Bike month / community streets

- Ian suggested a community street event might be a good idea, month of September.
- Sarah – Coordinating booths and organizing is short timeframe, would need to form subcommittee and take action. Discussed ideas about holding event in May instead, planning for tactical urbanism thing, hold a survey, Andy thought about the goal of public engagement in process. Hoping to host or something. Bike/ped plan, or how to solicit community engagement. Interest in doing a survey? If there was a survey, what would there be?
- Possibility of having a survey to do or get community engagement by sept moment? Or do micro-engagement activities to help collect information from
- Final outcome: Plan is to focus with planners and consultants for this year, and to get engaged in May/June to set up and have a honest effort in 2023 for next year. Possibilities are a street event, some unique ideas for surveys on existing or urban tactical warfare.
