.

A. In the event of a cancellation by the Owner within 10 days of the scheduled event, the Ower shall compensate the Contractor 25% of the contract price OR \$5,000.00, which ever is less.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,
