- 5.0 Evaluation Criteria and Factors**
- 6.0 Solicitation Response Form**

REQUEST FOR PROPOSAL

SECTION 1.0: ADMINISTRATIVE INFORMATION & CONDITIONS FOR SUBMITTAL

- 1.1 **Issuing Office:** This Request for Proposal (RFP) is issued by the City of Grand Junction. All contact regarding this RFP shall be directed to:

RFP Questions:

Kassy Hackett, Buyer

kassyh@gjcity.org

- 1.2 **Purpose:** The purpose of this RFP is to obtain proposals from qualified professional firms to provide a CNG Fueled Current Model Year, four- or six-Wheel Broom Street Sweeper with Belt Conveyor.
- 1.3 **The Owner:** The Owner is the City of Grand Junction and is referred to throughout this Solicitation. The term Owner means the Owner or his authorized representative.
- 1.4 **Compliance:** All participating Offerors, by their signature hereunder, shall agree to comply with all conditions, requirements, and instructions of this RFP as stated or implied herein. Should the Owner omit anything from this packet which is necessary to the clear understanding of the requirements, or should it appear that various instructions are in conflict, the Offeror(s) shall secure instructions from the Purchasing Division prior to the date and time of the submittal deadline shown in this RFP.
- 1.5 **Submission:** Please refer to section 5.0 for what is to be included. *Each proposal shall be submitted in electronic format only, and only through the Rocky Mountain E-Purchasing website (<https://www.rockymountainbidsystem.com/default.asp>). This site offers both “free” and “paying” registration options that allow for full access of the Owner’s documents and for electronic submission of proposals. (Note: “free” registration may take up to 24 hours to process. Please Plan accordingly.)* Please view our “**Electronic Vendor Registration Guide**” at <http://www.gjcity.org/BidOpenings.aspx> for details. For proper comparison and evaluation, the City requests that proposals be formatted as directed in Section 5.0 “Preparation and Submittal of Proposals.” Submittals received that fail to follow this format may be ruled non-responsive. (Purchasing Representative does not have access or control of the vendor side of RMEPS. If website or other problems arise during response submission, vendor **MUST** contact RMEPS to resolve issue prior to the response deadline. **800-835-4603**)

- 1.6 Altering Proposals:** Any alterations made prior to opening date and time must be initialed by the signer of the proposal, guaranteeing authenticity. Proposals cannot be altered or amended after submission deadline.
- 1.7 Withdrawal of Proposal:** A proposal must be firm and valid for award and may not be withdrawn or canceled by the Offeror for sixty (60) days following the submittal deadline date, and only prior to award. The Offeror so agrees upon submittal of their proposal. After award this statement is not applicable.
- 1.8 Addenda:** All Questions shall be submitted in writing to the appropriate person as shown in Section 1.1. Any interpretations, corrections and changes to this RFP or extensions to the opening/receipt date shall be made by a written Addendum to the RFP by the Owner. Sole authority to authorize addenda shall be vested in the City of Grand Junction Purchasing Representative. Addenda will be issued electronically through the Rocky Mountain E-Purchasing website at www.rockymountainbidsystem.com. Offerors shall acknowledge receipt of all addenda in their proposal.
- 1.9 Exceptions and Substitutions:** All proposals meeting the intent of this RFP shall be considered for award. Offerors taking exception to the specifications shall do so at their own risk. The Owner reserves the right to accept or reject any or all substitutions or alternatives. When offering substitutions and/or alternatives, Offeror must state these exceptions in the section pertaining to that area. Exception/substitution, if accepted, must meet or exceed the stated intent and/or specifications. The absence of such a list shall indicate that the Offeror has not taken exceptions, and if awarded a contract, shall hold the Offeror responsible to perform in strict accordance with the specifications or scope of work contained herein.
- 1.10 Confidential Material:** All materials submitted in response to this RFP shall ultimately become public record and shall be subject to inspection after contract award. **“Proprietary or Confidential Information”** is defined as any information that is not generally known to competitors and which provides a competitive advantage. Unrestricted disclosure of proprietary information places it in the public domain. Only submittal information clearly identified with the words **“Confidential Disclosure”** and uploaded as a separate document shall establish a confidential, proprietary relationship. Any material to be treated as confidential or proprietary in nature must include a justification for the request. The request shall be reviewed and either approved or denied by the Owner. If denied, the proposer shall have the opportunity to withdraw its entire proposal, or to remove the confidential or proprietary restrictions. Neither cost nor pricing information nor the total proposal shall be considered confidential or proprietary
- 1.11 Response Material Ownership:** All proposals become the property of the Owner upon receipt and shall only be returned to the proposer at the Owner’s option. Selection or rejection of the proposal shall not affect this right. The Owner shall have the right to use all ideas or adaptations of the ideas contained in any proposal received in response to this RFP, subject to limitations outlined in the section titled “Confidential Material”. Disqualification of a proposal does not eliminate this right.

- 1.12 Minimal Standards for Responsible Prospective Offerors:** A prospective Offeror must affirmably demonstrate their responsibility. A prospective Offeror must meet the following requirements:
- Have adequate financial resources, or the ability to obtain such resources as required.
 - Be able to comply with the required or proposed completion schedule.
 - Have a satisfactory record of performance.
 - Have a satisfactory record of integrity and ethics.
 - Be otherwise qualified and eligible to receive an award and enter into a contract with the Owner.
- 1.13 Nonconforming Terms and Conditions:** A proposal that includes terms and conditions that do not conform to the terms and conditions of this Request for Proposal is subject to rejection as non-responsive. The Owner reserves the right to permit the Offeror to withdraw nonconforming terms and conditions from its proposal prior to a determination by the Owner of non-responsiveness based on the submission of nonconforming terms and conditions
- 1.14 Open Records:** All proposals shall be open for public inspection after the contract is awarded. Trade secrets and confidential information contained in the proposal so identified by offer as such shall be treated as confidential by the Owner to the extent allowable in the Open Records Act.
- 1.15 Sales Tax:** City of Grand Junction/Mesa County is, by statute, exempt from the State Sales Tax and Federal Excise Tax; therefore, all fees shall not include taxes.
- 1.16 Public Opening:** Proposals shall be opened virtually immediately following the proposal deadline. Offerors, their representatives and interested persons may be present. Only the names and locations on the proposing firms will be disclosed.

