2. Cannabis Junction, LLC, dba Cannabis Junction, 1215 North 1<sup>st</sup> Street, Grand Junction, CO 8150, Retail

Appearing

Member Doug Pritchard  
Member Rosalys Obst

Hearing Officer Rubinstein received, and reviewed emails dated October 6, 2022, including a written response, a commercial lease, Certificate of Trust, sign and parking plan, and information related to the findings of suitability. It was marked as Exhibit 1.

Staff Attorney Merritt stated the outstanding issues of the proposed operating plan include determining the number of parking spaces, no dimensions on the sign, and a freestanding sign. Regarding the lease, the addendum provided in Exhibit 1, indicates the lease is not effective until January 1, 2023. The city's code requires proof of possession at time of application. Regarding ownership, the email addendum signed by Mr. Pritchard is signed as an individual and the owner of the property is a trust.

Mr. Pritchard testified he owns the building and has the authority to sign on behalf of the trust. He believes there are nine existing parking spaces.

Mr. Pritchard submitted a document regarding the parking. It was marked as Exhibit 2 and resolves the parking issues. He also submitted a Google map exhibit of the sign; it was marked as Exhibit 3.

Hearing Officer Rubinstein asked if anyone present would like to speak regarding the application.

Gregory Urban, current tenant of the building spoke in opposition to the application based on ingress/egress and traffic flow. He also expressed concern regarding the proximity to the high school and homeless issues.

Hearing Officer Rubinstein has received emails dated October 10th and 11th related to this application and they were marked as Exhibit A.

Principal Planner Nicole Galehouse testified a traffic study has not been done. If the tenant inside changes from a medical office, there would need to be a change of use process, but the process generally does not require a traffic study. Most parcels have a single point of access.

Kathy Carmichael spoke in opposition to the application based on the proximity to the high school.

Bud Wilkerson spoke in opposition to the application based on the proximity to both the high school and park.

Mr. Pritchard testified they meet the legal distance requirements.

Hearing Officer Rubinstein ruled that based on her review of the application, a supplement is needed, within seven days, to indicate the trust is signing the lease and address the applicant's date of possession of the premises. The findings of suitability have been resolved. She took the application under advisement based on the testimony provided by the public.

3. Kai Dispensary, LLC dba Kai Dispensary, 914 South Avenue, Grand Junction, CO 81503, Retail

Appearing

Joseph Coleman  
Stuart R. Baca

Hearing Officer Rubinstein received supplemental information dated October 10, 2022, marked as Exhibit 1. The information includes emails related to response, a written statement related to the operating plan, the obstruction of view, business entity documents, signage plan, description of various entities and other litigation issues. She received additional information in the morning including a special power of attorney, a statement related to construction, signage, parking, dimensions, landlord consent, parking plan and signage plan. These were marked as Exhibit 2.

Staff Attorney Merritt stated she and the staff reviewed the submitted supplemental material and all matters included in the findings report have been answered.

In response to questions from the hearing officer, the applicant stated the windows will be reflective and higher than visibility level.

Hearing Officer Rubinstein asked if anyone present would like to speak regarding the application. There was no one.

Hearing Officer Rubinstein ruled based on her review of the application and supplements, the application is complete and can proceed to the randomized selection process. This ruling is final, and any appeal of this ruling must be made to the 21st Judicial District Court.

4. Western Colorado Marijuana, LLC dba The Garage, 545 Colorado Avenue, Grand Junction, CO 81501, Retail

Appearing

Member Mitchell Yater  
Member Craton Edwards

Hearing Officer Rubinstein noted she received a response dated October 7, 2022, which includes a response to the findings report, an owner's statement regarding the modification of business, a general lease, property authorization for a cannabis business, and business licensing documents. These documents were marked as Exhibit 1.

Staff Attorney Merritt noted the property authorization does not have the type of business noted. All other issues noted in the findings report have been resolved.

In response to the hearing officer, Mr. Edwards stated he could provide a completed property authorization form within seven days.

Hearing Officer Rubinstein asked if anyone present would like to speak regarding the application. There was no one.

Hearing Officer Rubinstein ruled based on her review of the application and supplements, the application is conditionally complete. The condition is receipt, within seven days of the completed property authorization. Upon receipt of the document, the application may proceed to the randomized selection process. This ruling is final, and any appeal shall be filed with the 21st Judicial District.

5. Colorado Alternative Health Care, Ltd. The Colorado Weedery, 879 Struthers Avenue Unit A, Grand Junction, CO 81501, Retail

Appearing

Hearing Officer Rubinstein received a response dated October 5, 2022, regarding property authorization, additional information regarding a tax lien release, Articles of Dissolution, Statement of Authority, and statement of operating system. These documents were received as one packet of materials from the City Clerk and were marked as Exhibit 1.

In response to questions from the hearing officer, Ms. Frances Candlin appeared and stated she has the authority to sign on behalf of Riverpark Alliance, LLC.

Staff Attorney Merritt stated she and the staff reviewed the additional information provided by the applicant and believe all the items in the findings report have been addressed.

Hearing Officer Rubinstein asked if anyone present would like to speak regarding the application.

Frances Candlin spoke in favor of the applicants.

Hearing Officer Rubinstein ruled based on her review of the application and supplemental documentation, the issues noted in the findings report have been resolved and the application is complete. The application may move forward to the randomized selection process. This ruling is final, and any appeal should be made to the 21st Judicial District.

6. Naturals, LLC, dba Naturals, 910 North 1st Street, Grand Junction, CO 81501, Retail

Appearing

Member Brian Groves  
Member Sid Squirrel  
Member Edward Becoat  
Member Kyle Serrano

Hearing Officer Rubinstein received the additional information dated October 7, 2022. The document was marked as Exhibit 1.

Staff Attorney Merritt noted conflicting business entity names used within the application documents and requested clarification of the business entity name. Exhibit 1 contains an agreement to extend the purchase contract reflecting a closing date of November 30, 2022. The city code requires possession of the premises at time of application and for a period of three years.

In response to questions from the hearing officer, Mr. Serrano testified that the purchase of the building is conditional upon being selected in the randomized selection process.

City Attorney Shaver reviewed the city code, and the applicant must demonstrate legal possession of the premises at time of application.

Hearing Officer Rubinstein asked if anyone present would like to speak regarding this application.

Kristina Good, 127 Teller Avenue, spoke in opposition to the application because of lack of parking. She presented the hearing officer with a petition signed by 20 business owners and residents all in opposition to the application. She is concerned a dispensary will exacerbate the current homelessness in the area.

Dan Blumberg, 127 Teller Avenue, spoke in opposition to the application based on parking issues in the area and business management because the owners are involved with multiple businesses in the community.

John Peck, 124 Teller Avenue, spoke in opposition to the application because of the location and is concerned a dispensary will exacerbate the homeless issue.

Unknown speaker, spoke in opposition to the application because of the proximity to two schools.

Hearing Officer Rubinstein has also received three additional letters in opposition.

The applicant stated a manager would be hired to manage the day-to-day operations, the property meets the city's requirements for parking, and they are outside of the legal distance requirements for schools. There is currently a homeless issue and there is nothing to indicate a dispensary will add to that.

Hearing Rubinstein ruled she has considered the application, the additional documents, and statements given. The applicant has seven days to provide documentation regarding proof of ownership. She is taking the matter under advisement and will issue a written order.

7. 2257 Colex, LLC, dba Colorado Cannabis, 227 Lynwood Street, Grand Junction, CO 81503, Retail

Hearing Officer Rubinstein ruled the meeting was called to order at 9:00 a.m. and this application was on the agenda and a representative of the application was present. The time is now 10:25 a.m. and the applicant representative is no longer present in the hearing room or the hallway. There were issues in the application that needed to be addressed. No supplemental information was provided. The application is deemed incomplete and not suitable for the randomized selection process. This ruling is final, and any appeal shall be made to the 21st Judicial District.

**Applicant Response to Review and Findings Report**

To: Grand Junction Cannabis Licensing Authority  
From: James Nechleba, Regulatory Counsel – Vicente Sederberg, LLP  
Subject: Re: Cannabis Business License Application for GJ2 LLC dba The Green Joint  
Date: 10/10/2022

On October 4, 2022, Grand Junction City Manager, Eric Canton, issued the Grand Junction Cannabis Licensing Authority a “Review and Findings Report” (hereafter referred to as the “Report”) regarding the Application of GJ2 LLC, dba The Green Joint, for a Cannabis Business License at 753 Horizon Court, Grand Junction, CO 81506. While overall the Report advised that the form and content of the Application was complete, Grand Junction, through Compliance Officer Travis Wright, raised questions and requests post-submission that have since been addressed in full. The Green Joint asserts that its Application is complete and, per Grand Junction Municipal Code (GJMC) 5.13.017, advance to the randomized selection process.

While The Green Joint maintains all issues, questions, and requests raised in the Report are answered, in the spirit of streamlining the review of the Report, the noted areas where it was alleged otherwise are featured below.

**Proposed Operating Plan**

The Report noted the following:

The Floor Plan labeled “General Layout” and the Floor Plan labeled “Security & Emergency Lighting Layout” show different configurations of the building, including dedicating 1,150 square feet to a separate tenant area. Without clarification as to which Floor Plan is correct, it is not possible to determine compliance with operating plan standards.

This issue was corrected and submitted to the City Manager, Deputy City Clerk, Records Manager, City Attorney, and Marijuana Compliance Officer. The two floor plans now correspond to one another.<sup>1</sup> In the process of updating the “Security” plan to comply with the contiguous limited access area (LAA)

<sup>1</sup> See Attachment Exhibit A.

requirement per Marijuana Enforcement Division (MED) rule, The Green Joint forgot to update the “General Layout” plan as well.

