

Purchasing Division

ADDENDUM NO. 3

DATE: April 13, 2020
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: 2020 Contract Street Maintenance – Asphalt Overlays IFB-4775-20-DH

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. Q. In reviewing the documents and having visited the site to pull measurements I am having trouble getting my quantity to match the 40 SY plan quantity for the proposed replacement of the two curb ramps at the intersection of 28.5 Rd and N Grandeur Ct. I came up with 63 SY total for the replacement of the two ramps. With such a difference in numbers I want to be sure I'm measuring within the limits intended to be replaced. At this point would you be able to share how the Engineer came up with the plan quantity of 40 SY?

A. The initial calculations of the ramps below did not include the fillets at both ramps. The quantities have been updated in the attached bid schedule to include this quantity, and should match much closer to the quantities indicated in the question. Contractor shall utilize the attached Addendum 3 Pride Bid Schedule when submitting their bid response.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,

A handwritten signature in black ink, appearing to read "Duane Hoff Jr.", written over a white background.

Duane Hoff Jr., Senior Buyer
City of Grand Junction, Colorado

Bid Schedule: 2020 Contract Street Maintenance - Asphalt Overlays
