

Purchasing Division

**ADDENDUM NO. 1**

**DATE:** June 23, 2021  
**FROM:** City of Grand Junction Purchasing Division  
**TO:** All Interested Parties  
**RE:** Oxygen Supply Tank Foundation at Juniata Reservoir IFB-4917-21-SH

Bidders responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following:

**Question 1.** Will an inspection be required of equipment?  
**Answer:** No.

**Question 2.** Will the City provide asphalt millings on site?  
**Answer:** No.

**Question 3.** Is the contractor responsible for providing imported fill?  
**Answer:** Yes, however the contractor may use stockpiled material located at the Juniata dump site above the access road as discussed in the meeting. A proctor curve will be required to determine optimum moisture content. The City will provide this test and results.

**Question 4.** Who will provide survey for the project?  
**Answer:** The contractor is responsible for construction and as-built survey.

**Question 5.** Gate access will be provided using an additional lock supplied by the contractor and added to the chain. This lock will be removed and returned to the contractor at the completion of the project. A 2<sup>nd</sup> access is available from the intersection of Lands End Rd and Reeder Mesa Rd.

The original solicitation for the project referenced above is amended as noted.

All other conditions of subject remain the same.

Respectfully,

A handwritten signature in blue ink that reads "Susan J. Hyatt".