In complying with the contiguous LAA is requirement, The Green Joint noticed that the current kitchen area (noted on the plan as “separate tenant area”) was not needed for the day-to-day operations of the Retail Marijuana Store. At this time, The Green Joint is considering potentially renting this 1,150 SF space to another party, such as a catering company or food truck-type business. With proper permitting and permissions, this space would have its own access for entry and egress (rear of the building), and it has its own restroom – and currently a full functioning kitchen. If this use would not be allowed, then it would not use it for this purpose. Lastly, it is worth nothing that there are currently swinging doors to access the kitchen area from inside the space. If the City allows this space to be rented out, the Green Joint would “wall up” and securely separate the two spaces within the building.

### **Zoning Verification**

This matter was resolved on October 5, 2022. The Green Joint received correspondence from one Nicole Galehouse, stating “Attached please find the official zoning verification for 753 Horizon Court. Please me know if you have any questions.” However, the Community Development Department failed to sign the Zoning Verification before that Department sent the form to the City Manager’s Office. The Green Joint attempted to have Ms. Galehouse correct the error with no success until October 5, 2022, when it noticed its error and issued the City Manager the signed form.<sup>2</sup>

### **Property Authorization**

The Report notes that The Green Joint failed to demonstrate that Daniel Sullivan has either signatory authority for 753 Horizon Court LLC, or its registered agent, the Law Offices of Preston Fox, P.C. 753 Horizon Court LLC is equally owned by its members, Daniel & Cheryl Sullivan. Daniel Sullivan is the Manager and has the authority to sign on behalf of the company.<sup>3</sup> Generally speaking, registered agents are not permitted to bind corporate entities to contracts unless provided specific authority by the company. As Mr. Sullivan is the Managing-Member of 753 Horizon Court LLC, he states with authority that neither Preston Fox, P.C., nor any of its agents or owners have power to bind the entity.

### **Floor Plan**

The issues raised with the Floor Plan were identical to the issues raised in relation to the Proposed Operating Plan.<sup>4</sup> Please advise if there are further questions.

## Business Entity Documents

The City Manager noted issues within the Report regarding various disclosures of business affiliations and court cases, which The Green Joint timely addressed. For example, the Report alleges that Daniel Sullivan failed to disclose or provide a disposition for a misdemeanor battery case. This is incorrect. Mr. Sullivan disclosed the misdemeanor battery in the DR8559 form at the time of application, and provided the requisite information regarding the charge on the “City of Grand Junction Criminal History Supplement Sheet.”<sup>5</sup> Within 4 days of Compliance Investigator Wright’s request, Mr. Sullivan provided a copy of a record of disposition from the court for this incident.<sup>6</sup>

The Report also alleges that Daniel Sullivan, Cheryl Sullivan, and Barbara Paarz failed to disclose managerial affiliations or positions as directors of other businesses. This is all due to simple misunderstanding based upon the language of the application itself and unfamiliarity with the application process. The Addendum states, “On the attached *license* data supplement sheet, list all locations where you have had a professional, occupational, business or sales tax license, where you have owned and/or operating a business and the name of your business(es)...” The use of the phrase “*license* data” led The Green Joint to believe that Grand Junction was only requesting information specific to *Colorado marijuana* licenses, as is the case with other jurisdictions within Colorado. Candidly, the Green Joint employee normally responsible for these applications has been unavailable, and simple errors based on ignorance and inexperience occurred.

The Green Joint addresses the noted deficiencies again below:

- 1) Daniel Sullivan has managerial affiliations with more than 11 businesses outside the ones named in the initial application—in total there were 24.<sup>7</sup> These were not listed based on simple misunderstanding; most of these entities are primarily abandoned and were only used temporarily to move and acquire assets. The Arizona companies still active are used primarily for real estate dealings or otherwise were sold to other individuals. The Illinois entities were only recently formed for the purposes of acquiring marijuana licenses in that state, which has not yet occurred. The same is true of the New Jersey entities.
- 2) Cheryl Sullivan is the director of two additional businesses outside the ones named in the initial application.<sup>8</sup> Same as Daniel Sullivan, they were not listed based on simple misunderstanding and are both inactive.
- 3) Brian Sullivan possesses a professional Control Tower Operator license and a Private Pilot license, both issued by the FAA.<sup>9</sup> These were not listed among the licenses possessed because they have no affiliation to marijuana licensure, and were mistakenly believed to be irrelevant to the application process.
- 4) Barbara Paarz was a director for one business outside what was provided in the initial application.<sup>10</sup> This was an excavation business that closed its doors nearly fifteen years ago, and had no association

<sup>9</sup> See Attachment Exhibit H.

<sup>10</sup> See Attachment Exhibit I.

with the marijuana industry; it was mistakenly believed that disclosure of this business was not necessary because it was irrelevant to the application.

- 5) Dan and Cheryl Sullivan were involved in a small claims court case out of Florida in 2016, which revolved around a tenant's security deposit.<sup>11</sup> The Sullivans determined that the tenant, having left the property severely damaged, was not entitled to their security deposit upon leaving the property. However, Florida law required written notice in a specific manner within a certain time frame; when the Sullivans failed to do so, the tenants took up suit and seeing that they were not compliant with Florida tenant law, resolved to settle the case by returning the deposit.<sup>12</sup> This matter had no nexus to marijuana licensing or the industry, and the Sullivans did not believe that it was necessary to disclose.
- 6) Dan and Cheryl Sullivan incurred a tax debt for their 2017 return and on a payment plan.<sup>13</sup> After missing payment one month, the IRS filed a lien. Within two days, the Sullivans paid the entirety of the amount left with the IRS and the lien was released.<sup>14</sup> The Sullivans though in good faith that a released lien did not qualify as an event to report, especially because it did not involve a marijuana business or any business whatsoever. They also thought, in good faith, that Grand Junction narrowed its inquiry to Colorado.
- 7) Barbara Paarz was a defendant in three civil litigations as the result of a bankruptcy in El Paso County.<sup>15</sup> Ms. Paarz was among a class of investors in a Dairy Queen franchise in the late 1980's out of Teller County, which unfortunately went under. As an investor, she named as a party to multiple suits by debtors, all of which were discharged over thirty years ago during bankruptcy proceedings. Additionally, Ms. Paarz was a Plaintiff in a suit in 1992 where an individual assumed her mortgage and took her home; the suit was to return lawful possession of her home to her. As neither of these suits dealt with the marijuana industry and concluded 30 or more years prior, The Green Joint did not believe that Grand Junction was interested in these kinds of cases, in line with other Colorado jurisdictions.

### **Determination**

The alleged deficiencies raised by the Compliance Officer and City Manager were accidental and the result of ignorance; they were timely cured, and were not the product of any malice, deceit, or prevarication. A complete review of the Application of GJ2 LLC dba The Green Joint for a Cannabis Business License at 753 Horizon Court, Grand Junction, CO 81506 demonstrates that the company meets the requirements of GJMC Titles 3, 5, 21, and 27 for a Regulated Cannabis Business. Pursuant to GJMC 5.13.017, it should advance to the randomized selection process.

Thank you Nicole!

Quickie question please... does this process require a "Director Signature" on the second page to be valid, or is there some internal record that is kept, so I'm good to go? I appreciate your help!

**WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER**

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 86-3544628. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

**For**

**753 HORIZON COURT, GRAND JUNCTION, COLORADO 81506**

THIS LEASE, is made and entered into effective **June 1, 2021**, by and between **753 Horizon Court LLC**, as Landlord, and **GJ2 LLC**, as Tenant;

1. **Premises.** In consideration of Tenant's payment of rent and performance of the promises, covenants, and agreements described below, Landlord hereby leases to Tenant the premises commonly known as **753 Horizon Court, Grand Junction, Colorado 81506** (a space of approximately 4,395 square feet), as generally shown on **Exhibit A** attached hereto and incorporated by this reference (the "Premises"). The term "property" shall include the land and improvements thereon located at 753 Horizon Court, Grand Junction, Colorado 81505.
2. **Term.** Tenant will have and hold the Premises with all appurtenances for a **5 year** term, commencing at **twelve o'clock noon on June 1, 2021**, and terminating at **twelve o'clock noon on June 1, 2026**, unless this term is sooner terminated as described below.
3. **Rent.** Tenant will pay to Landlord, as rent for the Premises for the full term, the sum of **\$480,000**, payable in **60** consecutive equal installments of **\$8,000 per month**, due on the **1st day** of each month. Tenant will pay monthly installments of rent in advance of or on the due date, without notice or demand, at the office of the Landlord at **1030 Grand Avenue, Glenwood Springs, Colorado 81601**, or at such other place as Landlord from time to time designates in writing. Notwithstanding the foregoing, the first installment of rent payable hereunder will be payable by Tenant concurrently with execution of this Lease.
4. **Security Deposit.** A security deposit of **\$10,000** payable to Landlord is delivered herewith to be held without accruing interest, at Landlord's option in a separate account or commingled with other funds. If Tenant fails to comply with the provisions of this Lease, such deposit will be retained by Landlord in payment for its expenses or damages, but such retention will not limit or preclude Landlord's right of action for damages or other remedies for breach of the provisions of this Lease.
5. **Use.** It is understood and agreed that Tenant will use the Premises for its business, including without limitation, the **sale of Marijuana along with similar and associated products**.
6. **Utility Charges.** It is agreed that in addition to any other sums to be paid by Tenant, Tenant will pay all assessments for utilities serving the property, including without limitation, water and sewer, electricity, gas, heating and air conditioning, lighting, telephone services, and internet services, to be paid by Tenant as the same become due and payable.