SECTION 2.0: GENERAL CONTRACT TERMS AND CONDITIONS

- 2.1. Acceptance of RFP Terms:** A proposal submitted in response to this RFP shall constitute a binding offer. Acknowledgment of this condition shall be indicated on the Cover Letter by the Offeror or an officer of the Offeror legally authorized to execute contractual obligations. A submission in response to the RFP acknowledges acceptance by the Offeror of all terms and conditions, as set forth herein. An Offeror shall identify clearly and thoroughly any variations between its proposal and the Owner's RFP requirements. Failure to do so shall be deemed a waiver of any rights to subsequently modify the terms of performance, except as outlined or specified in the RFP.
- 2.2. Execution, Correlation, Intent, and Interpretations:** The Contract Documents shall be signed by the Owner and Contractor. By executing the contract, the Contractor represents that they have familiarized themselves with the local conditions under which the Work is to be performed, and correlated their observations with the requirements of the Contract Documents. The Contract Documents are complementary, and what is required by any one, shall be as binding as if required by all. The intention of the documents is to include all labor, materials, equipment, services and other items necessary for the proper execution and completion of the scope of work as defined in the technical specifications and drawings

contained herein. All drawings, specifications and copies furnished by the Owner are, and shall remain, Owner property. They are not to be used on any other project.

- 2.3. Permits, Fees, & Notices:** The Contractor shall secure and pay for all permits, fees and licenses necessary for the proper execution and completion of the work. The Contractor shall give all notices and comply with all laws, ordinances, rules, regulations and orders of any public authority bearing on the performance of the work. If the Contractor observes that any of the Contract Documents are at variance in any respect, Contractor shall promptly notify the Owner in writing, and any necessary changes shall be adjusted by change order/amendment. If the Contractor performs any work knowing it to be contrary to such laws, ordinances, rules and regulations, and without such notice to the Owner, Contractor shall assume full responsibility and shall bear all costs attributable.
- 2.4. Change Order/Amendment:** No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. All change orders/amendments to the contract shall be made in writing by the Owner Purchasing Division.
- 2.5. Assignment:** The Offeror shall not sell, assign, transfer or convey any contract resulting from this RFP, in whole or in part, without the prior written approval from the Owner.
- 2.6. Compliance with Laws:** Proposals must comply with all Federal, State, County and local laws governing or covering this type of service and the fulfillment of all ADA (Americans with Disabilities Act) requirements. Contractor hereby warrants that it is qualified to assume the responsibilities and render the services described herein and has all requisite corporate authority and professional licenses in good standing, required by law.
- 2.7. Debarment/Suspension:** The Contractor hereby certifies that the Contractor is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Governmental department or agency.
- 2.8. Confidentiality:** All information disclosed by the Owner to the Contractor for the purpose of the work to be done or information that comes to the attention of the Contractor during the course of performing such work is to be kept strictly confidential.
- 2.9. Conflict of Interest:** No public official and/or Owner employee shall have interest in any contract resulting from this RFP.
- 2.10. Contract:** This Request for Proposal, submitted documents, and any negotiations, when properly accepted by the Owner, shall constitute a contract equally binding between the Owner and Offeror. The contract represents the entire and integrated agreement between the parties hereto and supersedes all prior negotiations, representations, or agreements, either written or oral, including the Proposal documents. The contract may be amended or modified with Change Orders, Field Orders, or Amendment.
- 2.11. Project Manager/Administrator:** The Project Manager, on behalf of the Owner, shall render decisions in a timely manner pertaining to the work proposed or performed by the

Offeror. The Project Manager shall be responsible for approval and/or acceptance of any related performance of the Scope of Work.

- 2.12. Cancellation of Solicitation:** Any solicitation may be canceled by the Owner or any solicitation response by a vendor may be rejected in whole or in part when it is in the best interest of the Owner.
- 2.13. Contract Termination:** This contract shall remain in effect until any of the following occurs: (1) contract expires; (2) completion of services; (3) acceptance of services or, (4) for convenience terminated by either party with a written *Notice of Cancellation* stating therein the reasons for such cancellation and the effective date of cancellation at least thirty days past notification.
- 2.14. Employment Discrimination:** During the performance of any services per agreement with the Owner, the Offeror, by submitting a Proposal, agrees to the following conditions:
- 2.14.1.** The Offeror shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, disability, citizenship status, marital status, veteran status, sexual orientation, national origin, or any legally protected status except when such condition is a legitimate occupational qualification reasonably necessary for the normal operations of the Offeror. The Offeror agrees to post in conspicuous places, visible to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
- 2.14.2.** The Offeror, in all solicitations or advertisements for employees placed by or on behalf of the Offeror, shall state that such Offeror is an Equal Opportunity Employer.
- 2.14.3.** Notices, advertisements, and solicitations placed in accordance with federal law, rule, or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.
- 2.15. Immigration Reform and Control Act of 1986 and Immigration Compliance:** The Offeror certifies that it does not and will not during the performance of the contract employ illegal alien workers or otherwise violate the provisions of the Federal Immigration Reform and Control Act of 1986 and/or the immigration compliance requirements of State of Colorado C.R.S. § 8-17.5-101, *et.seq.* (House Bill 06-1343).
- 2.16. Ethics:** The Offeror shall not accept or offer gifts or anything of value nor enter into any business arrangement with any employee, official, or agent of the Owner.
- 2.17. Failure to Deliver:** In the event of failure of the Offeror to deliver services in accordance with the contract terms and conditions, the Owner, after due oral or written notice, may procure the services from other sources and hold the Offeror responsible for any costs resulting in additional purchase and administrative services. This remedy shall be in addition to any other remedies that the Owner may have.
- 2.18. Failure to Enforce:** Failure by the Owner at any time to enforce the provisions of the contract shall not be construed as a waiver of any such provisions. Such failure to enforce

shall not affect the validity of the contract or any part thereof or the right of the Owner to enforce any provision at any time in accordance with its terms.

