

Horizon Drive Association Business Improvement District (Authoritative)

Established:

The Horizon Drive Association Business Improvement District (“HDABID”) was created by the City Council in 2004.

The District set a five mill levy property tax as their primary revenue stream. There are eighty-nine properties in the District (see map attached).

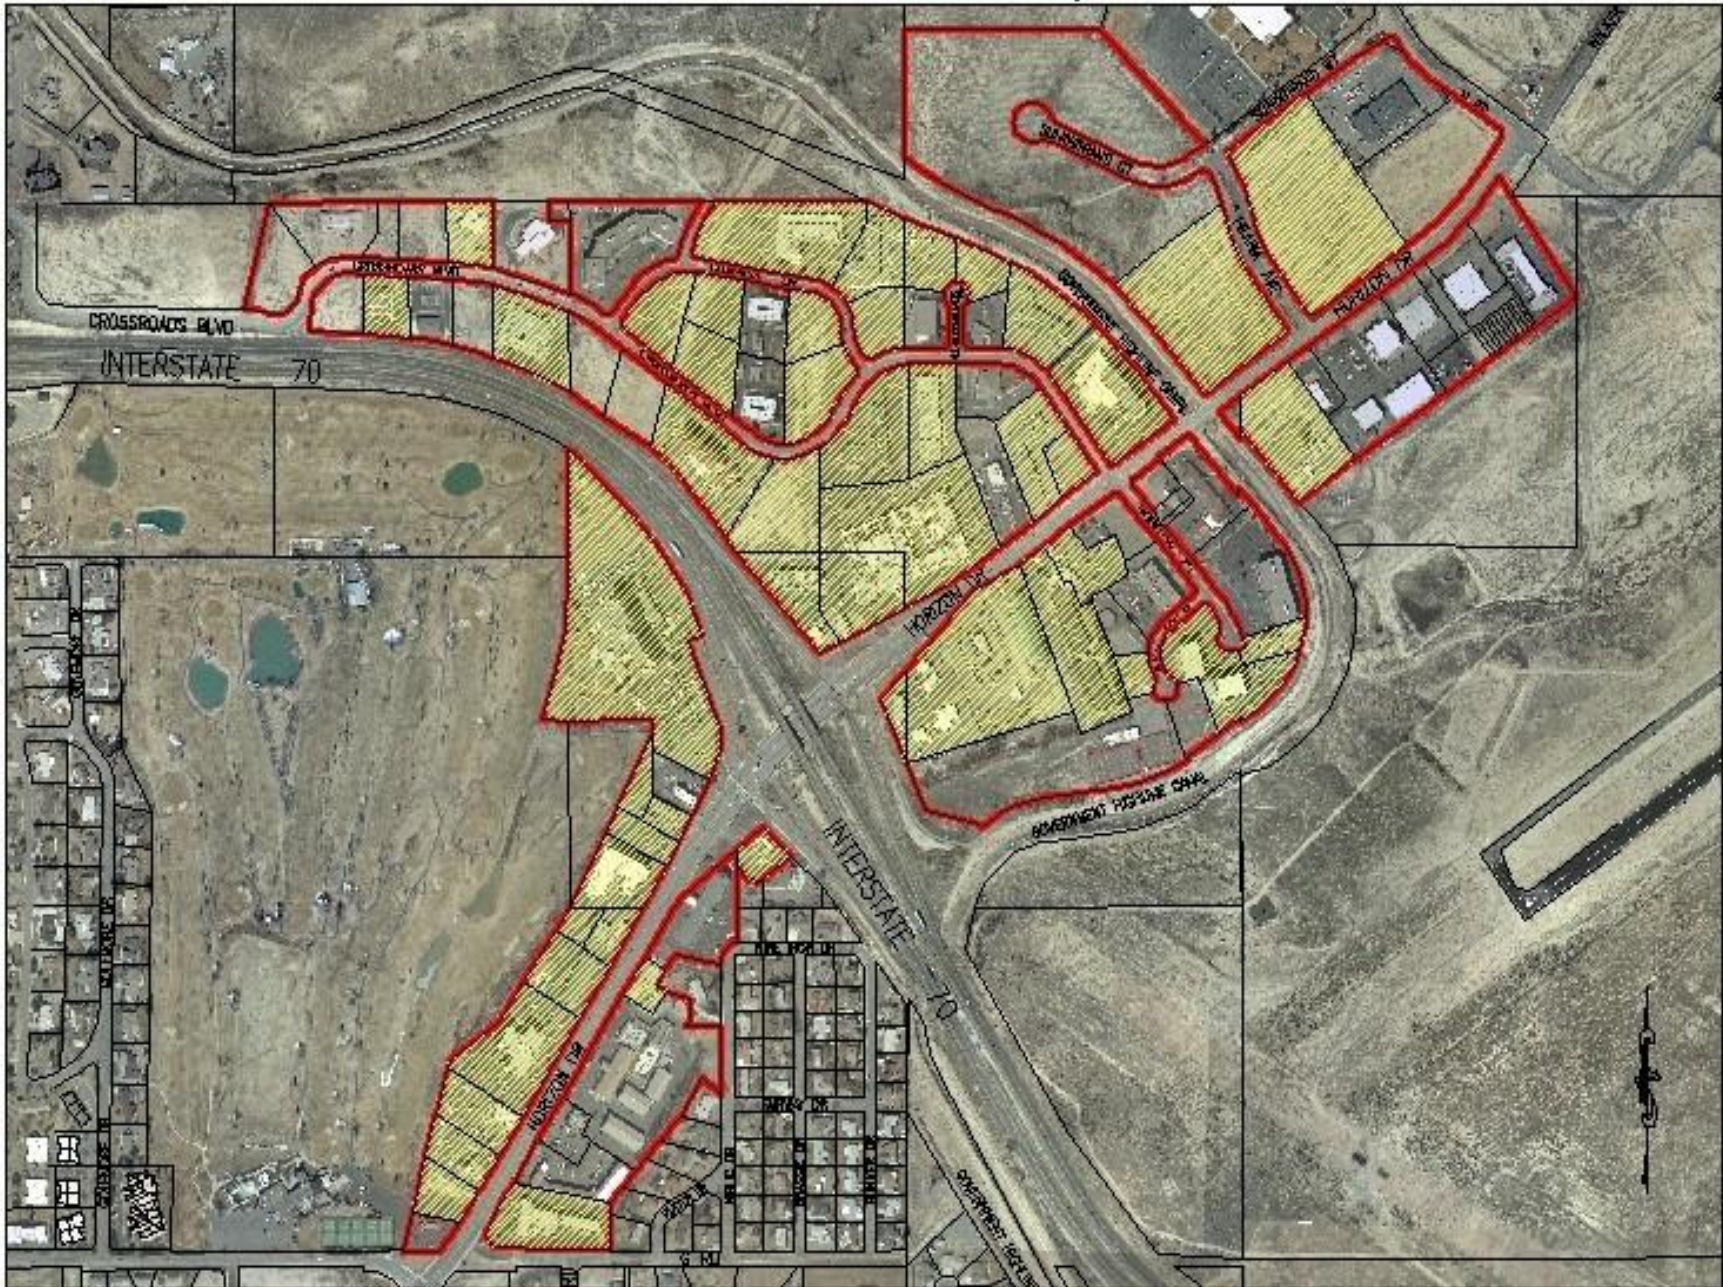

Mission/Purpose:

To promote business activity in the area and to make public improvements

Membership/Terms:

The HDABID amended their by-laws to have seven members in 2007 and they serve four year terms. Members must be electors of the District which mean they must be a property owner, a resident or a business lessee in the District.