7. **Tenant's Obligation of Maintenance and Repair.**

7.1. **Property.** During the term of this Lease, Tenant covenants and agrees to pay in full, as and when the same become due and payable, all of the costs and expenses incurred to maintain, repair, replace, and keep all infrastructure of the property, including without limitation, the exterior walls, roof, foundation, driveways, sidewalks, landscaping, signage, lighting fixtures, and HVAC systems, as well as snow and ice removal, as well as the interior of the Building, and all improvements, fixtures, and personal property therein, including without limitation, all bay doors, all restrooms, and all plumbing, electrical, HVAC and mechanical systems and fixtures, in good, safe and sanitary condition, order, and repair, all in accordance with all applicable laws, ordinances, orders, rules, and regulations of governmental authorities having jurisdiction; and to pay all costs and expenses in connection therewith, including without limitation the costs of bringing into and maintaining the property in compliance with the Americans with Disabilities Act of 1990; and to contract for the same in Tenant's own name. All maintenance and repairs by Tenant will be done promptly, in a good and workmanlike fashion, and without diminishing the original quality of the property.

7.2. **Common Areas.** During the term of this Lease, Tenant covenants and agrees to pay in full, as and when the same become due and payable, all of the costs and expenses incurred in operating, managing, policing, insuring, servicing, decorating, repairing, maintaining, and replacing the Common Areas, as that term is defined in paragraph 14.

7.3. **No Abatement for Repairs.** There will be no allowance to Tenant for a diminution of rental value and no liability on the part of Landlord, by reason or inconvenience, annoyance or injury to, or interruption of business, arising from Landlord, Tenant or others making any repairs, restorations, replacements, alterations, additions or improvements in or to any portion of the Building or the Premises, or in or to fixtures, appurtenances or equipment thereof.

8. **Taxes.**

8.1. **Personal Property Taxes.** During the term of this Lease, Tenant covenants and agrees to pay in full, as and when the same become due and payable, all personal property taxes levied on or with respect to Tenant's personal property located in or used in connection with the property, and all sales, use, and other taxes levied on or in connection with the operation of Tenant's business in the Premises.

8.2. **Real Property Taxes.** During the term of this Lease, Tenant covenants and agrees to pay in full, as and when the same become due and payable, all of the general and special real property taxes, and any similar impositions, which any lawful authority may levy or assess against the property ("Real Property Taxes"), along with costs relating to attorneys,

consultants, and other professionals engaged by Landlord to protest or reduce the Real Property Taxes.

9. **Insurance.** During the term of this Lease, Tenant covenants and agrees that Landlord will procure and maintain insurance for the property with coverage amounts, coverage limits, deductible amounts, causes of loss, and named insureds satisfactory to Landlord in its sole discretion, and Tenant covenants and agrees to pay to Landlord 100% of Landlord's costs incurred for insuring the property, as and when the same become due and payable, in full, including without limitation, liability insurance policies, property insurance policies, and umbrella insurance policies.
10. **Other Covenants of Tenant.**
  - 10.1. **No Unsightliness.** Tenant covenants and agrees that no unsightliness will be permitted on the Premises which is visible from any adjacent or nearby property. Without limiting the generality of the foregoing, all unsightly conditions, equipment, objects, and conditions will be kept enclosed within the Premises; no refuse, scrap, debris, garbage, trash, bulk materials, used automobile parts, or waste will be kept, stored or allowed to accumulate on the Premises except as may be enclosed within the Premises; no storage of abandoned vehicles will be permitted on the Premises; and no vehicles will remain parked on the Premises longer than that period of time which is reasonably required to service or repair said vehicles, and in no event longer than seventy-two (72) hours.
  - 10.2. **Restrictions on Signs.** Tenant covenants and agrees that no signs or advertising devices of any nature will be erected or maintained by or on behalf of Tenant on the Premises unless such will be (i) in compliance with Landlord's approved signage requirements, (ii) in compliance with all zoning or other applicable regulations of any governmental body or authority having jurisdiction thereof, and (iii) approved in writing, in advance, by Landlord.
11. **Inspection.** Landlord or its agents will have the right to enter the Premises to examine the same, or to make such repairs as it may deem necessary or proper for the safety, improvement, or preservation thereof, pursuant to the following limitations: Landlord shall give Tenant at least 24 hours notice prior to entry, entry is only allowed during ordinary business hours, Landlord or its agent must sign in with Tenant's authorized employee, Landlord or its agent must be escorted by Tenant's authorized employee, and observe all Tenant's rules and regulations regarding limited and restricted access areas. Notwithstanding the foregoing, in the case of an exigent emergency circumstance, Landlord and the authorities responding to the emergency may enter the Premises to examine and repair same, and agree to observe all the Tenant's rules and regulations regarding the limited and restricted access areas.
12. **Alterations.** Tenant will not make any alterations in the Premises without the prior written consent of Landlord, which consent will not be unreasonably withheld.

13. **Fixtures**. Any alterations made in the building located on the Premises (the "Building") by Tenant and any equipment or fixtures built into the Premises by Tenant will upon termination of this Lease become the sole property of the Landlord.
14. **Common Areas**. Subject to the terms of this Lease, Tenant, and its employees, agents, guests and invitees, will have a non-exclusive right of ingress and egress to and from the Premises over and across that portion of the "Common Areas" as generally identified on **Exhibit A**.
15. **Parking**. During the term of this Lease, Landlord will provide to Tenant that number of parking spaces which are required to be provided with respect to the Premises pursuant to the applicable zoning regulations of the local government. Such parking spaces will be for the non-exclusive use of Tenant and its employees, agents, guests, licensees, and invitees and will be located within that portion of the Common Areas identified on **Exhibit A** as "Common Area Parking." Landlord will have the right at any time to change the arrangement or location of, or to regulate the use of, the Common Area Parking areas without incurring any liability to Tenant.
16. **Condition of the Premises**. Tenant taking possession of the Premises will be conclusive evidence as against the Tenant that the Premises was in satisfactory condition when possession of the same was taken. Tenant will be permitted to make a final walk-through inspection of the Premises prior to its taking possession thereof.
17. **Injury or Damage**. Landlord will not be responsible to Tenant for loss of property in or from the Premises, or for any damage done to furniture, fixtures or effects therein, however occurring, nor will Landlord be liable for any injury or damage, either proximate or remote, occurring through or caused by any repairs, alterations, or accident occurring in or to the Premises or adjacent premises, or other parts of the Premises, or by reason of the negligence or default of the owners or occupants thereof, or any other person, nor liable for any injury or damage occasioned by defective electrical wiring or the breakage or stoppage of the plumbing or sewerage upon the Premises or upon adjacent premises, whether such breakage or stoppage results from freezing or otherwise.
18. **Condemnation**. If the whole or a substantial part of the Premises will be taken for any public or quasipublic use, under any statute or right of eminent domain or purchase by the governmental authority in lieu of or under threat of any such taking, then, when possession will be taken of the Premises, or any part thereof, the term defined in paragraph 2 and all rights of the Tenant hereunder will immediately cease and terminate, and the rent will be adjusted as of the time of such termination.
19. **Casualty**. If during the continuance of this Lease or the term hereby demised the Premises will be so injured by fire or other casualty not arising from the fault or negligence of the Tenant, or those in its employ, so that the Premises will thereby be rendered unfit for use or occupation, then and in such case the rent herein reserved or a just proportionate part thereof, according to the nature and extent of the injury which has been sustained, will be abated until the Premises will have been duly repaired and restored, which work or repair and restoration will be done with all reasonable diligence. In case the Building will be substantially destroyed so that the Premises cannot be repaired and restored within **60**

days, it will then be optional to either party to cancel this Lease and end the term hereof, and in case of such cancellation the rent will be paid to the date of such fire or other casualty and all further obligations upon the part of either party hereto will cease and the estate hereby created will thereupon terminate.

20. **Prohibition on Subletting or Assignment.** The Tenant agrees that neither the Premises nor any part thereof will be sublet nor will this Lease be assigned by the Tenant, without the prior written consent of Landlord, which consent will not be unreasonably withheld. Nor will any assignment for the benefit of creditors or by operation of law be effective to transfer any rights to the said assignees without the prior written consent of the Landlord.
21. **Insolvency.** It is further agreed between the parties hereto that if the Tenant will be declared insolvent or bankrupt, or if any assignment of the Tenant's property will be made for the benefit of creditors or otherwise, or if the Tenant's leasehold interest herein will be levied upon under execution, or seized by virtue of any writ of any court of law, or a Trustee in Bankruptcy or a receiver be appointed for the property of the Tenant, whether under the operation of the state or the federal statutes, then and in any such case, the Landlord may at its option immediately, with or without notice (notice being expressly waived), terminate this Lease and immediately retake possession of the Premises without the same working any forfeiture of the obligations of the Tenant hereunder.
22. **Tenant's Default.** Tenant will observe and perform all conditions, covenants, and agreements in this Lease, and if Tenant defaults in payment of rent, or in any installment or part thereof, or defaults in performance of other conditions, covenants, and agreements, and such non-monetary default continues for a period of **10 days** after Landlord gives Tenant written notice of such default, then in either case, in addition to any other remedy Landlord may have against Tenant, it will be lawful for Landlord to terminate Tenant's right to possession under this Lease, and to re-enter and repossess the Premises, and to remove therefrom any personal property belonging to Tenant, without prejudice to any claim for rent or for the breach of covenants hereof.
23. **Abandonment and/or Default.** If Tenant abandons or vacates the Premises before the end of the term of this Lease or causes rent to be in arrears, or if Tenant is otherwise in default under this Lease, Landlord may, at its option and without notice, enter the Premises, remove any sign of Tenant therefrom and re-let the same or any part thereof as it may see fit without retaking, voiding, or terminating this Lease, and for the purpose of such re-letting, Landlord is authorized to make any repairs, changes, alterations, or additions in or to the Premises as may be necessary or desirable, in the opinion of Landlord, for the purpose of such re-letting, and, if a sum will not be realized from such re-letting to equal the monthly rental above stipulated to be paid by Tenant, Tenant will pay such deficiency each month upon demand therefor. Landlord will not be required to relet the subject Premises in order for Tenant to be liable for continuing obligations under this Lease, in the event that Tenant violates any of the terms and conditions hereof.
24. **Lien.** Landlord will have at all times a valid lien for all rentals due hereunder from Tenant upon all of the personal property of Tenant situate in the Premises, and said property will not be removed therefrom without the consent of Landlord until all arrearages in rent will have first been paid and discharged.

