

CITY OF GRAND JUNCTION, COLORADO

RESOLUTION NO. 08-21

A RESOLUTION SUPPORTING THE APPLICATION FOR A RESILIENT COMMUNITIES GRANT FROM THE STATE BOARD OF THE GREAT OUTDOORS COLORADO TRUST FUND FOR THE BLUE HERON TRAILHEAD AND BOAT RAMP REVITILAZATION

Recitals:

The "Project" plan centers around the re-construction of the Boat Ramp and parking including a new small craft put in, a new concrete boat ramp allowing safe and easy access to the river and greatly expanded parking capacity. The renovation being enabled depends on the receipt of funding in an amount up to \$290,355 from Great Outdoors Colorado ("GOCO") grant.

After due consideration, the City Council of the City of Grand Junction supports the Project and desires the City to submit a GOCO grant application to obtain the necessary funding for the Project, and if the grant is awarded, to enter into such further agreements as are necessary and proper to complete the Project.

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE CITY COUNCIL OF THE CITY OF GRAND JUNCTION THAT:

- 1: The City Council of the City of Grand Junction strongly supports the application to GOCO to obtain funds needed to complete the Project. The City Manager is authorized and directed to work to finalize and timely submit such GOCO grant application.
- 2: If the grant is awarded, the City Council of the City of Grand Junction strongly supports the completion of the Project, and authorizes the City Manager to sign an appropriate grant agreement on behalf of the City as grantee of the GOCO grant.

This Resolution shall be in full force and effect from and after its passage and adoption.

Passed and adopted this 20th day of January 2021.
