Welcome

City of Grand Junction Core Values:

Leading the way with...

1. Continuous improvement

Working together to be the best by challenging the status quo.

2. Collaborative partnerships

We work together using all areas of expertise to achieve a common goal.

3. Exemplary service

We excel at fulfilling the needs of our community through thoughtful interactions.

Eligibility

You may enroll your eligible family members under certain plans you choose for yourself. Eligible family members include:

- Your legally married spouse
- Your registered domestic partner (RDP) and/or their children, where applicable by state law
- Children who are your biological children, stepchildren, adopted children or children for whom you have legal custody (age restrictions may apply); Disabled children age 26 or older who meet certain criteria may continue on your health coverage

When Coverage Begins

- **New Hires:** You must complete the enrollment process within 30 days of your date of hire. If you enroll on time, coverage is effective on the first of the month following your date of hire.

If you fail to enroll on time, you will **NOT** have benefits coverage (except for City-paid benefits).

- **Open Enrollment:** Changes made during Open Enrollment are effective January 1 - December 31, 2023.

Choose Carefully

Due to IRS regulations, you cannot change your elections until the next annual Open Enrollment period, unless you have a qualified life event during the year. Qualified Life Events include:

- Marriage or divorce
- Birth or adoption of a child
- Child reaching the maximum age limit
- Death of a spouse, registered domestic partner, or child
- You lose coverage under your spouse's/registered domestic partner's plan
- You gain or lose access to state coverage under Medicaid or CHIP

Making Changes

To make changes to your benefit elections, you must contact Human Resources within 30 days of the qualified life event (including newborns). Be prepared to show documentation of the event such as a marriage license, birth certificate or a divorce decree. If changes are not submitted on time, you must wait until the next Open Enrollment period to make your election changes.

Required Information—When you enroll, you will be required to enter a Social Security number (SSN) for all covered dependents. The Affordable Care Act (ACA), otherwise known as health care reform, requires the City to report this information to the IRS each year to show that you and your dependents have coverage. This information will be securely submitted to the IRS and will remain confidential.

Medical Plans

We are proud to offer you a choice between two different medical plans that provide comprehensive medical and prescription drug coverage. The plans also offer many resources and tools to help you maintain a healthy lifestyle. The following is a brief description of each plan.

Cigna Open Access Plus (OAP) Co-pay Plan

This plan gives you the freedom to seek care from the provider of your choice. However, you will maximize your benefits and reduce your out-of-pocket costs if you receive care within the network. The calendar-year deductible must be met before certain services are covered.

Cigna Open Access Plus (OAP) High Deductible Health Plan

Like the previously mentioned plan, the High-Deductible Health Plan (HDHP) gives you the freedom to seek care from the provider of your choice. You will maximize your benefits and reduce your out-of-pocket costs if you receive care within the network. In addition, the HDHP comes with a health savings account (HSA) that allows you to save pre-tax dollars¹ to pay for any qualified health care expenses as defined by the IRS, including most out-of-pocket medical, prescription drug, dental and vision expenses. For a complete list of qualified health care expenses, visit www.irs.gov/pub/irs-pdf/p502.pdf.

Health Savings Account (HSA)

Enrollment in the City's High Deductible Health Plan (HDHP) requires participation in a Medical Health Savings Account (HSA) through Home Loan Bank. You will contribute to your HSA through pre-tax payroll deductions to help offset your annual deductible and pay for qualified health care expenses. In addition to what you contribute, the City will contribute **\$750** annually to your HSA if you enroll in employee-only coverage and **\$1,500** annually if you enroll yourself and one or more family members (\$750 will be funded at the beginning of the year, then again in July).

To be eligible for the HSA, you cannot be covered through Medicare Part A or Part B or TRICARE programs. See the HDHP plan document for full details.

