Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. Q. Does the City want to remove the whole "Downtown Dining, Lodging, & Shopping Park" sign?
  - A. No. The Contractor shall only replace the "Downtown Dining, Lodging, & Shopping Park" sign face, on both sides, with blank sign faces.
2. Q. Are we replacing the three new sign faces (main entrance, main street, and 2<sup>nd</sup> street) with multilayer plexiglass like the current ones?
  - A. No, the Contractor shall provide and install new sign faces to be single layer plexiglass.
3. Q. Will the City be providing the new design for the signs?
  - A. Yes, the graphic below is the new design. The needed format will be given to the awarded company.

4. Q. Are you wanting the cabinetry to be repainted on all the signs?
- A. The Price Bid Schedule has been updated to include this as an add alternate. Contractors shall utilize the attached updated Price Bid Schedule when submitting their bid response.
5. Q. I notice that the existing Message Center sign was never enclosed in a cabinet, but rather, exposed to all of the elements. Is your vision of the new installation to be of similar design, or are we to furnish a cabinet to enclose the Message Center?
