ADDENDUM NO. 1

DATE: June 15, 2021
FROM: City of Grand Junction Purchasing Division
TO: All Interested Parties
RE: Persigo WWTP Electrical Equipment Procurement IFB-4915-21-SH

Bidders responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following:

Question 1. The MCC's are listed as Siemens or approved Equal. I'd be interested in submitting an equal quote for the MCC's, Panelboards, and Transformer. Can we get those approved as equal for purposes of this bid?

Answer: Persigo has standardized all of the MCC throughout the plant to Siemens, and to minimize spare parts and confusion the City will not be considering other brands at this time.

The original solicitation for the project referenced above is amended as noted.

All other conditions of subject remain the same.

Respectfully,
