Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. Q. I would be able to bid this project with Cresline PVC pipe and ADS corrugated pipe, with delivery options available as well. Is that something we can work with in Grand Junction?

A. Bidders that submit bid responses offering a proposed alternate product shall state such, and shall attached product cut sheets/MDS sheets with their bid to be evaluated by Owner to determine if such products meet specifications stated in the solicitation documents.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,
