What is Group Term Life Insurance?

Group Term Life Insurance is offered through your employer and pays a benefit to your beneficiary if you pass away during a specific period of time (known as a “term”). The term of this coverage is generally one year, renewing on an annual basis with your other employer-offered benefits. Your employer offers Basic Life Insurance and Accidental Death and Dismemberment Insurance, which is the amount they provide at no cost to you. You also have the option to elect additional coverage called Supplemental Life Insurance.

What is Accidental Death and Dismemberment (AD&D) Insurance?

AD&D Insurance pays a benefit to you or your beneficiary, separate from the life insurance benefit, if you are severely injured or die as the result of a covered accident. This coverage is part of the Group Term Life Insurance offered through your employer.

How can life insurance help?

Below are a few examples of how your life insurance benefit could be used (coverage amounts may vary):

- Pay off any remaining medical bills, funeral costs and debts
- Provide ongoing financial support to your family
- Keep your family in your home by paying off the mortgage

Meet the Wilsons

Mark and Jodi Wilson had a busy life filled with work, sports and their three children. Mark was the breadwinner of the family and worked as a construction manager. Jodi had quit her job to stay home with the children when their second child was born. Mark had been suffering from recurring headaches and, after seeing many doctors, was diagnosed with an inoperable brain tumor. Fortunately for the Wilson family, Mark had elected Group Term Life Insurance coverage through his employer. When Mark passed away, Jodi was able to use the life insurance proceeds to pay off the remaining home mortgage and cover Mark's funeral. There was even enough money to support the family while she transitioned from being a stay-at-home mother to a working single parent.

Expenses covered by Mark's Life Insurance Proceeds:

| | |
|------------------|---|
| \$180,000 | Total Life Insurance Proceeds |
| -\$8,000 | Funeral Costs |
| <u>-\$75,000</u> | Remaining Mortgage |
| \$97,000 | Everyday Expenses (utilities, car, groceries, etc.) |

The amounts shown are an example only. Actual costs/results may vary.

What does my life insurance include?

The benefits listed below are included with your life insurance coverage.

- **Conversion:** You, your spouse and/or your children may convert life insurance coverage to an individual whole life insurance policy when you leave your employer or due to loss of eligibility under the employer's group policy.
- **Portability:** You may apply to continue your Basic and Supplemental coverage when you leave your current employer, and pay premiums to the insurance company directly.
- **Waiver of Premium:** If you become unable to work due to total disability, your Basic and Supplemental Life Insurance can be continued without premium payment.
- **Convenient Payroll Deductions:** Premium deductions for Supplemental coverages are taken directly from your paycheck, so you never have to worry about late payments or lapse notices.
