Subject: CANCELLATION – Grand Junction Public Safety Facilities Renovation
(IFB-4767-20-DH)

Dear Firms:

The City of Grand Junction greatly appreciates the time, attention, and interest your company has invested participating thus far in the Grand Junction Public Safety Facilities Renovation (IFB) process.

However, due to recent developments with COVID-19 for safety measures and protocols, a project of this type at the Grand Junction Police Station, which also serves as the City's Incident Command Center of Operations, has been determined to be ill advised at this time. Therefore, the City is hereby cancelling this project, for the time being. Once the crisis has passed, it is anticipated that the project will be put out to bid again at a later date.

Please feel free to contact us with any questions at 970-244-1545.

Sincerely,
