

CITY OF GRAND JUNCTION, COLORADO

ORDINANCE NO. 5119

AN ORDINANCE AUTHORIZING AND CONFIRMING A REDEVELOPMENT AGREEMENT BY AND AMONG APR GRAND JUNCTION 3 LLC, A COLORADO LIMITED LIABILITY COMPANY, ("APR") AND THE CITY OF GRAND JUNCTION, A COLORADO HOME RULE MUNICIPAL CORPORATION ("CITY") FOR THE PROPERTY LOCATED AT 2805 PRINTERS WAY, 768 HILARIA AVENUE, AND 773 HORIZON DRIVE (ALSO IDENTIFIED AS/WITH MESA COUNTY TAX PARCEL NUMBER 2705-312-03-002), GRAND JUNCTION, COLORADO, AND APPROVING ALL ACTIONS HERETOFORE TAKEN IN CONNECTION THEREWITH

RECITALS:

APR Grand Junction 3 LLC is the owner of the real property commonly known and addressed as 2805 Printers Way, 768 Hilaria Avenue and 773 Horizon Drive (also identified as/with Mesa County Tax Parcel number 2705-312-03-002), Grand Junction, Colorado, ("Property") which is more particularly described in the Corridor Infill Development/Redevelopment Agreement attached hereto and incorporated by this reference as if fully set forth ("Agreement"). The Property is currently vacant and will benefit from development. The City Council has agreed to waive and shall cause to be paid certain fees as the same are defined in the Agreement.

With the City's Comprehensive Plan, the City has established the need to focus development on areas of infill and has subsequently adopted, with Resolution 74-22 a *Corridor Infill Incentive Boundary Area*, which is a physical area within the City which the City Council has found conditions that warrant City financial support to stimulate investment. This Ordinance, together with the Agreement and the development that will result, will serve a public purpose, promote the health, safety, prosperity, security, and general welfare of the inhabitants of the City, and will spur economic investment within the City's *Corridor Infill Incentive Boundary Area*.

In accordance with the Agreement, APR intends to develop the Property as a multi-family residential project, featuring at least 168 units, together with related amenities and uses (collectively, the "Project"). Given that the Project is consistent with the Comprehensive Plan, is in the *Corridor Infill Incentive Boundary Area*, and otherwise satisfies Resolution 74-22, development of the Property will ensure the availability of new housing that is within walking distance of businesses, services, and employment and will reduce sprawl by maximizing the use of existing infrastructure. Therefore, the City Council finds that the Project is consistent with the reasonable needs, plans and policies of the City in general and in particular for the development of the Property by APR and the granting of the requested incentives.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRAND JUNCTION, COLORADO THAT:

1. The foregoing Recitals are incorporated and adopted, and in accordance with and pursuant to this Ordinance, the City Council of the City of Grand Junction hereby authorizes and confirms the redevelopment agreement ("Agreement") by and among APR Grand Junction 3 LLC, a Colorado Limited Liability Company, ("APR") or its successors and assigns as permitted in accordance with the Agreement and the City of Grand Junction ("City"), for the property located at 2805 Printers Way, 768 Hilaria Avenue and 773 Horizon Drive (also identified as Mesa County Tax Parcel Number 2705-312-03-002), Grand Junction, Colorado ("Property").
2. The terms of the Agreement, include but are not limited to a) the City paying fees, as provided by Resolution 74-22 and defined by the Agreement, in an amount not to exceed \$1,529,974 for and on behalf of APR for the development of the Property all as provided in the Agreement.
3. In accordance with and pursuant to this Ordinance, the City Council of the City of Grand Junction, Colorado confirms and authorizes the Agreement and any and all actions consistent with and to be taken subsequent to the adoption of this Ordinance, by the officers, employees and agents of the City, if/when such action(s) is(are) pursuant to law and the Agreement, together with the findings made therein, and with any applicable City Plans, ordinance(s), resolution(s), or other document(s) all of which shall be substantially construed to affect the intent and purposes thereof.
4. If any part or provision of this Ordinance or the application thereof to any person or circumstance(s) is held invalid, such invalidity shall not affect other provisions or applications of this Ordinance which can be given effect without the invalid provisions or application, and to this end the provisions of this Ordinance are declared to be severable.
5. The City Council finds and declares that this Ordinance is promulgated and adopted for the public health, safety and welfare and this Ordinance bears a rational relation to the lawful objectives sought to be obtained.

Description of how the Project will address the City's redevelopment and infill goals. The Project description shall include but not be limited to, an explanation of the square footage, uses and unit type and count.	<p>In short, this project will be very similar in nature to The Railyard at Rimrock and The Slate on 25.</p> <p>The project addresses the City's infill goals by providing some much-needed multifamily housing in one of the corridors specifically identified by this incentive. Not only does will this project provide housing but it will also take a forever-vacant property and turn it in to a productive property.</p> <p>The proposed project is called The Landing on Horizon which will be a 196 unit, Class A multifamily community. The 196 residential units will be divided between six buildings, each of which will contain studio, 1br and 2br units. There is one 3br unit per building. Each building will also have 8 "tuck-under" garages which are within the building's footprint as well as one detached 8-bay garage. There will of course be surface parking as well.</p>

In addition to the residential buildings, there will be a separate clubhouse with amenities such as a swimming pool, fitness center, workspace, etc. The clubhouse will also house the full time property manager and leasing agent.

Description of the Project timeline, whether the Project is dependent on other grant funding or entitlements, whether the Project will be phased, and if there any known uncertainties for the Project.