HSA Contribution Limit	2023
Employee Only	\$3,850
Family (employee + 1 or more)	\$7,750
Catch-up (age 55+)	\$1,000

Important: Your contributions, in addition to the City's contributions, may not exceed the annual IRS limits listed above. Your HSA is yours for life. The money is yours to spend or save, regardless of whether you change health plans², retire or leave the City. There is no "use it or lose it" rule. Your account grows tax free over time as you continue to roll over unused dollars from year to year. You decide how or if you want to spend your HSA funds. You can use them to pay for you and your dependents' doctor visits, prescriptions, braces, glasses - even laser vision correction surgery.

¹ Tax free under federal tax law; state taxation rules may apply

² You must be enrolled in a qualified health plan to contribute to an HSA.

Cigna MDLIVE Virtual Care

MDLIVE virtual care is available for Cigna members. Life is demanding. It's hard to find time to take care of yourself and your family members as it is, never mind when one of you isn't feeling well. That's why your health plan through Cigna includes access to minor medical and behavioral/mental health virtual care. Whether it's late at night and your doctor or therapist isn't available or you just don't have the time or energy to leave the house, you can:

- Access care from anywhere via video or phone.
- Get minor medical virtual care 24/7/365 – even on weekends and holidays.
- Schedule a behavioral/mental health virtual care appointment online in minutes.
- Connect with quality board-certified doctors and pediatricians as well as licensed counselors and psychiatrists.
- Have a prescription sent directly to your local pharmacy, if appropriate.

To connect with an MDLIVE virtual provider, visit myCigna.com, locate the "Talk to a doctor or nurse 24/7" callout and click "Connect Now." Or Call MDLIVE 24/7 at 888.726.3171. The cost of a virtual visit is \$15 on the copay plan and up to \$55 on the HDHP.

To locate a Cigna Behavioral Health provider, visit myCigna.com, go to "Find Care & Costs" and enter "Virtual counselor" under "Doctor by Type," or call the number on the back of your Cigna ID card 24/7. The cost of a virtual behavioral health visit is \$30 on the copay plan. For those enrolled on the HDHP, the cost of service would vary by the level of provider. The options / pricing would be disclosed through the portal or mobile app prior to scheduling the service.

Flexible Spending Accounts

We provide all full-time employees with an opportunity to participate in up to two different flexible spending accounts (FSAs) administered through Rocky Mountain Reserve. (formerly Alerus). FSAs allow you to set aside a portion of your income, before taxes, to pay for qualified health care and/or dependent care expenses. Because that portion of your income is not taxed, you pay less in Federal income, Social Security and Medicare taxes.

Medical Health Care FSA

For 2023, you may contribute anywhere from \$120 to \$2,850 to cover qualified health care expenses incurred by you, your spouse and your children up to age 26. Some qualified expenses include:

- Coinsurance
- Copayments
- Deductibles
- Prescriptions
- Dental treatment
- Orthodontia
- Eye exams/eyeglasses
- Lasik eye surgery

For a complete list of eligible expenses, visit www.irs.gov/pub/irs-pdf/p502.pdf.

Limited-Purpose Medical Health Care FSA (for HSA participants)

If you enroll in the HDHP HSA medical plan, you may only participate in a limited-purpose Health Care FSA. This type of FSA allows you to be reimbursed for eligible dental, orthodontia and vision expenses while preserving your HSA funds for eligible medical expenses. For 2023, you may contribute anywhere from \$120 to \$2,850 to cover qualified health care expenses incurred by you, your spouse and your children up to age 26.

Dependent Care FSA

For 2023, you may contribute anywhere from \$120 to \$5,000 (per family) to cover eligible dependent care expenses (\$2,500 if you and your spouse file separate tax returns). Some qualified expenses include:

- Care of a dependent child under the age of 13 by babysitters, nursery schools, pre-school or daycare centers
- Care of a household member who is physically or mentally incapable of caring for him/herself and qualifies as your federal tax dependent

For a complete list of eligible expenses, visit www.irs.gov/pub/irs-pdf/p503.pdf.