- 2.19. Force Majeure:** The Offeror shall not be held responsible for failure to perform the duties and responsibilities imposed by the contract due to legal strikes, fires, riots, rebellions, and acts of God beyond the control of the Offeror, unless otherwise specified in the contract.
- 2.20. Indemnification:** Offeror shall defend, indemnify and save harmless the Owner and all its officers, employees, insurers, and self-insurance pool, from and against all liability, suits, actions, or other claims of any character, name and description brought for or on account of any injuries or damages received or sustained by any person, persons, or property on account of any negligent act or fault of the Offeror, or of any Offeror's agent, employee, subcontractor or supplier in the execution of, or performance under, any contract which may result from proposal award. Offeror shall pay any judgment with cost which may be obtained against the Owner growing out of such injury or damages.
- 2.21. Independent Firm:** The Offeror shall be legally considered an Independent Firm and neither the Firm nor its employees shall, under any circumstances, be considered servants or agents of the Owner. The Owner shall be at no time legally responsible for any negligence or other wrongdoing by the Firm, its servants, or agents. The Owner shall not withhold from the contract payments to the Firm any federal or state unemployment taxes, federal or state income taxes, Social Security Tax or any other amounts for benefits to the Firm. Further, the Owner shall not provide to the Firm any insurance coverage or other benefits, including Workers' Compensation, normally provided by the Owner for its employees.
- 2.22. Ownership:** All plans, prints, designs, concepts, etc., shall become the property of the Owner.
- 2.23. Oral Statements:** No oral statement of any person shall modify or otherwise affect the terms, conditions, or specifications stated in this document and/or resulting agreement. All modifications to this request and any agreement must be made in writing by the Owner.
- 2.24. Patents/Copyrights:** The Offeror agrees to protect the Owner from any claims involving infringements of patents and/or copyrights. In no event shall the Owner be liable to the Offeror for any/all suits arising on the grounds of patent(s)/copyright(s) infringement. Patent/copyright infringement shall null and void any agreement resulting from response to this RFP.
- 2.25. Remedies:** The Offeror and Owner agree that both parties have all rights, duties, and remedies available as stated in the Uniform Commercial Code.
- 2.26. Venue:** Any agreement as a result of responding to this RFP shall be deemed to have been made in, and shall be construed and interpreted in accordance with, the laws of the City of Grand Junction, Mesa County, Colorado.
- 2.27. Expenses:** Expenses incurred in preparation, submission and presentation of this RFP are the responsibility of the company and can not be charged to the Owner.

- 2.28. Sovereign Immunity:** The Owner specifically reserves its right to sovereign immunity pursuant to Colorado State Law as a defense to any action arising in conjunction to this agreement.
- 2.29. Public Funds/Non-Appropriation of Funds:** Funds for payment have been provided through the Owner's budget approved by the City Council/Board of County Commissioners for the stated fiscal year only. State of Colorado statutes prohibit the obligation and expenditure of public funds beyond the fiscal year for which a budget has been approved. Therefore, anticipated orders or other obligations that may arise past the end of the stated Owner's fiscal year shall be subject to budget approval. Any contract will be subject to and must contain a governmental non-appropriation of funds clause.
- 2.30. Collusion Clause:** Each Offeror by submitting a proposal certifies that it is not party to any collusive action or any action that may be in violation of the Sherman Antitrust Act. Any and all proposals shall be rejected if there is evidence or reason for believing that collusion exists among the proposers. The Owner may or may not, at the discretion of the Owner Purchasing Representative, accept future proposals for the same service or commodities for participants in such collusion.
- 2.31. Gratuities:** The Contractor certifies and agrees that no gratuities or kickbacks were paid in connection with this contract, nor were any fees, commissions, gifts or other considerations made contingent upon the award of this contract. If the Contractor breaches or violates this warranty, the Owner may, at their discretion, terminate this contract without liability to the Owner.
- 2.32. OSHA Standards:** All Offerors agree and warrant that services performed in response to this invitation shall conform to the standards declared by the US Department of Labor under the Occupational Safety and Health Act of 1970 (OSHA). In the event the services do not conform to OSHA Standards, the Owner may require the services to be redone at no additional expense to the Owner.
- 2.33. Performance of the Contract:** The Owner reserves the right to enforce the performance of the contract in any manner prescribed by law or deemed to be in the best interest of the Owner in the event of breach or default of resulting contract award.
- 2.34. Benefit Claims:** The Owner shall not provide to the Contractor any insurance coverage or other benefits, including Worker's Compensation, normally provided by the Owner for its employees.
- 2.35. Default:** The Owner reserves the right to terminate the contract immediately in the event the Contractor fails to meet delivery or completion schedules, or otherwise perform in accordance with the accepted proposal. Breach of contract or default authorizes the Owner to purchase like services elsewhere and charge the full increase in cost to the defaulting Contractor.
- 2.36. Multiple Offers:** Proposers must determine for themselves which product or service to offer. If said proposer chooses to submit more than one offer, THE ALTERNATE OFFER must be clearly marked "Alternate Proposal". The Owner reserves the right to make award in the best interest of the Owner.

