Letter received by Chief Shoemaker:  
Dear Officer Shoemaker,

I would like to express my appreciation to Officer Brad Schuman for the thoughtful and considerate manner in which he treated my elderly Mother in a recent traffic stop. My Mother, Cathryn Feltskog is eighty-three years old and the family has been concerned with her driving for some time. I want to be clear that I have never considered my Mom to be a good driver and clearly she did not improve with age. She is also fiercely independent and often cantankerous making it difficult for us to help her. Officer Schuman stopped my Mom for a traffic violation right in front of the Police Station of all things.

Rather than give her a ticket we received a phone call from the Officer informing us of her situation and the need to address her driving. Being a stubborn person his handling of the situation caused her to consider that her driving may not be safe. I believe had the Officer handled this situation differently she would not have been able to process this event in this manner. She has since had her vision checked, is getting glasses, and is letting my sister

drive her. Officer Schuman deserves to be recognized for the compassion he brings to his work, I appreciate him.

Sincerely,

Barbara Feltskog Keene

So grateful for your service! This is the second time I have personally witnessed the professionalism and pleasant demeanor our GJPD officers demonstrate when dealing with difficult individuals and I'm so impressed. Thank you all."

Officer Donohue was the officer involved in investigating an accident he was involved in. He stated, "I have never been treated better and never had someone as concerned as he was as an officer." He did one of the best jobs on an accident, he really did a good job and I thank him.

Was unable to find the incident due to limited information from the caller.
