ADDENDUM NO. 3

DATE: April 13, 2021
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: 2021 Purdy Mesa Flowline Replacement IFB-4902-21-DH

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. Q. Regarding the pre-qualification application, I would like to apply for (Contracts on any project) which requires a Financial Statement audited by a licensed C.P.A. I have made contact with our C.P.A today, he said there's no way he could get an audit done in that short of time. Would you accept a reviewed financial statement for this project?

A. Contractor may submit their pre-qualification application with "reviewed" financial statements for this specific project, in lieu of "audited" financial statements, if accompanied by a letter from surety stating/verifying that they have the bonding capacity to meet their submitted bid amount. CDOT pre-qualification will also be accepted in lieu of "audited" financial statements.

2. Q. Pertaining to the Pre-Qualification Application requirements, would the City be willing to accept reviewed financial statements in lieu of audited financial statements for this project? Also, would the City accept CDOT Pre-Qualification in lieu of audited or reviewed financial statements?

A. Contractor may submit their pre-qualification application with "reviewed" financial statements for this specific project, in lieu of "audited" financial statements, if accompanied by a letter from surety stating/verifying that they have the bonding capacity to meet their submitted bid amount. CDOT pre-qualification will also be accepted in lieu of "audited" financial statements.

3. Q. Please send me a good link to the specifications. The one on the Solicitation only gives me the BLM requirements (2 pages).

A. For clarification, Section 3.5 Attachments, Appendix B description should be BLM Standard Stipulations. The linked attachment for that appendix is correct. All specification information is contained within the Construction Drawings, and the City's Standard Contract Documents.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,
