ADDENDUM NO. 2

DATE: October 14, 2019
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: Parks Picnic Tables IFB-4704-19-DH

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following:

- 1. Question:** How should we list the freight charges for this bid? There isn't a line item included on the bid schedule for the freight. It is difficult to include it as part of the unit cost of the tables (since it varies based on the number of tables ordered). Should we add a line to the price bid schedule and list one lump sum for the freight cost for the total number of tables quoted for this bid? Or should we divide it up and list a freight cost for each of the item numbers?

Answer: You will list the unit price with freight already included. You should not add a line item to the bid schedule for freight. Your unit price must be all-inclusive as stated on the Price Bid Schedule and in Section 3.2.2.

- 2. Question:** If we are proposing an "as equal" product, does this bid require prior approval for "as equal" acceptance? Or do we submit the spec's for "as equal" consideration with our bid documents?

Answer: Prior approval is not needed. Section 3.2.4 indicates you will need to provide proof that the alternative product you are bidding is equal to the specifications of the brand name product.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,
