

Purchasing Division

## ADDENDUM NO. 1

**DATE:** August 30, 2019  
**FROM:** City of Grand Junction Purchasing Division  
**TO:** All Bidders  
**RE:** Compact Utility Tractor IFB-4679-19-SH

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following:

- 1. Question:** Spec #9: TRANSMISSION: Forward and reverse – does this spec intend for the transmission to hydrostatic operation with pedals to operate forward and reverse, gear drive transmission with some kind of a directional reverser lever that may be used without a clutch, or traditional clutch and gear transmission?  
**Answer:** Hydrostatic operation is preferred.
- 2. Question:** Spec #14: QUICK ATTACH FRONT END LOADER: to include auxiliary hydraulics, controls and all necessary equipment to be functional – does the City of Grand Junction have a preference in the size of the loader bucket?  
**Answer:** A bucket in the 53"-55" range is desirable. Please state bucket size on the bid sheet next to Year/Manufacture/Model or in the Notes section.
- 3. Question:** Could you provide more detail on item #13 "A Frame Adapter"?  
**Answer:** The A Frame is an adaptor plate that is mountable to the front of the tractor that allows the mounting of accessories, such as power brooms and blades. It should consist of a single hydraulic cylinder that allows for lift and lower function.

The original solicitation for the project referenced above is amended as noted.

All other conditions of subject remain the same.

Respectfully,

A handwritten signature in blue ink that reads "Susan J. Hyatt".

Susan Hyatt, Senior Buyer  
City of Grand Junction, Colorado
