

**CITY OF GRAND JUNCTION**

**RESOLUTION NO. 37-19**

**A RESOLUTION RENAMING F ½ ROAD TO RIDGE DRIVE BETWEEN N. 12<sup>TH</sup>  
STREET AND E. CLIFF DRIVE**

Recitals.

Title 21.06.010(b)(6) of the Grand Junction Municipal Code states a street naming system shall be maintained to facilitate the provisions of necessary public services and provide more efficient movement of traffic. For consistency, this system shall be adhered to on all newly platted, dedicated, or named streets and roads. Existing streets and roads not conforming or inconsistent to the addressing system shall be made conforming as the opportunity occurs.

Streets and road names that contain fractions have been identified as an issue throughout the community for a variety of reasons, including visitors to the community being able to navigate to electronic GPS and 911 systems not "understanding" the fraction.

NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GRAND JUNCTION, COLORADO:

That F ½ Road between N. 12<sup>th</sup> Street and E. Cliff Drive as described in this resolution is hereby changed to Ridge Drive.

ADOPTED AND APPROVED THIS 17<sup>th</sup> day of June, 2019.

ATTEST:

  
Deputy City Clerk

  
President of City Council
