

Purchasing Division

**ADDENDUM NO. 1**

**DATE:** July 10, 2019  
**FROM:** City of Grand Junction Purchasing Division  
**TO:** All Bidders  
**RE:** Work Clothing Upper Garments IFB-4659-19-SO

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following:

1. **Question:** Can you please provide the prices from the last bid?  
**Answer:** The most recent bid was done in 2015. Those awarded prices are attached to this Addendum as Exhibit 1.
2. **Question:** Some of the quantities for the long sleeve polos in Attachment A are all zero across the page. Do you want us to bid on them?  
**Answer:** Yes, please bid them. It was determined some time ago we would not stock these items in our city's warehouse, but we had to make them available in the event an employee requested them.
3. **Question:** Can you please provide the brand names of work shirts you have in stock?  
**Answer:** The work shirts currently in stock are Red Kap, Edwards and LiteFX.
4. **Question:** Section 3.2.3 – Online Order Systems: Could the City please explain how this is envisioned to operate from the end user experience?  
**Answer:** The City envisions a situation where our warehouse personnel can access your website and order the desired items electronically. Your website will reflect our agreed contract prices, show availability and estimated ship date of each item ordered. Once items are shipped with a packing slip, an invoice will follow through the mail and will be paid upon acceptance of the shipped items.
5. **Question:** Section 3.3 – will the City accept Screen Printed Heat Transfers as an alternative to traditional screen printing of the logo where applicable?  
**Answer:** Heat transfers are acceptable if your firm can guarantee the durability of the logo to be as good as or better than traditional screen printing.
6. **Question:** Section 3.5 – Will there be designated times of the year for ordering only or is the awarded contractor(s) expected to fulfill short run, on-demand orders?

**Answer:** All orders will be placed on-demand. As stated in Section 4.1 the expectation is to place 2-3 orders each year. However, this number may increase or decrease based on demand.

7. **Question:** Section 4.2.1 – Besides “Polo/Sport Shirts and Semi-Formal Winter Jackets” are there additional category items to be embroidered?

**Answer:** No.

8. **Question:** Section 4.2.3 – City of Grand Junction Embroidered Logo: At 4.5” wide x 1” high, what is the stitch count of the Two River City Logo?

**Answer:** The City of Grand Junction expects the awarded contractor to provide a good quality embroidered logo. Stitch count is at the contractor’s discretion as long as they are providing a quality product.

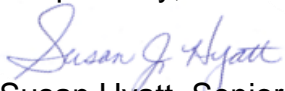

9. **Question:** Section 7.0 – Will partial solicitation of Category One or Category Two items be deemed as non-responsive?

**Answer:** Yes. Award will be made by Category, so an incomplete category would be considered non-responsive.

The original solicitation for the project referenced above is amended as noted.

All other conditions of subject remain the same.

Respectfully,

Susan Hyatt, Senior Buyer  
City of Grand Junction, Colorado
