RE: Pipe Purchase for Juniata Inlet Re-Route Raw Water Line and Reeder Mesa Raw Water Line IFB-4807-20-DH

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. Q. On IFB-4807-20-DH it requests that bolts and gaskets be included with the mega lug kits, but there is also line item bids for the bolts and gaskets. Do you want both the line item bolts and gaskets and bolts and gaskets included in the kits? This will be double what is needed.

A. See attached revised Addendum 1 Price Bid Schedule. Bidders shall utilize this Addendum 1 Price Bid Schedule when submitting their bid response.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,