2.37. Cooperative Purchasing: Purchases as a result of this solicitation are primarily for the Owner. Other governmental entities may be extended the opportunity to utilize the resultant contract award with the agreement of the successful provider and the participating agencies. All participating entities will be required to abide by the specifications, terms, conditions and pricings established in this Proposal. The quantities furnished in this proposal document are for only the Owner. It does not include quantities for any other jurisdiction. The Owner will be responsible only for the award for our jurisdiction. Other participating entities will place their own awards on their respective Purchase Orders through their purchasing office or use their purchasing card for purchase/payment as authorized or agreed upon between the provider and the individual entity. The Owner accepts no liability for payment of orders placed by other participating jurisdictions that choose to piggy-back on our solicitation. Orders placed by participating jurisdictions under the terms of this solicitation will indicate their specific delivery and invoicing instructions.

2.38. Definitions:

2.38.1. “Offeror” and/or “Proposer” refers to the person or persons legally authorized by the Consultant to make an offer and/or submit a response (fee) proposal in response to the Owner’s RFP.

2.38.2. The term “Work” includes all labor, materials, equipment, and/or services necessary to produce the requirements of the Contract Documents.

2.38.3. “Contractor” is the person, organization, firm or consultant identified as such in the Agreement and is referred to throughout the Contract Documents. The term Contractor means the Contractor or his authorized representative. The Contractor shall carefully study and compare the General Contract Conditions of the Contract, Specification and Drawings, Scope of Work, Addenda and Modifications and shall at once report to the Owner any error, inconsistency or omission he may discover. Contractor shall not be liable to the Owner for any damage resulting from such errors, inconsistencies or omissions. The Contractor shall not commence work without clarifying Drawings, Specifications, or Interpretations.

2.38.4. “Sub-Contractor is a person or organization who has a direct contract with the Contractor to perform any of the work at the site. The term sub-contractor is referred to throughout the contract documents and means a sub-contractor or his authorized representative.

2.39. Public Disclosure Record: If the Proposer has knowledge of their employee(s) or sub-proposers having an immediate family relationship with an Owner employee or elected official, the proposer must provide the Purchasing Representative with the name(s) of these individuals. These individuals are required to file an acceptable “Public Disclosure Record”, a statement of financial interest, before conducting business with the Owner.

2.40. Keep Jobs in Colorado Act: Contractor shall be responsible for ensuring compliance with Article 17 of Title 8, Colorado Revised Statutes requiring 80% Colorado labor to be employed on public works. Contractor shall, upon reasonable notice provided by the Owner, permit the Owner to inspect documentation of identification and residency required by C.R.S. §8-17-101(2)(a). If Contractor claims it is entitled to a waiver pursuant to C.R.S. §8-17-101(1), Contractor shall state that there is insufficient Colorado labor to perform the work such that compliance with Article 17 would create an undue burden that would

substantially prevent a project from proceeding to completion, and shall include evidence demonstrating the insufficiency and undue burden in its response.

Unless expressly granted a waiver by the Owner pursuant to C.R.S. §8-17-101(1), Contractor shall be responsible for ensuring compliance with Article 17 of Title 8, Colorado Revised Statutes requiring 80% Colorado labor to be employed on public works. Contractor shall, upon reasonable notice provided by the Owner, permit the Owner to inspect documentation of identification and residency required by C.R.S. §8-17-101(2)(a).

2.40.1. "Public Works project" is defined as:

- (a) any construction, alteration, repair, demolition, or improvement of any land, building, structure, facility, road, highway, bridge, or other public improvement suitable for and intended for use in the promotion of the public health, welfare, or safety and any maintenance programs for the upkeep of such projects
- (b) for which appropriate or expenditure of moneys may be reasonably expected to be \$500,000.00 or more in the aggregate for any fiscal year
- (c) except any project that receives federal moneys.

SECTION 3.0: SPECIAL INSRUCTIONS

- 3.1 Intent:** It is the intent of this specification to provide for the purchase of a CNG Fueled Current Model Year, four- or six-Wheel Broom Street Sweeper with Belt Conveyor. It is the intent of these specifications to cover the furnishings and delivery to the City of Grand Junction; a complete apparatus equipped as hereinafter specified.
- 3.2 Equivalent Product:** Proposals will be accepted for consideration on any make or model that is equal to the product utilized in the Specifications. Decisions of equivalency will be at the sole interpretation of the City of Grand Junction. A blanket statement that equipment proposed will meet all requirements will not be sufficient to establish equivalence. Original manufacturer's brochures of the proposed unit are to be submitted with the proposal. Vendor must be prepared to demonstrate a unit similar to the one proposed, if requested.
- 3.3 Brand Names or Equal:** Whenever in this solicitation any particular materials, process, mechanism, and/or equipment are indicated, described or specified by patent, proprietary, or brand name, or by name of manufacturer, such wording will be deemed to be used for the purpose of facilitating minimum acceptable requirements and will be deemed to be followed by the words, "or equivalent." Proof satisfactory to the City must be provided by offeror to show that the alternative product/equipment/vehicle is in fact, equal to specification requirements.

Quotes for similar manufactured items of like quality will be considered if the quote is fully noted with the manufacturer's brand name and model. The City of Grand Junction reserves the right to determine products of equal value. Vendors will not be allowed to make unauthorized substitutions after award is made.

- 3.3 Delivery Date:** All Proposals must be submitted with a delivery date. Prior to delivery, new equipment/vehicle must be completely serviced in accordance with standard new vehicle “Make Ready” and to the manufacturer’s specifications.
- 3.4 Delivery:** All costs for delivery of the new unit will be assumed by the vendor and included in the net price. Unless stated elsewhere in this Proposal document, all deliveries will be made to City of Grand Junction, Fleet Division, 333 West Ave, Bldg C, Grand Junction, CO 81501.
- 3.5 Trade-In Equipment:** When trade-ins (equipment and/or rolling stock) are presented in the bid specifications, the City reserves the right to reject any or all offers. Allowance for trade-in(s) will be deducted from the full purchase price in computing the net purchase price. All trade- in(s) are offered “as is, with no guarantee or warranty—either implied or expressed—of any kind. Trade-in(s) will not be available until the receipt and acceptance of the new unit unless agreed to by the City of Grand Junction’s Senior Buyer. Trade-in(s) will be in the condition and appearance as appraised by the Bidder on or before the deadline for receipt of bids as set forth in the Invitation for Bids, except for normal wear and tear. Any damage such as collision, fire or vandalism, shall be cause for renegotiation or the Bidder’s withdrawal of the trade-in offer.

