The Consultant's Real Estate Specialist shall, prior to contacting the owner to make the offer, thoroughly review and become familiar with all project related information furnished by the City including, but not limited to, legal descriptions, project design plans, title commitments, appraisal reports and all available CDOT acquisition and relocation forms and brochures. If the owner claims to be represented by another party, including an attorney, the Consultant's Real Estate Specialist shall obtain from the owner a letter of representation prior to making the offer to the owner's representative.

The fair market value determination established by the valuation process (appraisal or value finding) as approved by the City and CDOT shall serve as the basis for the written offer of just compensation to the property owner. The Consultant's Real Estate Specialist

shall deliver an Offer to Acquire, also known as a Notice of Interest, to the owner or the owner's representative either personally by hand or by certified mail, return receipt requested or by express mail. The written offer shall include the following documents:

1. The offer letter;
2. A Summary Statement of Just Compensation;
3. Memorandum of Agreement;
4. A brochure which explains CDOT's acquisition program;
5. A Federal Form W-9;
6. A Demographic Information Form; and
7. Self addressed, postage prepaid return envelopes.

The foregoing documents must provide sufficient information so the owner can make a reasonable judgment concerning the amount of the offer. The following is the minimum information that shall be included in said documents:

1. The amount established as just compensation, including a written explanation of the basis for the offer and, if applicable, the amount of damages and/or benefits to the remainder. The compensation offered for the real property to be acquired and for damages to the remaining real property shall be separately stated.
2. A description and location identification of the real property and the interest in the real property being acquired. The description shall include both legal descriptions and an identification which is understandable to the owner.
3. Identification of buildings, structures, and other improvements (including removable buildings, equipment and trade fixtures) considered to be part of the real property to be acquired. Where appropriate, the statement shall identify any separately held ownership interest in the property, e.g. a tenant-owned improvement, and indicate that such interest is not covered by the offer.

The Consultant's Real Estate Specialist shall review the foregoing documents with the owner and shall fully explain to the owner the City and CDOT's acquisition processes and the scope of the Project as it pertains to the owner's property. The Consultant's Real Estate Specialist shall conduct good faith negotiations with each property owner.

If the owner provides information that may dictate a need for a revision to the offer, or if any items appear to be missing from the appraisal or plans, the Consultant's Real Estate Specialist shall notify the City Project Manager.

Upon the owner's acceptance of the offer, the Consultant's Real Estate Specialist shall prepare and submit to the owner for signature a settlement package consisting of a Memorandum of Agreement, Federal Form W-9, releases of interests from tenants who may have an interest in the property interest being acquired (CDOT Form No. 232) and, for properties encumbered by Deed(s) of Trust, an Owner Authorization Letter and all other appurtenant documents. After execution of the foregoing documents, together with a completed "County Tax Proration Request" (CDOT form No. 793) and/or tax certificate, if required, shall be submitted to the City Project Manager. The City Project Manager will forward the settlement package to CDOT for review and approval.

If during the negotiation process the owner provides a counteroffer, the Consultant's Real Estate Specialist will forward the counteroffer, along with an analysis and recommendation, to the City Project Manager.

If an initial offer to the property owner is not successful, the Consultant's Real Estate Specialist shall, at the direction of the City Project Manager, deliver a final written offer to the property owner. The final written offer shall be delivered either by hand, by certified mail, return receipt requested, or by express mail.

4.2.3 Title Insurance and Closings: Upon approval of the settlement package, the City will forward a cash warrant, the appropriate conveyance instrument(s) and any other closing documents to the Consultant's Real Estate Specialist, who shall coordinate the closing with the assigned title company and secure a signed "Escrow Instruction and Receipt of Warrant" document. All liens shall be released/satisfied and recorded prior to the disbursement of the warrant, unless otherwise directed the City Project Manager.

The City and CDOT shall determine when the Consultant shall utilize the services of a title company for title insurance and closing purposes. When the City determines that a Title Company shall be used, the Consultant's Real Estate Specialist shall facilitate and coordinate these services under the direction of the City Project Manager. The Department will also determine which closing services will be performed by the Consultant. In instances where the settlement is over \$5,000, the Consultant shall not close and shall not disburse funds directly to the owner.

The services to be provided by the Consultant may include:

- a) updating title commitments to the time of closing and securing a title policy on all fee taking parcels, which include legible copies of all supporting documents referenced therein;

- c) attending closings with the assigned title company and ensuring that all documents are executed properly, all liens are satisfied/released, all taxes and assessments are paid prior to the disbursement of the warrant, and all appropriate documents are promptly recorded after closing and returned to the City Project Manager after recordation.

Written closing instructions provided by the title company and all necessary closing documents will be reviewed and coordinated with the Consultant on closings. Once in final form they shall be provided to the City for final approval prior to disbursement of funds.

In cases when the City determines that settlements are within applicable guidelines which permit the Consultant's Real Estate Specialist to perform closings without the services of a title company, the Consultant's Real Estate Specialist shall update existing title commitments, perform the closings and provide copies of recorded documents as requested by the City. The Consultant's Real Estate Specialist shall calculate final settlement amounts, prepare closing statements and perform other closing functions as requested. Services may include, but are not limited to, collecting pro-rated taxes and

assessments, ensuring all documents are executed properly and all liens are released/satisfied prior to disbursement of the warrant, and ensuring that the appropriate documents are recorded promptly after closing and returned to the City Project Manager. All closing documents are to be reviewed by the City Project Manager prior to disbursement of funds, unless it is determined otherwise by the City Project Manager.

4.2.4 Condemnation: If the owner refuses to accept the final offer, a condemnation package (including the Real Estate Specialist's log, updated title information and other related negotiation information) will be prepared and submitted to the City Project Manager, in accordance with the schedule provided by the City Project Manager.

If required, an Agreement for Possession and Use (CDOT Form No. 228) may be obtained from the owner prior to filing a request for condemnation. The use of this form and process must be discussed and evaluated on a parcel by parcel basis with the City Project Manager. In addition, the City Project Manager must receive approval from the CDOT Region Project Manager.

Throughout the condemnation process, Consultant personnel will be available to assist in any aspect of the condemnation proceeding, including the review of the negotiations through litigation in accordance with the terms of Consultant's contract and RFP.

The Consultant's Real Estate Specialist shall caution the displacee not to move prior to their eligibility and entitlement letter and in accordance with applicable procedures.

The Consultant's Real Estate Specialist shall prepare and provide the 90 day and 30 day vacancy notice to the landowner/tenant in accordance with CDOT procedures.

Application for Relocation Benefits.

Once the determination has been performed, the Consultant's Real Estate Specialist shall assist the displacee in obtaining all documentation necessary in order to receive their entitlements.

In relocating personal property, the agreed amount for the move or a contract move (whichever method was chosen) will be paid upon verification that all of the personal property has been moved from the acquired site.

During the course of providing relocation assistance, the Consultant's Real Estate Specialist shall maintain a detailed typed report of all contacts made and services provided to the displacee. To the greatest extent possible, the Consultant shall utilize the same Real Estate Specialist to negotiate and provide relocation advisory assistance and relocation payment claims.
