to the above-named Petitioner a Revocable Permit for the purposes of landscaping and irrigation within the limits of the public right-of-way described; provided, however, that this Permit is conditioned upon the following:

1. The installation, operation, maintenance, repair and replacement of irrigation improvements by the Petitioners within the public right-of-way as authorized pursuant to this Permit shall be performed with due care or any other higher standard of care as may be required by the City to avoid creating hazardous or dangerous situations and to avoid damaging public roadways, sidewalks, utilities, or any other facilities presently existing or which may in the future exist in said right-of-way.

The Petitioners, for themselves and for their successors and assigns, agree that they shall not hold, nor attempt to hold, the City of Grand Junction, its officers, employees and agents, liable for damages caused to any improvements and/or facilities to be installed by the Petitioners within the limits of the public right-of-way (including the removal thereof), or any other property of the Petitioners or any other party, as a result of the Petitioners' occupancy, possession or use of said public right-of-way or as a result of any City, County, State or Public Utility activity or use thereof or as a result of the installation, operation, maintenance, repair and replacement of public improvements.

4. The Petitioners agree that they shall at all times keep the above-described public right-of-way and the facilities authorized pursuant to this Permit in good condition and repair.

5. The provisions concerning holding harmless and indemnity shall survive the expiration, revocation, termination or other ending of this Permit.

6. The Petitioners shall not install any trees, vegetation or other improvements that create sight distance problems.