It is the policy of the City of Grand Junction’s Fleet Division to maintain vehicles that continue to be used in the same condition as when offered for trade. Cracked or pitted glass will not be replaced unless defects obscure the vision of the driver.

It will be the responsibility of the bidder to examine the condition of the vehicles offered for trade before bidding. No complaint on adverse conditions over and above normal wear and tear will be considered.

Trade-in vehicles will not be available to the vendor until the new replacement unit is placed into active service, after all accessories have been installed and tested. Vehicles are normally traded with the same equipment as when purchased. Unless it is specifically stated on the bid invitation, none of the special equipment or attachments which may be on the vehicle at the time of appraisal will be included with the trade-in. This may apply but is not limited to utility bodies, winches, special hitches, carrying racks, warning lights, two-way radios, sirens etc.

To view the trade-in contact Tim Barker at 970-244-1532 or timba@gjcity.org.

- 3.6 Taxes & Final Payment:** Prices quoted shall exclude Federal Excise and State taxes. Prices quoted shall be F.O.B. City of Grand Junction, CO 81501. Direct purchases by the City of Grand Junction are tax exempt from Colorado Sales or Use Tax. Tax exempt #98-903544. Final payment for equipment and vehicles delivered under these specifications will not be made until all terms and conditions have been satisfied.
- 3.7 Repair & Parts Manuals:** An Operators, Repair, Emissions, Electrical and Parts Manual will be supplied with each new unit. Manuals must be received prior to payment. Whenever available, the City prefers one manual in electronic format.

- 3.8 Manufacturer’s Statement of Origin:** The new Unit shall be delivered with the Manufacturer’s Statement of Origin (MSO). Failure to provide MSO shall be grounds to refuse to accept vehicle.
- 3.9 Title:** The awarded supplier shall provide Title work for the new vehicle within 10 days after the receipt of payment from the Owner. Mail or deliver the Title to: Fleet Division, 333 West Ave, Bldg C, Grand Junction, CO 81501. If a problem arises in obtaining the Title within the 10-day window, contact Tim Barker in Fleet Division at (970)-244-1532, or via e-mail timba@gjcity.org. **Name on the title shall read: “City of Grand Jctn”.**

	Transmission, Axles, Wheels & Brakes		
11	An Allison 2500 Series (or approved equal) automatic transmission with oil heavy duty oil cooler shall be provided. An external spin on transmission oil filter is to be included with the Allison transmission.		
12	The 12,000 lb. front axle shall be equipped with 12,000 lb. Springs and shock absorbers.		
13	Rear axle shall have a minimum 16,800 lbs. capacity. Rear axle shall be supported by an adequate suspension system for rating.		
14	If rear axle is supported by an airspring system, control of the airspring rear suspension shall be by a single transport/sweep ergonomic switch on the control console.		

	<u>Specification/Description</u>	<u>As Specified</u>	<u>Comments:</u> <u>(If not exactly as specified, explain any Deviation.)</u>
15	For safety and to allow the emergency interchange of tires at a job site and front and rear tires and rims shall all be interchangeable.		
16	Tires shall be tubeless radial tires 14 ply 11R22.5 with proper rating.		
17	Rims shall be 10 hole steel hub piloted 22.5".		
18	Air system shall include a heated air dryer with automatic moisture ejector.		
	CAB		
19	Maximum visibility, forward line of sight from the chassis front bumper to the point on the ground visible to the operator shall not exceed 8 feet for 6-foot-tall operator.		
20	Steering shall be full power with single center or dual operator controls dependent upon cab configuration.		
21	Each steering column shall be fully independent and shall include separate steering gear boxes, separate drag links and separate pitman arms.		
22	Seats shall be air adjustable, covered with cloth for air circulation and include 3 point seat belts		
23	Sweeper shall include two (2) outside west coast type mirrors with lower 8 inch convex lens for easy viewing of the side broom during sweeping.		
24	To maximize operator visibility of the curb and sweeping gear, outside mirrors shall be mounted forward of the front wheels.		
25	Switches shall be illuminated so that they can be readily identified without the use of the cab dome light.		
26	Switches shall be clearly identified by name and symbol.		
27	Cab interior environment shall be fully air-conditioned including a fresh air heater defroster.		
28	Cab shall have full flow through ventilation for optimal temperature control and operator comfort.		
29	Windshield wiper shall be two speeds with washer.		
30	Wipers shall have intermittent feature.		
31	Interior of cab shall have acoustical insulation for low operating noise, and automotive type trim.		
32	Dash shall be faced with soft molded plastic.		
33	All glass shall be tinted safety glass.		
34	Each operator position shall have adjustable sun visor.		
35	Door shall be keyed locked.		

