 Does this coverage replace or change any existing insurance? YES NO If yes, provide carrier:								
If this coverage will replace any existing Aflac individual policy, please be aware that it may be in your best interest to maintain your individual guaranteed-renewable policy via direct bill. I have considered all of my existing health insurance coverage with Aflac and believe this additional coverage is appropriate for my insurance needs. I further understand that I can contact Aflac at 1-800-992-3522 regarding my								
individual policy and for assistance in evaluating the suitability of my insurance coverage. If a covered child reaches a limiting age as specified in the certificate or a rider, it is your responsibility to notify the company.								
To the best of my knowledge and belief, my answers to the questions are true and complete. They are offered to Continental American Insurance Company as the basis for any insurance issued. I realize any false statement or misrepresentation in the application may result in loss of coverage under the certificate. I understand that no insurance will be in effect unless I am actively at work on the effective date of coverage, and until my application is approved and the necessary premium is paid. If I am not actively at work on the effective date of coverage, coverage will become effective on the date I return to an active work status.								
I understand and agree that the coverage I am applying for may have a pre-existing condition limitation.								
I authorize the Group Policyholder to deduct the appropriate dollar amount from my earnings each pay period to pay Continental American Insurance Company the required premium for my insurance.								
It is unlawful to knowingly provide false, incomplete, or misleading facts or information to an insurance company for the purpose of defrauding or attempting to defraud the company. Penalties may include imprisonment, fines, denial of insurance and civil damages. Any insurance company or agent of an insurance company who knowingly provides false, incomplete, or misleading facts or information to a policyholder or claimant for the purpose of defrauding or attempting to defraud the policyholder or claimant with regard to a settlement or award payable from insurance proceeds shall be reported to the Colorado division of insurance within the department of regulatory agencies.