FSA Rules

YOU MUST ENROLL EACH YEAR TO PARTICIPATE

Because FSAs can give you a significant tax advantage, they must be administered according to specific IRS rules:

Medical Health Care FSA: Unused funds will NOT be returned to you or carried over to the following year.

Dependent Care FSA: Unused funds will NOT be returned to you or carried over to the following year.

You can incur expenses through March 15, 2024, and must file claims by March 31, 2024.

TRANSITION FROM FSA TO HSA

If you wish to transition to an HSA, you must deplete all funds in your FSA before you can contribute or receive the City HSA contribution.

Retirement Benefits

401(A)

Full-time General Employees - Participants in this plan will be fully vested after completing five years of service. The mandatory contribution of 6% is made on a pre-tax basis and is matched by the City.

Executive Employees - Participants in this plan will be fully vested on their first day of employment. The mandatory contribution of 9% is made on a pre-tax basis and is matched by the City. Additional after-tax contributions may be made into this plan, up to a total maximum contribution of 25% of your compensation.

Full-time Sworn Police Employees - Participants are eligible for enrollment in the MissionSquare plan on the first day of employment. Employees will be fully vested in the benefit after completing five years of service. The mandatory contribution of 10.65% is made on a pre-tax basis and is matched by the City.

If you are unsure about how to invest your retirement contributions, meet with a MissionSquare representative and take advantage of many programs offered. MissionSquare representatives also offer education programs and assistance with financial planning.

Deferred Compensation - 457 Plan

The MissionSquare 457 Plan is a voluntary retirement plan. Deferred compensation is a way for you to set aside money via payroll deductions on a pre-tax basis to save for retirement. The City does not match your 457 plan contribution. You may enroll, increase, or decrease these tax deferred deductions at any time. Currently there is no penalty for an eligible withdrawal.

The max contribution into the 457 plan is \$22,500. 457(b)s have unique catch-up contribution rules, so consult with your plan administrator if you are interested in putting more in your 457(b).

There is a catch-up provision if you are 55 or older of an additional \$6,500.

Benefits of the 457 Plan:

- You reduce your current income taxes while investing for retirement
- Your earnings accumulate tax-deferred
- You may be allowed to make additional “catch-up” contributions if you are 50 or older or within three years of your normal retirement age and already contributing the maximum to your plan

Individual Retirement Account (IRA)

An MissionSquare Individual Retirement Account, or IRA, is a special tax-advantaged account that allows you to build savings for your retirement. One of the primary benefits of an IRA is that your investment earnings compound tax-deferred. Through MissionSquare and Vantagepoint, you can decide which type of IRA works best for you. The Traditional IRA and Roth IRA can help you address both current and future financial needs, but they differ significantly in their tax treatment of contributions and distributions.

For 2023, the maximum you can contribute to all of your traditional and Roth IRAs is the smaller of the \$6,500 (\$7,500 if you are 50 or older) or your taxable compensation for the year. The IRA contribution limit does not apply to rollover contributions or qualified reservist repayments.

FPPA

Full-time Sworn Fire Employees participate in the Statewide Defined Benefit Plan. For employees hired prior to September 9, 2018 a contribution of 16% is required, and the City will match 9.5%. All sworn fire employees will have 2.8% of the 3.4% Death and Disability (D&D) contributions paid by the City for the 2023 plan year. For employees hired on or after September 9, 2018 the mandatory contribution is 12% and the City will match 9.5%.

Full-time Sworn Police Employees participate in the Statewide Death and Disability plan and pay 1.7% for this benefit and the City will pay 1.7% of the benefit.

Retiree Health Program

All eligible grandfathered employees participating in the Retiree Health Benefit will contribute \$27 per pay period as a payroll deduction for the opportunity to continue participation in this benefit. This program provides access to qualified members between the ages of 55 and 65 or Medicare eligibility, whichever comes first, after leaving the City.

Leave Programs

The City provides all Federal and State mandated leaves. An abbreviated list of the leave programs available to employees include:

- Bereavement Leave