25. **Remedies Cumulative.** No reference to nor exercise of any specific right or remedy by Landlord will prejudice or preclude Landlord from exercising or invoking any other remedy in respect thereof, whether allowed at law or in equity or expressly provided for herein. No such remedy will be exclusive or dependent upon any other such remedy, but Landlord may from time to time exercise any one or more of such remedies independently or in combination.
26. **Condition of Premises at End of Term.** Tenant agrees to deliver up and surrender to Landlord possession of the Premises at the expiration or termination of this Lease, by lapse of time or otherwise, in as good repair as Tenant obtained it at the commencement of said term, excepting only ordinary wear and tear.
27. **Holding Over.** It is mutually agreed that if, after the expiration of this Lease, the Tenant will remain in possession of the Premises, without a written agreement as to such holding, then such holding over will be deemed and taken to be a holding upon a tenancy from month to month at a monthly rental equal to the monthly rental last payable hereunder. Any month-to-month tenancy or tenancy at sufferance hereunder will be subject to all other terms and conditions of this Lease and nothing contained in this paragraph will be construed to alter or impair any of Landlord's rights of re-entry or eviction or constitute a waiver thereof.
28. **No Waiver.** No waiver of any breach of any one or more of the conditions or covenants of the Lease by Landlord will be deemed to imply or constitute a waiver of any succeeding or other breach hereunder. The failure of Landlord to insist upon the strict performance of the terms, covenants, agreements, and conditions herein contained, or any of them, will not constitute or be construed as a waiver or relinquishment of Landlord's right to thereafter enforce any such term, covenant, agreement, or condition, but the same will continue in full force and effect. Tenant acknowledges and agrees that it has not relied upon any statements, representations, agreement, or warranties, except such as are expressed herein.
29. **Successors.** The covenants and agreements contained in this Lease will apply to, inure to the benefit of, and be binding upon the parties hereto and upon their respective heirs, executors, administrators, successors, and assigns, except as expressly otherwise provided in this Lease.
30. **General Provisions:**
- 30.1. **Attorney Fees.** In the event of a default by either party under the terms of this Lease, then the non-defaulting party will be entitled to reimbursement of all reasonable costs incurred in efforts to enforce the terms of this Lease and/or collect monies owed under the Lease, including but not limited to the non-defaulting party's reasonable attorney fees.
- 30.2. **Late Charges.** In the event Tenant fails to timely pay any installment of monies as required under this Lease, then and in such event Landlord will be entitled to collect a late fee of five percent (5%) of any such installment not paid within five days of the due date.

- 30.3. **Memorandum of Lease.** Tenant agrees, from time to time, to complete and execute a memorandum of lease for filing with the Department of Revenue, State of Colorado, in compliance with applicable law.
- 30.4. **Brokerage Fees.** Each party covenants and agrees that if it engaged a broker for assistance on this Lease, it will bear 100% of the fees due to the broker it engaged (if any).
- 30.5. **Time of the Essence.** The parties hereto agree that time is of the essence of this Lease.
31. **Landlord's Assignment.** Landlord may, without notice, assign this Lease in whole or in part. Any such assignment will operate to release Landlord from liability from and after the effective date thereof upon all of the covenants, terms, and conditions of this Lease, express or implied, and Tenant will thereafter look solely to Landlord's successor in interest in and to this Lease. This Lease will not be affected by any such assignment, and Tenant will attorn to Landlord's successor in interest thereunder.
32. **Payment of Rent; in General.** All amounts payable by Tenant under this Lease will be deemed to be rent and will be payable and recoverable as rent in the manner herein provided, and Landlord will have all rights against Tenant for default in any such payment as in the case of arrears of rent.
33. **Subordination; Estoppel Certificates.** Tenant agrees that this Lease is and at all times will be subject and subordinate to the lien of any mortgage now or hereafter encumbering the Premises, the Building and/or the Property, and Tenant agrees from time-to-time to execute, acknowledge and deliver any instrument of subordination required or requested by any such mortgage lender and a signed writing acknowledging the status of this Lease. Upon the transfer of any or all of Landlord's interest in this Lease or the Premises, or both, regardless of whether such transfer is characterized as voluntary or by operation of law, conditional or unconditional, absolute or as security for performance of an obligation, Tenant agrees to promptly execute, acknowledge and deliver to such transferee, upon request, a signed writing acknowledging the status of this Lease, and all instruments of attornment required by such transferee. Tenant hereby appoints Landlord as Tenant's attorney-in-fact for purposes of executing on Tenant's behalf any such instrument of subordination and any such signed writing acknowledging the status of this Lease if Tenant fails to do so within 10 business days after Landlord's request therefore, such appointment is coupled with an interest, and is irrevocable. Tenant will, at any time and from time to time, upon not less than 10 days' prior notice from Landlord, execute, acknowledge, and deliver a written statement ratifying this Lease and certifying any information concerning Tenant's lease and occupancy of the Premises reasonably required by Landlord.

IN WITNESS WHEREOF, the parties hereto have entered into and executed this Lease effective the day and year first above written.

Were you:  Plaintiff  Defendant  Complainant  Respondent  Other Co-Defendant

Details:  
 Parachute Green Joint LLC was a Co-Defendant (along with the Town of Parachute and its Board of Trustees) from a Plaintiff Party that alleged two (2) claims around the local jurisdiction licensing process. This was a frivolous lawsuit, and we eventually prevailed with the Judge granting our request for a Motion to Dismiss on one item on April 11th, 2016. Then on June 16th, 2016 Plaintiff requested to withdraw the other item, and we entered into a Stipulation of Dismissal with Prejudice. Case is closed.

| Details: Case no. 2016 SC 552. This matter involved a rental property that was trashed by tenants, who took court action when their security deposit wasn't returned. We didn't realize that you had to provide written notice, in a specific manner, within a specific time frame to do this correctly. After consulting with an attorney, we agreed to return the rental deposit via a stipulated settlement. |                      |      |         |       |                     |

All signage approved by Landlord shall be designed and posted at Tenant's sole expense, and shall be subject to Tenant's compliance with all governmental requirements and permits. Upon termination of this Lease, Tenant shall remove any sign, advertisement or notice painted on or affixed to the Leased Premises and restore the place it occupied to the condition in which it existed as of the date of this Lease. Upon Tenant's failure to do so, Landlord may do so at Tenant's expense.
24. **ASSIGNMENT AND SUBLEASE:** Tenant shall not assign this Lease or sublet the Premises or any part thereof without the written consent of Landlord, which shall not be unreasonably withheld (based on financial, business, use and other reasonable considerations). In no event shall any such Assignment or Sublease ever release Tenant from any obligation hereunder. In the event Tenant should desire to so assign or sublet, Tenant shall give Landlord written notice of same and all details of such proposal, at least thirty (30) days in advance of the date of which Tenant desires to make such Assignment or Sublease; Landlord shall then have a period of fifteen (15) days following receipt of such notice within which to notify Tenant of Landlord's approval or disapproval of such proposal. In the event Landlord does not respond to Tenant's notice within such fifteen (15) day period, Landlord will be deemed to have approved same. In the event of such Sublease or Assignment, SubTenant's or Assignee's business shall be in accordance with the use set forth in this Lease, and shall assume all of the obligations of this Lease. A duplicate original of said Sublease or Assignment (and any amendments thereto) shall be delivered to Landlord within five (5) days of its execution. In the event of any such Sublease or Assignment, any increase in the base rent paid by SubTenant or Assignee in excess of the Base Rent paid by Tenant to Landlord under this Lease shall be payable to Landlord as additional rent due by Tenant to Landlord under this Lease. Additionally, Landlord may, at the option of Landlord, collect rent directly from the SubTenant or Assignee and apply the net amount collected to the Base Rent and additional rent for which Tenant is obligated to Landlord under this Lease, but no such collection shall be deemed a waiver of this covenant or the acceptance of the SubTenant or Assignee, nor shall it release Tenant from the further observance and performance of the restriction on assignment and subletting herein contained.

