Marge Wild was the only person on the tentative Steering Committee list that would not be able to attend. An additional three more will be on the committee including a Mesa State College student representative.

The Welcome Breakfast will be the second week in April on the 11th, 7:00 a.m. at the Holiday Inn. This is to provide the Steering Committee with the following:

1. Inform what the process for the Cultural Plan will be.
2. Familiarize these people with the Art Commission.
3. What their purpose will be.
4. Just to get acquainted.
5. Idealize what we want from the task force.

Tim's position is now being advertized. As a Commission, encourage someone you know, who is interested, to apply. It can not be someone who is already participating on a board or the spouse of someone on another board.

Philanthropy Day will be held in May, sponsored by the United Way. The Commission will participate on Tues. 7th, - Wed. 8th. Twenty to thirty major corporations will be coming to Grand Junction to visit and observe our city.

Bylaws were prioritized by Ann and accepted by the Commission. The list is inclosed.

A plan layout for the next couple of months is also inclosed. This will keep all informed of the proceedings in the near future.

The next meeting will be April 10, 1991 at 7:30 at City Hall.

Respectfully,

Brenda Swille
