

**RESOLUTION 38-19**

**AUTHORIZING THE EXECUTION OF A GRANT AGREEMENT(S) IN SUPPORT OF  
THE RUNWAY CONSTRUCTION AND RELATED IMPROVEMENT PROJECTS AT  
GRAND JUNCTION REGIONAL AIRPORT**

RECITALS:

In 2016 the Grand Junction Regional Airport Authority (GJRAA) began a multi-year program to relocate the primary runway and as the runway is relocated provide airfield lighting, perimeter security fencing and related physical improvements. The design of an approach system lighting is also necessary and with a recent grant offer will be funded. Together, and four purposes of this Resolution, this work is referred to as the "Projects" which are individually and collectively intended to improve air service at the Airport.

The GJRAA has received grant offers from the Federal Aviation Administration (FAA) in the amount \$4,910,00.00 for the Projects. The City and Mesa County, as co-sponsors of the GJRAA, must execute the Grant Agreement(s) with the GJRAA. Acceptance of the grants has no direct fiscal impact or spending requirement on the City.

Having been fully advised in the premises, the City Council by and with this Resolution affirms and directs the execution of the Grant Agreement(s) from the Federal Aviation Administration (FAA) in the amount of \$4,910,000.00 in support of the Projects described generally herein and in more detail in the Grant Agreement(s).

NOW THEREFORE, the City Council of the City of Grand Junction authorizes the execution of the Grant Agreement(s) in the amount of \$4,910,000.00 in support of the Grand Junction Regional Airport Authority and the 2019 Airport Improvement Program Projects.