25. **HOLDOVER:** At the expiration of this Lease, or at its termination for any other cause, Tenant shall immediately surrender possession. Tenant shall pay a liquidated damage three (3) times the rent per day for each day of his failure to do so, plus attorney's fees and all court and filing costs. Only a new signed lease or extension agreement shall deprive Landlord of the choice of action.
26. **SUBORDINATION:** This Lease is subject and subordinate to any mortgages or other encumbrance which now or hereafter encumber or affect the Building and/or the land on which the Building is situated, and to all renewals, modifications, consolidations, replacements and extensions thereof. This clause shall be self-operative and no further instrument of subordination need be required by a mortgagee or Landlord. In confirmation of such subordination, however, Tenant shall, at Landlord's request, promptly execute any appropriate certificate or instrument that Landlord may request. Tenant hereby constitutes and appoints Landlord as Tenant's attorney-in-fact to execute any such certificate or instrument for and on behalf of Tenant. In the event of the enforcement by the holder of any such instrument of the remedies provided for by law or by such mortgage or other encumbrance, Tenant will, upon request of any other person or party succeeding to the interest of Landlord as a result of such enforcement, automatically become the Tenant of such successor in interest without change in the terms or other provisions of this Lease. Upon request by such successor in interest, Tenant shall execute and deliver an instrument or instruments confirming the attornment herein provided for.
27. **ESTOPPEL CERTIFICATES:** Tenant agrees, at any time and from time to time, upon not less than five (5) days' prior written notice by Landlord to execute, acknowledge and deliver to Landlord or to such person(s) as may be designated by Landlord, a statement in writing (i) certifying that Tenant is in possession of the Premises, has unconditionally accepted the same and is currently paying rents reserved hereunder, (ii) certifying that this Lease is unmodified and in full force and effect (or if there have been modifications, that this Lease is in full force and effect as modified and stating the modifications), (iii) stating the dates to which the rent and other charges hereunder have been paid by Tenant and (iv) stating whether or not to the best knowledge of Tenant, Landlord is in default in the performance of any covenant, agreement or condition contained in this Lease, and, if so, specifying each such default of which notices to Landlord should be sent. Any such statement delivered pursuant hereto may be relied upon by any owner, prospective owner, prospective purchaser, mortgagee or prospective mortgagee of the Building(s) or of Landlord's interest therein, or any prospective assignee of any such mortgagee.
28. **RECORDATION:** This Lease shall not be placed of record. However, at the request of either party, the other shall enter into a "Notice of Lease" for purposes of recordation, which notice shall fairly reflect the nature and term of this Lease and the property affected, but without designating the rent payments.
29. **ASSIGNMENT BY LANDLORD:** Landlord shall have the right to transfer and assign, in whole or in part, all of Landlord's rights and obligations hereunder, as well as the Building and property referred to herein, provided that any transferee or assignee shall assume all of Landlord's obligations under this Lease from and after the date of such transfer or assignment, and in such event the transferor or assignor shall have no further liability or obligation hereunder. Nothing contained in this paragraph shall limit or prevent any assignment of this Lease or the revenue derived therefrom to any lender.
30. **PROPERTY ABANDONED:** All property remaining in the Premises upon termination shall be considered to have been abandoned by Tenant and Landlord may dispose of it in any manner Landlord wishes. Tenant will reimburse Landlord for all costs incurred for disposal together with all costs for repairs required because of removal of all or any such abandoned property.
31. **WAIVER OF LIABILITY:** Anything in this Lease to the contrary notwithstanding, to the extent that a Waiver of Subrogation Clause is obtainable under their respective insurance policies, Landlord and Tenant hereby waive any and all rights to recovery, claims, actions or causes of action, against each other, their respective agents, officers, or employees, for any loss or damage that may occur to the Premises, or which the Premises are a part, or any improvements thereto, or any other cause which could be insured against

under extended coverage insurance policies, regardless of cause or origin.

32. **TENANTS FINANCIALS:** Tenant will produce a personal financial statement to include federal tax returns from the previous year requested. This request by Landlord will be limited to one (1) request annually.

33. **COMPLIANCE WITH LAWS:** Tenant shall, at Tenant's sole expense, comply with all laws, rules, regulations, requirements and recommendations of all parish, municipal, state, federal and other applicable governmental authorities now or hereafter in force, including, without limitation, the Americans with Disabilities Act of 1990 ("ADA"), as they relate to the Premises and the conduct of Tenant's business therein. To the extent required by the ADA, Tenant at its sole expense, shall place appropriate signage (with respect to the Premises) on the interior of the Premises, and with Landlord's prior written consent, on the exterior of the Premises. Tenant agrees to indemnify Landlord for all damages, losses, fines and expenses, including reasonable attorney's fees, incurred by Landlord as a result of Tenant's failure to comply with any provision of this paragraph.

34. **ENVIRONMENTAL COVENANTS:**

(A). During the term of this Lease and any extension or renewal periods, Tenant shall comply with all federal and state laws, rules and regulations concerning its use of the Leased Premises, including but not limited to all federal and state environmental laws, rules and regulations. Tenant agrees to (1) give written notice to Landlord immediately upon its acquiring knowledge of the violation of any laws, rules or regulations regarding the presence of any Hazardous Materials on the Leased Premises and/or of any contamination of the Leased Premises by Hazardous Materials or of any other property as a result of Hazardous Materials emanating from the Leased Premises during the term of this Agreement in violation of any federal, state or local law, statute, order or regulation, including the contamination of the soil, ground water, air or other elements on or of the Leased Premises (collectively hereinafter referred to as a "Hazardous Material Contamination) with a full written description thereof; and (2) promptly comply with all laws, rules or regulations requiring removal, treatment or disposal of such Hazardous Material or Hazardous Materials Contamination and provide Landlord with satisfactory evidence of such compliance.

(B). Upon the discovery of any Hazardous Materials Contamination in the Leased Premises, Landlord shall have the right to cause an environmental audit or review of the Leased Premises to be performed by a firm acceptable to Landlord at the sole cost and expense of Tenant. Tenant shall defend, indemnify and hold Landlord, its shareholders, directors, officers, agents and employees harmless from any and all liabilities (including strict liability), actions, demands, penalties, losses, cost or expenses (including, without limitation, reasonable attorney's fees and remedial cost), suits, cost of any settlement or judgment and claims of any and every kind whatsoever which may now or in the future be paid, incurred, or suffered by, or asserted against Landlord any person or entity or governmental agency for, with respect to, or as a direct or indirect result of, the presence on or under, or the seepage, spillage, discharge, emission or release from or onto the Leased Premises of any Hazardous Materials during the term of this Lease, or the applicability of any federal, state or local law, statute, order or regulation relating to Hazardous Materials Contamination of the Leased Premises during the term of this Lease. These representations, covenants and warranties contained in this Section shall survive the termination of this Lease.

The term "Hazardous Materials" shall mean any "hazardous waste" as defined by either the Resource Conservation and Recovery Act of 1976 (42 U.S.C. Sec. 6901 et. Seq.), as amended from time to time, and regulations promulgated thereunder; any "hazardous substance" as defined by either the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (42 U.S.C. Sec. 9601 et. Seq.) ("CERCLA"), as amended from time to time, and defined under Underground Storage Tank Regulations, 53 Fed. Re. 37196 (Sept. 23, 1988), codified as 40 C.F.R. Sec. 280.12, or La. Adm. Code 33:X1.103; or any substance the presence of which on the Leased Premises is prohibited by any lawful rules and regulations of legally constituted authorities from time to time in force and effect relating to the Leased Premises.

I am opposed to a retail marijuana shop at 1215 N. 1<sup>st</sup> street. While it is more than 1000 from the nearest school, many students spend time at Sherwood Park both during school hours and after. I feel that these shops should be located in areas that are distant from residences, schools, and parks. The 1215 N. 1<sup>st</sup> St location is also likely to cause traffic problems due to the location of the site.

Hello. As residents of the Sherwood Park neighborhood, as well as current (and former) public school teachers, we have concerns about the application for pot shops in our neighborhood.

Both the location at 1215 N. 1st and the one at 261 N. Avenue are too close to the south Shelter / GJHS.

At any given time - on any day school is in session - the south Sherwood Park shelter (very near these proposed locations) is full of high school students.

In addition to the nearness to regular student hangouts, Pot shops amidst residential areas seems like something to be avoided if other locations are being applied for at this time

Thank you for your time,

Sincerely, Lori & Lance Powell

**Regarding Proposed Cannabis Retail Facilities at 1215 N. First Street and**  
**261 North Avenue**

Greetings,

Unfortunately I am not able to attend the Hearings tomorrow (October 12, 2022) regarding the above two proposed Cannabis Retail Facilities, but want to voice my opposition to the two noted sites. There are many reasons for this opposition which I will briefly describe:

1. Sherwood Park is a park 7 days a week ... but for five of those days the park shelter (by the rest room) is occupied by numerous high school students who are congregating with friends, skipping classes, eating lunch, etc. and that location is less than 1000 feet from both noted pot shops;
2. There are two District 51 schools in close proximity; they are over the arbitrary 1000 foot limit that was used for siting pot shops, but they are clearly within easy walking distance (+/- ¼ mile) of the schools;
3. At one time, siting pot shops within 1000 feet of City Parks was not going to be allowed. Unfortunately this is no longer a criteria, but the heavy family use of Sherwood Park should be recognized;
4. I was a consultant who worked with Happy Camper in Palisade for the permitting of their original location on River Road, as well as their new location on Wine Country Road. Happy Camper realized that the enormous success of their store was causing significant traffic and parking problems and for this reason sought a location where traffic and parking could be accommodated. Kudos to Happy Camper. Both of the noted locations will be a "nightmare" with regards to traffic, parking, and/or access:
  - a. 1215 N. First is currently a cluster with regards to entering and exiting the commercial complex it abuts. This curb cut is offset and to close to West Sherwood Drive, as well as confusing with the curb cuts to the south into the commercial complex. Unless the plan is to tear down the building and rebuild, there is not enough room for parking;
  - b. 261 North Avenue is almost all parking lot, and as it currently stands does not meet the criteria of the Sherwood Park Mixed-Use District criteria (Section 32.52.030 of City Code) which notes "Parking for businesses should occur to the rear or side of businesses, and shared parking facilities are encouraged." Unless the plan is to tear down the building and rebuild, parking is entirely along both North and Third Street;
5. Both of these locations literally abut significant established residential neighborhoods. This is not a compatible use.