	<u>Specification/Description</u>	<u>As Specified</u>	<u>Comments:</u> <u>(If not exactly as specified, explain any Deviation.)</u>
36	Door windows shall be roll down type.		
37	Cab shall have dual 12 volt power points.		
38	Side windows shall have defogger.		
	Instruments		
39	Chassis left side operator instrument panel shall be chassis OEM, full vision illuminated with tachometer, speedometer, odometer, trip odometer, fuel gauge, water temperature gauge, air pressure gauge, and volt gauge.		
40	Chassis right side operator instrument panel shall be chassis OEM, full vision illuminated with tachometer, speedometer, odometer, trip odometer, fuel gauge, water temperature gauge, air pressure gauge, and volt gauge.		
41	Chassis gauges shall include speedometer, odometer, coolant temperature, tachometer, voltmeter, oil pressure, fuel level and air pressure.		
42	Chassis engine instruments shall include warning light and chime for low coolant level and high coolant temperature to warn the operator of a potential problem before any damage to the engine occurs. Console shall have left/right primary driver switch.		
43	Truck instruments shall include warning lights for battery, and cab latch to make sure the cab is locked in position.		
44	Sweeper engine instruments shall include tachometer, hour meter, oil pressure, fuel, voltage, and coolant temperature for complete information for the operator on the condition of the auxiliary engine.		
45	Instruments shall include an auxiliary engine air intake restriction indicator mounted in the fixed console, for ease of maintenance, and a hopper "full load" indictor to notify the operator the hopper is fully loaded.		
46	Dash, all console switches including transmission controls and all gauges shall be illuminated.		
47	Batteries should be located in an enclosed accessible environment for long life and ease of service.		
48	Chassis shall have two (2) maintenance free batteries rated at not less than 1300 CCA, 12 volt.		
49	Chassis engine shall have a 145 amp. Alternator.		
50	Chassis lighting shall include sealed multi-beam halogen head-lights, stop lights, tail lights, backup lights, license plate lights, clearance lights, signal lights, illuminated gauges and instrument panel, and directional lights with hazard switch.		

	<u>Specification/Description</u>	<u>As Specified</u>	<u>Comments:</u> <u>(If not exactly as specified, explain any Deviation.)</u>
	Other Chassis Accessories		
51	Two 7" x 16" stainless steel mirrors that are heated and controlled using 2 dash mounted switches shall be supplied and are in lieu of the standard mirrors.		
52	Tool box		
53	AM/FM Radio		
	Sweeper Engine		
54	Single engine unit preferred that utilizes chassis engine to power sweeper components. If Auxiliary engine is used, CNG engine that has been in production for a minimum of two (2) years shall be minimum 4 cylinders, Turbocharged.		
55	Horsepower rating shall be not less than 49 HP @ 2800 RPM, torque 127lb-ft @ 1680 RPM		
56	Engine shall be equipped with a full flow oil filter, heavy duty two stage dry element air cleaner with safety element, fuel filter, and fuel/water separator.		
57	Engine shall be protected by a 70/30 mixture anti-freeze/water for cold weather storage and or operation to -30 degrees F (-34C).		
58	Engine, radiator, and all auxiliary engine driven devices shall be isolation mounted through a dedicated engine frame.		
59	Engine shall be equipped with a cab mounted filter restriction indicator. A rear engine compartment cover shall be supplied to minimize vandalism and buildup of litter in engine compartment. Doors accessing engine compartment shall be lockable and cover cannot be opened until door is unlocked. The cover shall be constructed of aluminum with hinged sections that can be completely folded over to allow easy access to components. An automatic auxiliary engine shutdown shall be included which protects against damage when high coolant temperature, low oil pressure or low hydraulic oil level occurs.		
	Side Brooms		
60	Each side broom shall be driven by a hydraulic motor. They shall be the vertical digger type, trailing arm design.		
61	Side brooms shall be 42-inch diameter minimum.		
62	Broom pattern must be constant regardless of up and down motion.		
63	Broom down pressure shall be adjustable by the operator from the cab while moving or stationary		

	<u>Specification/Description</u>	<u>As Specified</u>	<u>Comments:</u> <u>(If not exactly as specified, explain any Deviation.)</u>
64	Broom shall consist of five (5) plastic segments, filled with 26 inch long tempered steel wire		
65	To provide flexibility for varying sweeping conditions, broom speed shall be variable and equipped with in cab variable speed controls allowing brooms to rotate at a speed independent of any other function and engine RPM. The use of engine RPM to vary gutter broom speed is unacceptable.		
66	Each gutter broom shall be retractable for a maximum travel width of 8 feet.		
67	Each broom shall have an LED work-light for night operation		
68	Sweeping path using both gutter brooms shall be no less than 125 inches.		
69	Tilting of right-side broom shall be variable from the cab. An electrically controlled linear actuator shall allow the operator to tilt the side broom inward and outward from the cab, while sweeping. Tilting of left side broom shall be variable from the cab. An electrically controlled linear actuator shall allow the operator to tilt the side broom inward and outward from the cab, while sweeping.		
70	A center deflector shall be provided to direct debris thrown by the gutter brooms into the path of the main broom. The deflector shall be positioned under the sweeper in between the gutter brooms consist of easily replaced wear strips. Deflector shall raise and lower with the main broom.		
	Main Broom		
71	The main broom shall not be less than 58 inches long and not less than 32 inches in diameter.		
72	Main broom drive shall be direct hydraulic.		
73	To provide flexibility for varying sweeping conditions, broom speed shall be variable operated by in cab variable speed controls allowing brooms to rotate at a speed independent of any other function and engine RPM. The use of engine RPM to vary the main broom speed is unacceptable.		
74	Main broom shall be raised and lowered by a single in cab dash mounted rocker switch. Broom height shall be adjustable while sweeper is moving.		
75	Main broom shall be prefab disposable type.		
76	Main broom shall be double wrapped at both ends		
77	For safety, main broom shall automatically stop and raise when transmission is placed in reverse.		

