Mrs. Fisher wanted to complement Officers Gregory, Atkinson and PST Stender for their efforts in handling her call and locating her husband. She knew it took over three hours to ultimately find him at St. Mary's. She was very grateful for the professional customer service given to report, how careful they were in looking for him and the attentive follow up once he was located. I advised her I would document her compliment in their log.

**By:** Chavez, Lonnie

**Entered:** 7/16/2019

**Date of Incident:**

07/05/2019

**Time of Incident:**

The City of GJ has experienced a rash of over 20 trailer thefts. In response, I tasked the property detectives with creating a solution to the problem. Det. Kopp was able to re purpose the traffic trailer specifically for this issue. He and Det. Janda outfitted the trailer with cameras and GPS trackers. They were able to make the trailer appear as a construction trailer. On 7/12/2019, an individual was caught breaking into the trailer (which was our intent) and arrested. He was driving a stolen car, had other stolen tools and was currently wanted on 4 felony warrants related to auto theft and theft from autos. Great job and great ingenuity.

## Recognition - Peer

**For:** Boyer, Brett

**Entered:** 7/12/2019

I received a phone call from Molly Tonello, with Rocky Mountain Health Plans. Molly works with the local Homeless Coalition, and she wanted to share her comments about working with Brett through that group. She said that Brett represents the GJPD really well; he's professional, helpful, and accessible. He makes himself available to anyone who needs his assistance in the coalition, and does a great job of utilizing community resources to assist people who are experiencing homelessness. She specifically referenced instances where individuals wanted to leave Mesa County and didn't meet the criteria for our traveler's aid fund. She said that Brett proactively reached out to other resources that could provide travel assistance, and she found it significant that, through Brett's assistance, those individuals

were able to get the help they needed and left our community not only feeling like Mesa County was a compassionate community, but also that law enforcement cared about their well-being. Well done, Brett!