I voted for having Retail Cannabis in Grand Junction, and understand the challenges of paring down to a final 10 locations. I have not studied the other 24 locations, but I am certain that there are 10 locations that are more suitable than these two. I have included a graphic that depicts the close proximity of these two locations to two schools, a significant high school student 'hangout' in the park, the City Park and Public Facilities, the access / traffic / and parking concerns. I know the majority of the Sherwood Park Neighborhood Association agrees with the above concerns.

Sincerely,  
Ted and Linda Ciavonne

Good morning,

I am writing to submit documentation to resolve the stated issues with the application for KAI Dispensary LLC. Some of the attached documents have already been submitted to Officer Wright last week, but I believe we did not include Deputy City Clerk Janet Harrell and Records Manager Debbie Kemp. I will also be forwarding the email response that was sent to Officer Wright from my father, Joseph C Coleman, on September 22, 2022, in a following email. Thank you for your ongoing work in this process.

EXHIBIT 1

All requirements for the Proposed Operating Plan have not been met.  
The Proposed Operating Plan is deficient as follows:

1. There is no statement from the landlord that the building systems either meet the requirements of the code(s) or can be modified to do so, as required on the Operating Plan form. There is a handwritten line of text under the requirement on the Operating Plan form but there is no information indicating who completed the form and there is no landlord signature.

- Our project is a build from the ground up on an empty lot. We will ensure all construction, both of the premises, parking areas, and all other aspects of our build will ensure the building systems meet the requirements of the code(s), both MED & Grand Junction City rules and regulations. We are currently working with local architect Robert Gregg, and the Austin Civil Engineering group to make sure all designs meet code. This stated and signed below by Joseph C Coleman, owner of the lot and investor in KAI Dispensary, and Joseph P Coleman, Owner/Operator of KAI Dispensary.

Joseph P Coleman: 10/10/2022

Joseph C Coleman (Signed by Isaiah Quigley with power of attorney): SEE ATTACHED

2. Applicant seems to have used an outdated form for the Proposed Operating Plan. It is missing additional information that should have been provided, including all required contact information, square footage and construction, planned construction improvements, and fire protection systems.

- We went through the packet with the City Clerk upon admission as to ensure all forms were the most up to date, and were told they were. We also provided construction drafts with dimensions, security, fire plans, and have spoken to fire Marshall Steve Cochlear and was ensured all plans met the requirements and were deemed satisfactory. We have also since began working with local architect Robert Gregg, and the Austin Civil Engineering group and have drawings of the planned construction ready to move forward to obtain building permits through the city. Attached are drawings showing the square footage, parking plans and more.

3. Applicant indicates that product will be obstructed from view by design of the new building. However, the floor plan shows display cases in the center of the main building, which would be visible from all windows in the front, as well as two display cases right against the windows on the side of the building. Plan does not discuss any sort of window treatment.

- In our most up to date construction drawings, all windows on the side of the building are 1.) higher than to allow visibility from the exterior of the building, and 2.) all windows, side and front on the building will be reflective glass which will completely obscure any possible

visibility

visibility from the exterior. The front of the building will be built with a “courtyard” of sorts, made of 12 foot steel siding that completely blocks visibility from the exterior of the building, and also serves as extra security as the courtyard will be locked at night. There will be no visibility of the windows on the front of the building without entering the premises, which is where the first ID check will be placed, utilizing the IDvisor Smart V2 ID Scanner.

4. It appears that the parking plan is sufficient; it is not dimensioned and as new construction, the ability of the parking to fit on-site and meet land development regulations will be evaluated during site plan review.

We apologize dimensions were not included on the parking plan. Please see attached drawings for dimensions of said parking. We are currently working with local architect Robert Gregg, and the Austin Civil Engineering group not only on the design of our building, but also on parking. We have made our design to ensure the parking requirements are all met, and that buffering is in place for landscaping, buffering from end of the lot, and adequate space is ensured for access to the parking lot.

5. Applicant did not provide a signage plan regarding building or freestanding signage.

- As we were still working on our construction design plans and working with engineers to ensure buffering was compliant, we simply stated that any signage placed on the premises would adhere to all MED and City of Grand Junction rules and regulations. As we've moved forward with building plans we have begin to design signage plans. Our plan is to have signage at the entrance to our property (facing South Avenue) on the building itself, Attached is an image of the sign design, location, and dimensions.

#### Business Entity Documents

All requirements of the Entity Structure, Ownership Information, Identification, and Fingerprinting documents have not been met.

The Applicant failed to disclose the following information as part of the Findings of Suitability:

1. Joseph P. Coleman failed to disclose that he is the registered agent for two other business licenses.

- Any failure to disclose business license involvement was only due to our legal offices understanding of “professional license involvement”. Our legal understanding is that LLC involvement with the secretary of state did not qualify. However, in no way did we mean to intentionally exclude my involvement in KAI cbd or any other LLC, as I reference my experience in the cannabis industry many times in my application through KAI cbd. KAI cbd LLC has allowed me to gain invaluable experience in the hemp/cbd industry.

2. Joseph C. Coleman failed to disclose that he is the registered agent for 108 other business licenses.

- My father addressed his involvement (or non involvement as some of the findings were of Joseph E Coleman in Colorado Springs which is neither my father or myself) in each of the 108 LLCs listed. We responded directly to Marijuana Compliance Officer, Travis Wright, and attached are the individual responses for involvement in each entity.

3. Joseph C. Coleman failed to disclose a California state tax lien. The Grand Junction Police Department obtained information indicating that the value was \$1,366.00 and that it was released on May 29, 2008

- My father responded directly to Marijuana Compliance Officer, Travis Wright, and attached is his law firm's response to the above findings.

4. Joseph C. Coleman failed to disclose a federal tax lien. The Grand Junction Police Department obtained information indicating that the value was \$34,328.00 and that it was released on April 6, 2017.

- My father responded directly to Marijuana Compliance Officer, Travis Wright, and attached is his law firm's response to the above findings.

5. Joseph C. Coleman failed to disclose numerous civil litigations involving his businesses.

- As Marijuana Compliance Officer Travis Wright mentions in his correspondence with my father's law firm, he assumed there would be a very long list of civil litigations my father would be involved in, as he has ran a law firm in Grand Junction for over 40 years. The list is indeed incredibly long, and attached is my father's response to each issue.

## **I. Summary of lawsuits which named Joseph C. Coleman as a party. (Sept. 27, 2022)**

1. 30 years ago. *Coleman v. Gormly*. 748 P.2d 361 (CA 1987). Zoning dispute.
2. 14 years ago. *Gold v. John Williams* and law firm, including Joseph Coleman, 08 CV 000337 Mesa County, CO. Dispute did not involve any acts or omissions by Coleman and Coleman recovered his attorney fees because his joinder was frivolous. Case dismissed.
3. 14 years ago. *Blackburn v. Coleman and Associates (law firm) and Joseph Coleman*, 08 CV 000324, Mesa County, CO. Dispute over legal work. Case settled and dismissed with prejudice and subject to a mutual confidentiality agreement.
4. 12 years ago. *Gorden v. Coleman*, 2010 CA Lexis 1709. Lawsuit was against another lawyer in the law firm. However, because I was owner of the law firm, my name was included in the caption. Case dismissed for lack of merit.
5. 11 years ago. *F & S Enterprises v. Coleman*, 11CV8047, Denver District Court. Suite to collect F & S fees and the reasonableness of fees charged by F & S. Case settled and dismissed.
6. Approx. 10 years ago. *Black Sam, Blackburn et al v. Coleman et al.* Mesa County district court. Complaining ex-client who the firm ceased representing because of incompatibility between client and law firm. Protracted litigation followed until plaintiffs dismissed all claims, and Coleman dismissed counterclaim, both with prejudice pursuant to a non-disclosure settlement agreement.
7. 10 years ago. *People v. Coleman* 2012 Colo Sup Ct. Disciplinary Proceeding (dispute involved attorney fees and a corporate duty issue involving a minority corporate member of an LLC against Coleman, who owned the majority of the corporation. Coleman was administratively sanctioned for not satisfying the duty the court felt was owed to the minority corporate member. No monetary award entered.
8. Approx. 8 years ago. *Duncan v. Coleman and other attorneys*. Montrose County District Court. Lawsuit filed at the urging of Blackburn, an adversary of Coleman in other litigations (see 6 above). Duncan dismissed her complaint and with that a settlement was reached (which includes a mutual non-disclosure agreement).
9. 7 years ago. *Richie v. Joseph Coleman et al.*, 2015 CV 30738, Mesa County, CO. An intra family (Richie being a son-in-law of Coleman) judicial split up of jointly owned real property. Case settled and dismissed.

11. Currently. *Real Estate Alternatives, LLC v. Collins*, Montrose County proceeding. Eviction proceeding brought by Real Estate Alternatives (a Coleman owned LLC) against Lance

Collins. Collins was evicted; he then lost his attempt to try the Case in federal court; and he now faces entry of sanctions (in both state and federal court) for abusing the judicial process.

12. Currently. *Real Estate Alternatives, LLC v. Collins*, Montrose District Court. Real Estate Alternatives, LLC owns a purchase money note to Collins and Collins has refused to appear to collect the note. Real Estate Alternatives has requested the Court to hold the full loan payoff until Collins will come to the Court and accept payment.

