

ORDINANCE NO. 5077

AN ORDINANCE TO AMEND THE GRAND JUNCTION MUNICIPAL CODE REGARDING THE GRAND JUNCTION FORESTRY BOARD MEMBERSHIP

RECITALS:

By and with this Ordinance the City Council amends the Grand Junction Municipal Code (GJMC or Code) to provide for the appointment of two additional members to the Grand Junction Forestry Board.

The Forestry Board (Board) was first established in 1914 and has been involved with the protection and management of the urban forest since then. The Board's purposes include acting as a reviewing body for determining professional qualifications and competence and licensing to engage in the business of cutting, trimming, pruning, spraying, or removing trees, making recommendation to the City Council for the adoption of rules and regulations pertaining to the tree service business in the City, and investigating complaints relating to tree service businesses and the practice of arboriculture.

Presently, the Board has five members and two alternates. The Board desires to expand to seven members, with five of the seven having certain educational or work experience, as described in the Code, and two members being lay people. There will be no alternate members. The Board is interested in seeking additional technical expertise on the Board and resolving, by abolishing alternate memberships on the Board any uncertainty about the roles and responsibilities of alternates, as or will be consistent with the bylaws of the Board as amended, increasing the membership of the Board to seven members to help it fulfill its mission.

At the June 15, 2022 meeting the City Council considered this Ordinance and determined that amendment of the Code is necessary and proper and does for those reasons does adopt and approve this Ordinance as follows.
