**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRAND JUNCTION ACTING AS THE EX OFFICIO BOARD OF DIRECTORS OF THE CITY OF GRAND JUNCTION RIMROCK MARKETPLACE GENERAL IMPROVEMENT DISTRICT:**

**Confirmation of Assessment Roll.** The whole cost of the Project and the apportionment of the same, as set forth in the Assessment Roll, is hereby approved and confirmed. Said apportionment is hereby declared to be in accordance with the special benefits which the property in the District will receive by reason of the construction of the Project. A share of said cost is hereby assessed to and upon each lot or tract of land within the District in the proportions and amounts set forth in the Assessment Roll.

**Payment of Assessments.** Pursuant to the Agreement, the Owner has elected to pay in installments. Accordingly, the Owner shall be conclusively held and considered as consenting to the Project and a waiving any right to question the power or jurisdiction of the GID to construct the Project, the quality of the work, the regularity or sufficiency of the proceedings, the validity or correctness of the assessments, or the validity of the lien thereof.

The assessments shall be payable to the City of Grand Junction Treasurer as ex officio Treasurer of the GID (the "Treasurer") in thirty (30) equal, semi-annual, amortized installments of principal and interest, payable on April 1 and October 1 of each year beginning October 1, 2003 and in each year thereafter until paid in full, with the last payment due on April 1, 2018. Interest shall accrue on unpaid installments of principal at the rate of 7.00% per annum from the effective date of this Ordinance until paid in full. The owner of any property not in default as to any installment or payment may, at any time, pay the whole of the unpaid principal with the interest accruing to the maturity of the next installment of interest or principal with a prepayment premium of 3%. The Board may in its discretion waive or lower the prepayment premium if the bonds to be issued to finance the Project may be redeemed without a prepayment premium of 3%.

**Penalty for Default.** Failure to pay any installment, whether of principal or interest, when due shall cause the whole of the unpaid principal to become due and collectible immediately, and the whole amount of the unpaid principal and accrued interest shall thereafter draw interest at the rate established pursuant to Section 5-12-106(2) and (3), C.R.S., until the day of sale; provided, that, at any time prior to the day of sale, the owner may pay the amount of all unpaid installments, with interest at the penalty rate of 12% per annum, and all costs of collection accrued. Upon such payment, the owner shall be restored to the right to pay in installments in the same manner as if default had not been suffered.

**Assessment Lien; Recordation.** All assessments together with all interest thereon and penalties for default in payment thereof, and all costs in collecting the same shall constitute, from the effective date of this ordinance, a perpetual lien in the several amounts assessed against each lot or tract of land and shall have priority over all other liens excepting general tax liens.

The Secretary shall file copies of this ordinance after its final adoption by the Board with the County Clerk and Recorder of Mesa County for recording in the real estate records, as provided in Section 31-25-522(2), C.R.S. In addition, the Secretary shall file copies of this ordinance after its final adoption by the Board with the County Assessor and County Treasurer for Mesa County. The County Assessor is authorized to create separate schedules for each lot or tract of land assessed pursuant to this ordinance, pursuant to Section 31-25-522(2), C.R.S.

**Assessments Against Divided or Subdivided Tracts.** As to any subdivision of land assessed hereunder, the assessment shall in each case be a lien upon all the subdivisions in proportion to their respective areas; provided that in the event any subsequent subdivision includes any public rights-of-way, the assessment which otherwise would be imposed against such public rights-of-way will be deemed to be imposed uniformly, on an area basis, upon the remaining area of the subdivided property. The GID may also reapportion assessments on tracts on a basis other than area if the Board finds that the proposed action will not materially or adversely impair the obligation of the GID with respect to the Bonds.

The Treasurer is hereby authorized and directed to take such action with respect to the foregoing allocations as may be necessary or desirable under the circumstances.

**Repealer.** Ordinance No. 3480 is repealed. Additionally, all bylaws, orders, resolutions and ordinances of the City, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency as applicable to this matter only. This section shall not be construed to revive any other such bylaw, order, resolution or ordinance of the City, or part thereof, heretofore repealed.

**Severability.** If any section, subsection, paragraph, clause or other provision of this ordinance for any reason is invalid or unenforceable, the invalidity or unenforceability of such section, subsection, paragraph, clause or other provision shall not affect any of the remaining provisions of this ordinance, the intent being that the same are severable.

**Effective Date, Recording and Authentication.** This ordinance shall be in full force and effect 30 days after publication following final passage. This ordinance, as adopted by the Board, shall be numbered and recorded by the Secretary in the official records of the District. The adoption and publication shall be authenticated by the signatures of the President of the Council as the ex officio President of the Board and City Clerk as the ex officio Secretary of the Board, and by the certificate of publication.

The petitioners for the Red Tail Ridge Annexation requested that a zoning of RSF-4 be applied to the 9.88 acres. The City Council zoned the property to the

RSF-2 zone district on February 19, 2003 following the public hearing on the zoning associated with the annexation.

The petitioner, who was not present at the hearing, requested rehearing of the zoning request in order to present their justification for a RSF-4 zoning on the property. The Council on April 16, 2003, granted the petitioners request and rezoned the site to the RSF-4 zone district.

Adjacent property owners are now requesting that the zoning be reheard again. Their rehearing requests are based on a lack of notice (not required on Council hearing items) and no opportunity for the public to speak after the petitioner's rebuttal.

**15. Staff Presentation of First Reading of a Watershed and Water Supply Protection District Ordinance (No Public Discussion) Attach 15**

A Watershed Protection ordinance will protect the public water supply and preserve the City's water resources. Various activities and land uses in the City's watersheds could affect the quality and quantity of the water supply and facilities. In order to be able to decide what risks each activity may present to the City's water supply and to see if modifications are necessary, persons conducting certain activities within the watersheds must first obtain City review, and if allowed, a watershed permit.

Proposed Ordinance Establishing a Watershed and Water Supply Protection District; Establishing Procedures and Standards for Watershed District Permits in Connection with Various Activities within said Watersheds; Prohibiting any Person from Polluting said Watersheds; Requiring a Watershed District Permit for Most Activities; and Providing Penalties and Remedies for Violation of this Ordinance