13. Approx. 30 years ago. *US Comptroller of the Currency v. Mike Theos and Joseph Coleman, his attorney*, Case was in the US District Court (where Theos and Coleman prevailed on the legality of Coleman's efforts to collect a large judgment against a national bank (regulated by the US Comptroller of the Currency)).

14. At least 2 residential tenants were sued (during the past 20 years) for not paying rent. The names and dates are not recalled and for some reason they did not show up in the Lexis search of all lawsuits. Both lawsuits resulted in a Coleman entity being awarded possession for the failure to pay rent and in one case, Coleman sought and recovered past rent. These disputes are a customary risk of renting property. Joseph C. Coleman, personally, is not usually involved in the rent collection process or the litigation to collect residential rent.

## **II. Lawsuits that come up on a search under name of "Joseph Coleman" that DO NOT involve the Co-Applicant: Joseph C. Coleman".**

Misunderstanding arose relative to my involvement with many corporations during the course of my 48 years as an attorney. A 'name search' can bring up a lot of information that I believe is irrelevant. However, I am glad to see that the City of Grand Junction has taken the degree of care to be 'over-inclusive' on its word searches and leaves for the applicant to explain the results. So when it comes to 'litigation' a word search for "Joseph Coleman" brought up a large number of cases where "Coleman" was listed as a party. However, by following up each case,

EXHIBIT 2

Joseph and Margaret Coleman ("Landlords") are the owners of the real property located at 914 South Avenue Grand Junction, CO 81501 (the "Building"). Landlords have agreed to lease the Building to Kai Dispensary, LLC ("Kai") under the terms and conditions of the commercial lease agreement originally dated May 24, 2022. The purpose of this correspondence is to provide further clarification as to the parameters for Kai's occupancy of the Building:

1. **Landlords' Consent to System and Building Construction and Modification.** Kai has the full authority and ability to construct, alter or modify the building and premises for which the building is to be situated in the manner they see fit. This includes the ability to construct, implement, or install any and all systems (including but not limited to security, fire protection, and retailing) to meet applicable code/regulation or otherwise which are deemed beneficial to the operation of their facility.
2. **Construction and Treatment to Obstruct View of the Building's Interior.** Kai has demonstrated to Landlords, a plan set, which includes the installation of fully reflective window treatment and an interior half wall partition separating the retailing from the customer entry foyer. Landlords have approved of each installment, which, individually and collectively prevents any consumer or public passerby from being able to see inside any portion of the Building from the exterior.
3. **Parking Dimensions.** For purposes of clarifying the parking dimensions, an updated plan prepared by Austin Civil Engineering has been included in Appendix 1. Summarily, the plan identifies the parking dimensions to be situated in front of the Building and as follows: Six (6) spaces measured at 18'6" x 9'. The on-site parking as presented does and/or will meet land development regulations which will be further demonstrated during site plan review.
4. **Signage.** All signage shall comply with applicable regulations and code requirements. Kai shall not display signage on a pole. At this point in time Kai does not intend to construct or maintain monument signage at the Building location and does not request approval. Landlords have approved, and Kai intends, to display signage affixed directly to the Building (on the south facing side) in the dimension, posture and depiction which is displayed on Appendix 2.
5. **Building Construction.** Kai intends to construct, and Landlords have approved the base building construction plan identified in Appendix 2 as well as the interior plan at Appendix 3. The plans as postured are approved, subject only to review and further administrative approval issued by the planning commission. Presently, the Building construction plan includes square footage in the amount of #2,052. See Appendix 2. Given the size of the building envelope and the civil engineering planning, in no instance will the building exceed 2,500 square feet. As previously indicated, Kai has the ability and authority to construct the building and/or modify/install any building systems in the manner for which it see fit, however, all building construction and/or property modification shall comply with land development regulation; to be further evaluated during site plan review.

## Findings Report Responses for Western Colorado Marijuana, LLC dba The Garage

### Regulated Marijuana License Application

All requirements of the Application have not been met.

The Application is deficient as follows:

1. The registered trade name in the application is The Garage; The Weed Garage. The trade name registered with the Secretary of State of Colorado is The Garage.

#### Response

During the beginning stages of filling out our application, we we're considering two different names: The Garage, and the Weed Garage. We ultimately decided The Garage was a more understated and community friendly name. There may have been a document that contained both names when we were still in the deliberation process, but The Garage is our affirmative and final name selection as registered with the Secretary of State office. Any pages including both names separated by a semicolon were created during the deliberation process and not intended to be left in the application. We have attached a copy of our dba filing for the Garage with the Secretary of State's Office.

### Proposed Operating Plan

All requirements for the Proposed Operating Plan have not been met.

The Proposed Operating Plan is deficient as follows:

1. There is no statement from the landlord that the building systems either meet the requirements of the code(s) or can be modified to do so, as required on the Operating Plan form.

#### Response

While completing the Proposed Operating Plan, we gave primary attention to our operating plan specifics and overlooked the request for a statement authorizing building modification to meet code requirements. We believed that the Property Authorization Form, lease, and operating plan were all sufficient elements of building modification authorization from the landlords. We have included a signed statement from the landlords of the property to authorize all necessary modifications to meet code requirements.

EXHIBIT 1

### **Proof of Ownership or Legal Right to Proposed Premises**

**All requirements for Proof of Ownership or Legal Right to Proposed Premises have not been met.**

**The Proof of Ownership or Legal Right to Proposed Premises are deficient as follows:**

1. The General Lease Agreement indicate that the property owner is Jimmy Hunger, however, the lease is signed by Jim Hunger. This conflicts with the Mesa County Assessor's information indicating that Jimmy Lee Hunger and Helmuth R. Hunger are joint owners of the property.

#### **Response**

While crafting our lease agreement and through various conversations with Jimmy Lee Hunger, all parties involved thought that Jimmy Lee Hunger was the sole owner of the property due to the attached Quit Claim Deed that appeared to name Jimmy Lee Hunger the sole proprietor. With recent knowledge of Helmuth R. Hunger's continued ownership in the building, we have included a new lease to the building signed by Jimmy Lee Hunger and Helmuth R Hunger as both owning parties of the property.

2. The property is owned by two individual joint owners; there is no company associated with the ownership, but the Property Authorization indicates Auto Machine Service.

#### **Response**

When notarizing the Property Use Authorization form, Jimmy was unsure whether to add Auto Machine Service to the form. We thought it was better to err on the side of more information than less. Due to the fact that Auto Machine Service has no ownership in the building, we have attached a new Property Authorization form, from which, Auto Machine Service has been removed.

### **Property Authorization**

**All requirements for the Property Authorization have not been met.**

**The Property Authorization is deficient as follows:**

1. Per the Mesa County Assessor's information, the property owners are Jimmy Lee Hunger and Helmuth R. Hunger and the signature line on the Property Authorization indicates Jim Hunger. No information was submitted regarding Helmuth R. Hunger

approving the cannabis business on the proposed premises.

**Response**

While signing the Property Authorization form, Jimmy Lee Hunger was not aware of the necessity to sign the form in the exact fashion listed with Mesa County Assessor's information. We additionally were not aware of the remaining ownership by Helmuth R. Hunger. We have attached new Property Authorization forms signed by both parties in the exact names listed with Mesa County Assessors and as noted on the quit claim deed.

2. The property is owned by two individual joint owners; there is no company associated with the ownership, but the Property Authorization indicates Auto Machine Service.

**Response**

Given the knowledge that Auto Machine Service doesn't belong on the Property Authorization forms, Auto Machine Service has been removed from all necessary forms.

**Business Entity Documents**

**All requirements of the Entity Structure, Ownership Information, Identification, and Fingerprinting documents have not been met.**

The Applicant failed to disclose the following information as part of the Findings of Suitability:

1. Mitchell Yater failed to disclose that he is the registered agent for one other business.

**Response**

During completion of the Findings of Suitability, we believed that the application was only referring to businesses associated with the marijuana industry. Through correspondence with Compliance Officer Wright, I have noted all of the following businesses, for which, Mitchell Yater is a registered agent.

Wescove, LLC is a ski and snowboard manufacturing company that I have been building for several years. I thought that it was not relevant to this section due to its lack of relation to the marijuana business. I however did think it was relevant to the discipline section, due to the fact that I had missed some quarterly filings while I was in college and accidentally let the license fall into delinquency for a short time.

FarwestLads, LLC., this is an LLC that I formed on Sept. 4th, 2022, several months after submission of the marijuana application which is the reason for omission. This is a food truck idea that I have begun working on with a friend. I thought it would be a good idea to register this LLC while the Secretary of State has an incentive program of \$1 filing fees for new LLC's. I have attached a receipt of this filing for date and cost reference.

In addition to the above LLC's, and upon further inspection, the only other entity's that I may be a registered agent on are a dba for The Garage, which is a doing business as registration for the storefront name under Western Colorado Marijuana, LLC. I have also registered a statement of trade name for Western Colorado Marijuana, LLC, before an official filing of Western Colorado Marijuana, LLC. I also have a statement of tradename for The Far West Garage, which is a name we had first considered for our marijuana storefront. And finally, a statement of trade name for The Far West Boardshop that I filed as a potential new dba for Wescove, LLC. While brainstorming names for the The Garage, I grew to like The Farwest better than the name Wescove, and have filed a statement of tradename for this name in case I change the name of my ski and snowboard operation to The Far West Boardshop.

It was not my intention to mislead with any lack of disclosures for business registration. I didn't think one LLC was relevant and the other LLC was created after the date of submission. All subsidiary tradenames and dba's have been placeholder names for Western Colorado Marijuana, LLC. and Wescove, LLC.