	<u>Specification/Description</u>	<u>As Specified</u>	<u>Comments:</u> <u>(If not exactly as specified, explain any Deviation.)</u>
78	Unit shall be equipped with a steel main broom hood to only prevent materials from being overthrown into following traffic and also be capable of channeling over throw back into the dirt chamber		
79	Main broom shall have two work lights.		
80	Main broom shall be self-adjusting or dual main broom regulators shall be provided in the cab. These regulators will be used to adjust the main broom down pressure side to side.		
	Elevator		
81	Elevator shall have a minimum of 11 flights with replaceable corded rubber squeegee tips.		
82	Preferred elevator drive shall be direct hydraulic.		
83	Elevator sprockets shall have hardened teeth for longevity.		
84	Elevator shall be variable speed, and rotation direction shall be reversible, with both functions controlled from within the cab.		
85	Elevator variable speed shall be operated by in cab controls allowing elevator to rotate at a speed independent of any other function and engine RPM. The use of engine RPM to vary elevator speed is unacceptable.		
	Hopper		
86	Hopper shall be constructed of minimum 7 gauge steel floor and minimum 11 gauge steel door, top and sides.		
87	Hopper volumetric capacity shall be not less than 4.5 cubic yards. Useable capacity not less than 4 cubic yards.		
88	Hopper shall dump from a minimum height of 114 inches as measured at the lowest point under the open hopper chute.		
89	Hopper shall be able to tilt (dump) to an angle to ensure complete removal of all debris.		
90	Lift mechanism may be a scissor lift system. Scissor lift systems shall be double stage, utilizing two hydraulic cylinders with a bore of not less than 3.5 inches.		
91	Lift capacity shall be not less than 12,000 lbs.		
92	Hopper dump mechanism shall utilize two hydraulic cylinders with a bore of not less than 3.5 inches.		
93	Maximum time for full length lift and dump cycle shall not exceed 70 seconds.		
94	Hopper to hydraulically side shift toward hopper receptacle as necessary for dumping efficiency.		

	<u>Specification/Description</u>	<u>As Specified</u>	<u>Comments:</u> <u>(If not exactly as specified, explain any Deviation.)</u>
95	Hopper load shall be visible at all times from the cab through a front facing hopper window.		
96	To prevent over-loading beyond Manufacturer's GVW rating, cab shall have a full load warning indicator light activated by hopper weight.		
97	To extend wear life, all scissors lift joints shall be self-lubricating bronze bearings.		
98	Apparatus shall have an interlock to prevent dumping hopper without engaging the park brake.		
99	A seal shall be provided between the hopper and the elevator to prevent dirt and dust emission and loss of debris.		
	Water System		
100	Tank capacity shall be minimum 250 U.S. gallons.		
101	Tank shall be constructed of non-rusting material.		
102	Pump shall be centrifugal type capable of running dry indefinitely without damage.		
103	Pump shall be aluminum. Pump shall not contain ferrous parts in contact with water.		
104	Water system shall be equipped with a minimum of 5 spray nozzles on the front bumper, 3 spray nozzles on each side broom, 5 spray nozzles on the main broom spray bar. Rear spray bars shall be constructed of non-ferrous components to prevent contamination.		
105	Water to each area, side broom left and right, front and rear spray bar shall be controlled in the cab by electrical activation switches. Water flow control valves shall be non-ferrous heavy-duty type.		
106	A low water indicator light shall be located within the cab.		
107	The water system shall incorporate an air purge system for flushing water lines and pump during freezing conditions.		
108	Water fill hose shall be not less than 16 feet in length, equipped with a hydrant coupler.		
109	An in-line water filter shall be provided with the fill hose to prevent contaminants from entering the water tanks.		
110	The water supply, tank shall be equipped with an anti-siphon device Compliant to American National Standard Air gaps in plumbing systems ASME A112.12-1991.		
	Hydraulic System		
111	Reservoir capacity shall not be less than 21 gallons without side level indicator.		

	<u>Specification/Description</u>	<u>As Specified</u>	<u>Comments:</u> <u>(If not exactly as specified, explain any Deviation.)</u>
112	Pump shall be three section, directly driven.		
113	The reservoir vent shall be equipped with 10 micron, spin on filter.		
114	Return lines for drive shall have a 10-micron full flow filter with bypass. Cab mounted restriction indicator shall light before bypass begins.		
115	When adding hydraulic fluid, all the oil added must pass through a 10 micron filter located within the fill spout.		
116	All circuits shall have quick-disconnect check ports.		
117	All high pressure fittings shall be flat-face "O" ring type. Other systems shall not be acceptable.		
	Pneumatic System		
118	The pneumatic system shall have DOT fittings.		
119	There shall be a PR4 type pressure protector for the chassis air system to protect the chassis air system.		
120	A separate air tank for all sweeper air components shall be provided.		
121	All pneumatic cylinders shall be interchangeable.		
122	All pneumatic cylinders must be rated to 150 PSI and have a separate rod seal and wiper to prevent contamination entering the cylinder.		
	Electrical System		
123	Sweeper electrical system shall be independent from the chassis electrical system.		
124	Sweeper shall have an electronic smart back-up alarm for additional warning and safety when chassis is in reverse.		
125	Sweeper wiring harnesses shall be color-coded and not stamped with appropriate word designation labeled every four inches, i.e. "Ignition," side broom on each wire.		
126	All electrical circuits must be protected by circuit breakers or fuses.		
127	Sweeper engine shall have one (1) 925 CCA, 12 volt battery		
128	Sweeper engine shall have a 120 amp. Alternator.		
129	Sweeper lighting shall include rear identification lights, side broom and main broom spot lights and rear clearance lights.		
130	Sweeper warning lights shall include hydraulic filter restriction, air filter restriction, low spray water, hopper up, hopper full load and voltage.		

