## ADDENDUM NO. 1

**DATE:** January 28, 2020  
**FROM:** City of Grand Junction Purchasing Division  
**TO:** All Interested Parties  
**RE:** Pouring Rights Lincoln Park Stadium RFP-4725-20-SH

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following:

1. **Question:** Can you please provide a list of Beverage Equipment currently in use at the facilities?  
**Answer:** There are five different soda stations in the facility, with six pouring taps at each one. Two sodas in each of the concessions areas and there is one upstairs for bar in the Hospitality Suite.
2. **Question:** Can you please provide a list of all events and dates taken place at the Stadium where beverage service will be needed?  
**Answer:** A list of all the events for 2019 are attached to this Addendum as Exhibit A.
3. **Question:** Can you please explain in more detail what facilities are included in the RFP?  
**Answer:** Only the Stadium is included in this contract.
4. **Question:** We would like to see a copy of the Contracts currently in place and referenced in the RFP.  
**Answer:** The City does not have access to these contracts.
5. **Question:** We will need to see beverage volume for each of events by brand and package.  
**Answer:** This information is unknown as these contracts are not owned by the City.
6. **Question:** How do you see the master plan referenced effecting Lincoln Park long term?  
**Answer:** The Master Plan provides a 15+ year blueprint on Capital Improvement Projects at the Stadium. Some will be pursued in the short term, such as the resurfacing of the track at Stoker Stadium in 2020. Some are in a 2-4 year plan, at a cost of about \$10-\$11M. Some are longer term. In summary, the City, along with the organizations using the Stadium, are committed to the continued improvement of the Stadium Complex.
7. **Question:** Please provide a list of all signage and marketing opportunities as it relates to the facilities.

**Answer:** The City expects the Proposer to provide this list along with other suggestions. Any ideas are welcome. The City is also interested in entertaining proposals for naming rights of the entire complex should the Proposer be interested.

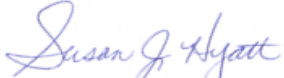

8. **Question:** Due to complexities of this agreement and the limited four-day response time given after questions are answered we would ask for a three-week extension be granted so that we have sufficient time to respond after the addendum is posted with answers to these questions.

**Answer:** This request is granted. The due date will be extended by three weeks. **The amended due date is now February 25, 2020 prior to 2:30 P.M.**

The original solicitation for the project referenced above is amended as noted.

All other conditions of subject remain the same.

Respectfully,

Susan Hyatt, Senior Buyer  
City of Grand Junction, Colorado
