

Purchasing Division

## **ADDENDUM NO. 4**

**DATE:** March 22, 2023  
**FROM:** City of Grand Junction Purchasing Division  
**TO:** All Offerors  
**RE:** Leach Creek and Redlands Parkway Trail Construction IFB-5207-23-DH

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. Q. Why is the ACI concrete finisher certification not required for this project? It appears this has been purposely removed to allow the city to bid the project. It was clearly stated at the site tour that the city has no staff that is certified. This certification has been required by the city for years and should be enforced for this project to meet or exceed the project specifications.  
  
A. This requirement is currently under review. Until the City can complete its review and determine the value of requiring this type of certification, the City is (for the time being) suspending this certification requirement for this solicitation, and those issued in the near future. If the resulting review deems this certification necessary, it will be then be reinstated.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,

A handwritten signature in black ink, appearing to read "Duane Hoff Jr.", written in a cursive style.

Duane Hoff Jr., Contract Administrator  
City of Grand Junction, Colorado