2. Kent Edwards failed to disclose that he is the registered agent/owner of two other businesses.

**Response**

Please see the attached documents referencing all business interests for Kent and Wendy Edwards. We have an explanation statement in the file "Wendy and Kent Edwards Business Interests", and I have also attached certificates of good standing for each applicable business (and articles of dissolution for the one dissolved entity).

**Owner Statement for Modifying Building Systems**

General Lease Agreement Terms

545 Colorado Avenue

The following is the general lease agreement terms for 545 Colorado Avenue Grand Junction CO 81501, to be used for a retail marijuana shop as registered by the State of Colorado. The following agreement is made between property owners, Jimmy Lee Hunger and Helmuth R. Hunger and Western Colorado Marijuana, LLC.

1. This lease will begin on 6/01/2022.
1. The landlord agrees to the building of a partition in the property not to exceed 1/3 of the length of the building with exception to plumbing and/or hallway construction to provide a public access bathroom to the east side of the building. The goal of this is to not inhibit or affect the machine shop operations and inventory in anyway.
2. The landlord agrees to improvements of the store front to properly secure and promote the retail business.
3. Improvements are not to exceed \$30,000 for the building. If unforeseen building improvements exceed \$30,000, as quoted by professionals, the lease will be subject to termination. All work will be quoted before beginning improvements.
4. All improvements to the building will be to the benefit of the landlord. No reimbursements will be expected for property improvements by the tenant for any reason.
5. The lease will extend for three years at the rate of \$1,000/month. At the end of three years, Western Colorado Marijuana, LLC. would like to purchase the building if the landlord wishes to sell. As such, Western Colorado Marijuana, LLC, will hold first right of refusal to purchase the property if the landlord chooses to sell.
6. The landlord will receive 9.9% Equity in Western Colorado Marijuana, LLC. and subject to all owner draw and company input proportionate to his equity hold. Western Colorado Marijuana, LLC. will make at least 2 draws per year once the startup costs have been recouped.

Western Colorado Marijuana, LLC, will have first right of purchase for this stake if the owner chooses to sell for any reason.

7. The \$1,000/month payment will begin on the 1<sup>st</sup> of the following month after all adequate licensing has been received, which is expected sometime between September and November of 2022. This lease shall extend to three years from the payment start date.

8. All components of this lease will be contingent upon the receipt of a retail marijuana license as provided by a random drawing from the City of Grand Junction and the State of Colorado. If the licenses for this property are not received, all this agreement is null and void with all services and improvements rendered to the property remaining in possession of property owner.

### **Business Interests for Wendy and Kent Edwards**

Thank you for allowing us to clarify any shortcomings from our application for Western Colorado Marijuana, LLC.

Kent and Wendy Edwards have been entrepreneurs and business owners in Western Colorado for almost 40 years. I have explained the individual business interests below, but in summary a large portion of businesses that they have started have been around real estate investing. The main business where the majority of their time was spent was Two In The Loop, Inc. This was a roustabout business in the oilfield (labor for hire), which worked in western Colorado for most of its existence.

I can promise that any omission of businesses was purely from my misunderstanding of what was being requested by the City of Grand Junction. I and my parents are extremely proud of the businesses they created and the history we have with Grand Junction. In fact, these businesses are one part of the reason why I believe we can run an efficient, professional, and fully compliant retail marijuana establishment in Grand Junction.

Regarding the Findings Report for Naturals LLC, here is the executed amendment pushing back our dates and deadlines (including closing date) for the premises at 910 North 1<sup>st</sup> Street, Grand Junction, CO 81501. This should satisfy the comments in the Findings Report in the Section titled "Proof of Ownership or Legal Right to Proposed Premises".

Regarding the "Business Entity Documents" Section of the Findings Report, item #1 - I have attached the disposition for Brian Grove's 2006 insufficient funds check charge. Regarding item #2, I have attached the case file for Sidney Squirrel's 1983 Driving Under the Influence of Alcohol charge (the court didn't have a formal court disposition due to age of the offense). Regarding items 3-5, we did not know we needed to include all of the referenced business entities on the application form in which this is regarding.

Any additional questions or items prior to our hearing please let me know

We, the greater downtown area residents and nearby neighbors of the proposed Cannabis Dispensary Naturals LLC, DBA Naturals with a proposed opening location at 910 North 1<sup>st</sup> Street in Grand Junction, CO, are in opposition of the Dispensary opening in our neighborhood.

Protection of the public health and safety will not occur with this application since it fails to integrate with the demands of adjacent businesses & residential neighborhoods. Furthermore, the proposed site does not reduce potential negative impacts as reasonably as possible as mandated by the Municipal Code of the City of Grand Junction.

The primary reasons for our opposition are the following:

1: The lack of parking spaces and increase in traffic on adjacent residential streets. Currently there are only 4 on-site parking spaces & 14 shared off-street parking spaces within 500' at the proposed site. The area is already very congested with shared parking needs for customers of Andy's Liquor Store, a closed / for sale Accountant's office at 838 N. 1<sup>st</sup> St (which will someday have its own parking needs), Cavi Cuts Barber Shop, Hole in the Wall Shirt Shoppe, Quick Temps, Grand Mesa Music Mad Margaret's, Rustic but Elegant Home Décor & DIY, as well as 3 short-term rental properties on Teller Ave. between N. 1<sup>st</sup> St. and N. 2<sup>nd</sup> St. The limited parking on busy N. 1<sup>st</sup> St. encourages people for businesses to park onto adjacent residential streets.

2: Public drug use, trespassing, theft and property damage will likely increase by selling cannabis right next door to an existing liquor store and due to the proximity to parks known for transient activity – Lilac Park, Sherwood Park and Hawthorne Park. The combination will also likely attract additional transients to the area which is already a major problem.

3: The proximity and walkable distance for students from two schools: West Middle School is 2750 feet away and Grand Junction High School is 2585 feet away.

4: The proximity to community-oriented services such as the Salvation Army and Alano of Grand Junction.

5: The proximity to Safe Houses located at 204 Teller Ave, 211 Belford Ave, 140 & 226 Gunnison Ave, 125 N. 1<sup>st</sup> Street, 330 Glenwood Ave and 1014 N. 4<sup>th</sup> Street.

**c/o Grand Junction City Clerk**  
**Regarding Proposed Cannabis Retail Facilities at 1215 N. First Street and**  
**261 North Avenue**

Greetings,

Unfortunately I am not able to attend the Hearings tomorrow (October 12, 2022) regarding the above two proposed Cannabis Retail Facilities, but want to voice my opposition to the two noted sites. There are many reasons for this opposition which I will briefly describe:

1. Sherwood Park is a park 7 days a week ... but for five of those days the park shelter (by the rest room) is occupied by numerous high school students who are congregating with friends, skipping classes, eating lunch, etc. and that location is less than 1000 feet from both noted pot shops;
2. There are two District 51 schools in close proximity; they are over the arbitrary 1000 foot limit that was used for siting pot shops, but they are clearly within easy walking distance (+/- ¼ mile) of the schools;
3. At one time, siting pot shops within 1000 feet of City Parks was not going to be allowed. Unfortunately this is no longer a criteria, but the heavy family use of Sherwood Park should be recognized;
4. I was a consultant who worked with Happy Camper in Palisade for the permitting of their original location on River Road, as well as their new location on Wine Country Road. Happy Camper realized that the enormous success of their store was causing significant traffic and parking problems and for this reason sought a location where traffic and parking could be accommodated. Kudos to Happy Camper. Both of the noted locations will be a "nightmare" with regards to traffic, parking, and/or access:
  - a. 1215 N. First is currently a cluster with regards to entering and exiting the commercial complex it abuts. This curb cut is offset and too close to West Sherwood Drive, as well as confusing with the curb cuts to the south into the commercial complex. Unless the plan is to tear down the building and rebuild, there is not enough room for parking;
  - b. 261 North Avenue is almost all parking lot, and as it currently stands does not meet the criteria of the Sherwood Park Mixed-Use District criteria (Section 32.52.030 of City Code) which notes "Parking for businesses should occur to the rear or side of businesses, and shared parking facilities are encouraged." Unless the plan is to tear down the building and rebuild, parking is entirely along both North and Third Street;
5. Both of these locations literally abut significant established residential neighborhoods. This is not a compatible use.

I voted for having Retail Cannabis in Grand Junction, and understand the challenges of paring down to a final 10 locations. I have not studied the other 24 locations, but I am certain that there are 10 locations that are more suitable than these two. I have included a graphic that depicts the close proximity of these two locations to two schools, a significant high school student 'hangout' in the park, the City Park and Public Facilities, the access / traffic / and parking concerns. I know the majority of the Sherwood Park Neighborhood Association agrees with the above concerns.

Sincerely,  
Ted and Linda Ciavonne

I am opposed to a retail marijuana shop at 1215 N. 1<sup>st</sup> street. While it is more than 1000 from the nearest school, many students spend time at Sherwood Park both during school hours and after. I feel that these shops should be located in areas that are distant from residences, schools, and parks. The 1215 N. 1<sup>st</sup> St location is also likely to cause traffic problems due to the location of the site.

Hello. As residents of the Sherwood Park neighborhood, as well as current (and former) public school teachers, we have concerns about the application for pot shops in our neighborhood.

Both the location at 1215 N. 1st and the one at 261 N. Avenue are too close to the south Shelter / GJHS.

At any given time - on any day school is in session - the south Sherwood Park shelter (very near these proposed locations) is full of high school students.

In addition to the nearness to regular student hangouts, Pot shops amidst residential areas seems like something to be avoided if other locations are being applied for at this time

Thank you for your time,

Sincerely, Lori & Lance Powell