The project needs to obtain site plan approval from the City as the only remaining entitlement needed. Currently, we expect to make our submittal by mid-November, if not sooner. It is anticipated that final site plan will be approved in January 2023 and groundbreaking would commence shortly thereafter. The project is not dependent on obtaining any other grant funding.

For a project of this size, it will take about 18-22 months to complete construction with the first buildings being delivered about 10 months after groundbreaking. The project will not be phased and should deliver a new residential building every 45-60 days after the first one.

The only remaining uncertainty is the overall cost of the project. Our general contractor is about to send the project out for pricing so we should know in about 45 days if it is within the budget. This incentive will undoubtedly help lower the overall costs.

Description of the developer's experience with and capacity to implement the proposed Project.

The developer is Anthony Properties from Dallas, TX. We have a 37 year history of successfully completing projects of various kinds including retail, shopping centers and many movie theatres. Anthony Properties has been in the Class A multifamily space for about 8 years and has successfully delivered five communities, one of which is The Railyard on Rimrock in Grand Junction. We have two more under construction currently, including The Slate on 25 which is also in Grand Junction.

Additionally, we have four more projects in the entitlement phase in New England - one in Massachusetts and three in Connecticut.

We have the manpower and financial ability to construct and complete multiple projects at the same time. Our capacity is really limited only by the amount of time it takes to get a new project through the entitlement stage.

Amount of the incentive being requested. Per Attachment B of Resolution No. 74-22 which adopts a new corridor infill incentive, we are requesting a Level 4 incentive.

A preliminary financing plan including project budget and a letter from a State or Federally chartered commercial bank or lender expressing the ability, expertise, and financial capability of the developer's ability to complete the Project.

Please see the attached supplemental documents 1 and 2 for the budget and lender letter.

Our financing plan is such that we will close on the purchase of the property with our own funds and secure construction financing for the construction of the project. We have plenty of capital to put the required 25% equity into the construction loan and have several sources for that construction loan, all of whom we have worked with before.

Once the property is fully built and occupied, we will refinance with permanent debt and retire the construction loan.

EXHIBIT B
Infill Incentive Application (Supplemental Information)

Financing: Construction of The Landing will be financed using a combination of Anthony Properties equity and lender financing. For this project, we have two lenders vying for our business to finance it. One of them is the same lender who is financing The Slate on 25 and the other has previously financed deals with the property management company we use. We expect commitment letters from both of them on Dec. 15 showing a 75/25 debt/equity ratio, which is lower than most developers request. Anthony Properties has ample equity to meet this loan requirement on hand and does not need to seek equity partners or raise equity in any way. We will choose our construction lender shortly after Dec. 15 and once a lender is chosen, it will take approximately 45 days before the construction loan closes.

Timing: Once the construction loan closes, construction can begin immediately after. As it is with all of our projects, we will build the entire project all at once which will consist of 168 residential units along with amenities such as a clubhouse, swimming pool, fitness center, detached garages and bike storage. Construction of the buildings will take place sequentially where one building follows the next so that residential buildings are completed and turned over to us approximately every 45 days. The first residential building and clubhouse are delivered about 10 months after construction begins so that we can have the staff on hand as the first residents move in. Unless there are unforeseen circumstances that delay construction, the project should be completed around 20 months after groundbreaking.

Below is an estimated schedule but it should be noted that starting in the heart of winter could delay the project. Also, supply chain can always change completion schedules.

Groundbreaking	Feb. 1, 2023
Sitework	8 weeks
Commencement of vertical construction	Apr. 1, 2023
Delivery of clubhouse and Building 1	Feb. 1, 2023
Delivery of Building 2	Mar. 15, 2024
Delivery of Building 3	May. 1, 2024
Delivery of Building 4	Jun. 15, 2024
Delivery of Building 5	Aug. 1, 2024
Delivery of Building 6	Sep. 15, 2024

Incentive: While our other recent project, The Slate, was an expensive project as well, interest rates were considerably lower when that construction loan locked and that site is in a Federal Opportunity Zone. With inflation and interest rates still rising and negatively affecting construction costs, The Landing is dependent on receiving this incentive or it simply will not be feasible.

1. Grand Junction APR 3, LLC has not secured a construction estimate it is unknown if this is a Level 4 grant and/or if the project will proceed;
Do you have any additional information/evidence you can supply that indicates confidence in the cost estimate you provided in your application.

We received our cost estimates from the general contractor for The Landing. Unfortunately, they are some \$3,000,000 over what was projected in the submittal for this incentive, pushing our total costs to over \$41,000,000. I have attached the estimate we received last night.

2. The application for the incentive says that APR Grand Junction 3 LLC owns the properties, it does not, which was confirmed by Mr. Shui last week.
Are you able to provide any additional information that indicates you have authority to act on behalf of the property owners?

Anthony Properties Realty Inc. has contracted to purchase the property and therefore has an equitable interest in the property. Our contract specifically states on Page 8, Section 12 that we may pursue all applications and requests with governmental agencies. The second attachment is a redacted version of one of the contracts for your reference.

3. It is not clear from the application, or Mr. Shui's supplemental information, what the entity structure/relationship is between Anthony Properties and APR and/or the financing structure. Grand Junction APR 3 LLC is not a Colorado entity. For paragraph 24 a) (iii) the entity structure needs to be clarified and in turn hopefully the financial details will be disclosed.

Anthony Properties Realty Inc. is a development entity. As required by lenders, and for tax purposes, each project is held in a single-purpose entity (APR Grand Junction 3 LLC in this case). The development agreement provides for assignment of the DA to such entity.
