The Alternate Hearing Officer shall conduct all hearings required under City and State liquor and beer codes, laws, rules and regulations construing and implementing the same for the issuance of all licenses and shall conduct all hearings to determine the renewal of licenses, for proposed changes of ownership of licenses and changes of the structure of licensed premises, and for proposed changes of location of licensed premises, and shall conduct all hearings brought under such codes when violations of the codes or the regulations have been alleged.

The Alternate Hearing Officer shall abide by the procedures established by the Hearing Officer and the law and act as may be consistent with the terms and conditions of the City and State liquor and beer codes, laws, rules and regulations.

The Alternate Hearing Officer shall have those powers given the Authority under the City and State liquor and beer codes, laws, rules and regulations regarding the conduct of hearings.