	<u>Specification/Description</u>	<u>As Specified</u>	<u>Comments:</u> <u>(If not exactly as specified, explain any Deviation.)</u>
131	All sweeping components shall automatically raise when transmission is put into reverse.		
132	All electrical circuits must be protected by circuit breakers or fuses.		
133	A multi-light LED 42 inch directional light bar shall be mounted on rear of sweeper for safety reasons. Lights are to be controlled by in-cab switch to indicate left, right or both directions of travel.		
134	Rear brake, turn, and tail lamps shall be LED. Sealed beam lamps are not acceptable.		
135	Cab mounted LED strobe light with tree limb guard for protection.		
	Controls		
136	All sweeper controls shall be mounted on a fixed central console located between the left and right operators position.		
137	The controls shall include all sweep, hopper, elevator, and lighting functions and shall be located on the fixed operator control console or dashboard.		
138	The controls for sweep, spray water, and lighting functions shall be conventional rocker switched. "Membrane" or touch pad switches are not acceptable.		
	Sweeper Instruments		
139	Sweeper engine instruments shall include tachometer, hour meter, oil pressure gauge and lamp, low coolant level lamp, air filter restriction for complete information for the operator on the condition of the auxiliary engine.		
140	Sweeper instruments shall include a hopper full indicator, main broom down pressure, hydraulic filter restriction indicator, sweeper out of level indicator, no spray water indicator, a "raised" hopper indicator and a "full" hopper indicator to notify the operator of hopper conditions.		
141	Two (2) in-cab sweeper console mounted gauges that indicate the air pressure being used to hold the side brooms in its down position and one gauge for each side broom.		
142	In-cab dash mounted gauge to monitor hydraulic oil temperature shall be supplied.		
	Paint		
144	All visible exterior metallic surfaces shall be coated prior to assembly with polyester powder coat. The paint must be a minimum of 2 mils thick. The uses of acrylic enamels and/or polyurethanes are not acceptable.		

	<u>Specification/Description</u>	<u>As Specified</u>	<u>Comments:</u> <u>(If not exactly as specified, explain any Deviation.)</u>
145	Color shall be manufacture's standard color of "White."		
146	Vehicle shall have an accent color of Grey on the lower portions of the unit.		
147	Operator's manual		
148	Service Manual (CD format preferred). Quote separately		
	Warranty		
149	Indicate Manufacturer's warranty for entire sweeper. Include warranty literature in proposal.		
150	Indicate Manufacturer's warranty for chassis engine, including all parts and labor.		
	Service and Training		
151	A qualified technician shall provide complete training to City of Grand fleet services personnel. Training shall include safety, operation, maintenance and service.		
152	<p>Proposer shall supply documentation of warranties on all equipment stated in these specifications upon delivery of unit.</p> <p>ALL WARRANTY WORK SHALL BE PERFORMED LOCALLY BY AN AUTHORIZED DEALERSHIP</p> <p>Truck Chassis manufacturer shall maintain OEM licensed dealership and authorized service center within (50) fifty miles of the working location of the machines offered. This facility must be staffed with qualified servicemen and have provisions for storing a representative supply of parts for machine's offered as well as provisions for securing parts from the manufacturer within a reasonable length of time (48 hours max). State name and contact person of authorized dealership.</p>		Name and contact person of authorized dealership:

SECTION 5.0: EVALUATION CRITERIA AND FACTORS

- 5.1 Evaluation:** An evaluation team shall review all responses and select the proposal or proposals that best demonstrate the capability in all aspects to perform the scope of services and possess the integrity and reliability that will ensure good faith performance.
- 5.2 Intent:** Only respondents who meet the qualification criteria will be considered. Therefore, it is imperative that the submitted proposal clearly indicate the firm's ability to provide the services described herein.

Submittal evaluations will be done in accordance with the criteria and procedure defined herein. The Owner reserves the right to reject any and all portions of proposals and take into consideration past performance. The following parameters will be used to evaluate the submittals (in no particular order of priority):

- Responsiveness of submittal to the RFP
- Life Cycle Costs
- Specifications
- Maintenance and Parts Location/Availability
- Warranty
- References from both operational and maintenance personnel
- Power plant configuration
- Operator visibility
- Product Demonstration (If Necessary)

Owner also reserves the right to take into consideration past performance of previous awards/contracts with the Owner of any vendor, contractor, supplier, or service provider in determining final award(s).

The Owner will undertake negotiations with the top rated firm and will not negotiate with lower rated firms unless negotiations with higher rated firms have been unsuccessful and terminated.

- 5.3 Oral Interviews:** The Owner may invite the most qualified rated proposers to participate in oral interviews.
- 5.4 Award:** Firms shall be ranked or disqualified based on the criteria listed in Section 6.2. The Owner reserves the right to consider all of the information submitted and/or oral presentations, if required, in selecting the project Contractor.

SECTION 6.0: SOLICITATION RESPONSE FORM
RFP-4976-22-KH "CNG Street Sweeper"

Offeror must submit entire Form completed, dated and signed.

The Owner will receive electronic bids through the Rocky Mountain E-Purchasing website, www.bidnetdirect.com/colorado prior to the date and time indicated on the front of this document at which time the bids will be publicly opened and read, for furnishing the materials, supplies, equipment and/or services, as shown below and/or attached hereto: **FOB DESTINATION** delivered at Grand Junction, Colorado. **TRANSPORTATION CHARGES PREPAID.** All in accordance with the bid conditions, special provisions, and specifications attached or as indicated below.

Purchasing Representative: Kassie Hackett kassyh@gjcity.org 970-244-1546

PROPOSED PRICE for One (1), New, CNG Fueled Current Model Year, four- or six-Wheel Broom Street Sweeper with Belt Conveyor

\$ _____

Written: _____ Dollars

Year/Manufacture/Model No.: _____

DELIVERY: State expected delivery time after receipt of order. _____ days ARO

ORDER CUTOFF DATE (Please specify the order cutoff date if any): _____

WARRANTY: Specify Warranty and **supply manufacturer's documentation:**

ADDENDA: State number of Addenda received: _____.

- Prompt payment discount of _____ percent of the net dollar amount will be offered to the City if the invoice is paid within _____ days after the receipt of the invoice. The Owner reserves the right to consider any such discounts when determining the bid award that are no less than Net 10 days.
- The undersigned certifies and agrees that this Proposal is submitted in accordance with all applicable Federal, State, County, and City laws.
- The undersigned certifies that no Federal, State, County or Municipal tax will be added to the above quoted prices.
