### **ADDENDUM NO. 3**

**DATE:** November 19, 2021  
**FROM:** City of Grand Junction Purchasing Division  
**TO:** All Offerors  
**RE:** Professional Engineering Services for Horizon Dr. & G Road Roundabout RFP-4966-22-KH

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. **Q:** The RFP states that the City will supply full-time inspection and the consultant shall conduct site visits at no less than once per month. The RFP also states that the consultant will complete as-built plans. Is the intent for the City to provide as-built survey and marked up plans for the consultant to draft? Typically, if we are producing as-builts those would be created by or under the direction of our full-time field inspector who would coordinate as-built survey throughout construction. Can the City please clarify roles and expectations so we can accurately estimate the time required to fulfill said expectations and requirements.

**A:** Inspection and all tasks associated with the generation of As-Built documents will be completed by the City of Grand Junction.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,
