

Purchasing Division

ADDENDUM NO. 2

DATE: February 15, 2022
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: N95 Masks IFB-5017-22-KH

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

- Q:** Would the City prefer a Molded Mask N95, or a Folded Mask N95? (Although, the folded N95 does not have a size "adult small".) So it looks as though we should be a Molded Mask due to the size?
A: Item 1 is a folded mask. Items 2 and 3 are to be molded masks.
- Q:** May we request the previous bid tabulation and contract pricing for N95 Masks?
A: This is the City's first formal bid for purchasing N95 masks. In the past, the departments ordered this product because the quantity ordered did not reach the dollar threshold for a formal bid process. The City does not have a single provider for this product either. The City has ordered from many companies. We normally order whatever is in stock if it meets specifications.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,

A handwritten signature in black ink that reads "K Hackett".
