

ADDENDUM NO. 1

Date: January 19, 2024
From: City of Grand Junction Purchasing Division
To: All Offerors
RE: Electric Vehicle Carshare Feasibility and Readiness Study, RFP-5367-24-KF

Offerors responding to the above-referenced solicitation are hereby instructed requirements have been clarified, modified, superseded, and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. **Q:** Will the pre-proposal meeting be available to view/join remotely or available virtually?

A: This is a non-mandatory pre-proposal meeting, and the City strongly encourages all prospective Offerors to attend. To ensure transparency, all attendees will be required to sign in, and the sign-in sheet will be posted following the meeting. It's important to note that nothing stated during the meeting will modify the solicitation. All questions raised during the meeting will be documented for a formal response provided through an addendum, which will be posted as soon as possible. Both the sign-in sheet and the addendum will be made available on BidNet Direct and the City website. Pre-proposal meetings are generally conducted in person, and not available through the City auditorium audio-visual broadcast system.

The original solicitation for the project noted above is amended as noted.

All other conditions of the subject remain the same.

Respectfully,

Kathleen Franklin, Senior Buyer
City of Grand Junction, Colorado
