to the above-named Petitioners a Revocable Permit for the purposes of irrigation improvements within the limits of the public rights-of-way described; provided, however, that this Permit is conditioned upon the following:

1. The installation, operation, maintenance, repair and replacement of irrigation improvements by the Petitioners within the public rights-of-way as authorized pursuant to this Permit shall be performed with due care or any other higher standard of care as may be required by the City to avoid creating hazardous or dangerous situations and to avoid damaging public roadways, sidewalks, utilities, or any other facilities presently existing or which may in the future exist in said right-of-way.
2. The City, on its behalf and on behalf of the County of Mesa, the State of Colorado and the Public Utilities, hereby reserves and retains a perpetual right to utilize all or any portion of the public rights-of-way for any purpose whatsoever. The City further reserves and retains the right to revoke this Permit at any time and for any or no reason.
3. The Petitioners, for themselves and for their successors and assigns, agree that they shall not hold, nor attempt to hold, the City of Grand Junction, its officers, employees and agents, liable for damages caused to any improvements and/or facilities to be installed by the Petitioners within the limits of the public rights-of-way (including the removal thereof), or any other property of the Petitioners or any other party, as a result of the Petitioners' occupancy, possession or use of said public rights-of-way or as a result of any City, County, State or Public Utility activity or use thereof or as a result of the installation, operation, maintenance, repair and replacement of public improvements.
4. The Petitioners agree that they shall at all times keep the above-described public rights-of-way and the facilities authorized pursuant to this Permit in good condition and repair.
5. The provisions concerning holding harmless and indemnity shall survive the expiration, revocation, termination or other ending of this Permit.
6. The Petitioners, for themselves and for their successors and assigns, agree that they shall be solely responsible for maintaining and repairing the condition of any and all plantings, improvements and/or facilities authorized pursuant to this Permit. The Petitioners shall not install any trees, vegetation or other improvements that create sight distance problems.
