RECITALS:

Pursuant to the constitutional, statutory and Charter authority of the City Council of the City of Grand Junction to adopt ordinances for the protection of the health safety and general welfare of the population of the City the following ordinance is proposed. After full hearing and consideration of the ordinance and upon recommendation by the City staff the Council finds that adoption of the ordinance is necessary to preserve the health, safety and general welfare of the people of the City of Grand Junction. The International Codes, which are hereby adopted, are the state of the art. The Codes are mutually adopted by the City and Mesa County, which provides for efficient building and enforcement practices. As well, the International Codes are increasingly common in many communities, which further increase the benefits of standardization. This ordinance and the Codes which it adopts regulate the erection, construction, enlargement, alteration, repair, moving, removal, demolition, conversion, occupancy, equipment, use, height, area and maintenance of all buildings or structures in the City of Grand Junction. The ordinance further provides for issuance of permits and collection of fees.

NOW, THEREFORE, BE IT ORDAINED, BY THE CITY COUNCIL OF THE CITY OF GRAND JUNCTION, COLORADO:

Article II and Article III of Chapter 8 of the Code of Ordinances of the City of Grand Junction is hereby amended as follows:

The Chief Building Official shall be an ex-officio member of and shall act as secretary to said board. The Board of Appeals shall be appointed by the Board of County Commissioners and shall hold office at its pleasure. The Board shall adopt rules and procedures for conducting business and shall render all decisions and findings in writing to the appellant with a duplicate copy to the Chief Building Official.

(c) The Board of Appeals shall have jurisdiction to decide any appeals from the Chief Building Official if the decision of the Chief Building Official concerns suitability of alternate materials, methods of construction or a reasonable interpretation of the code. The Board of Appeals shall not hear appeals of life safety items, administrative provisions of the codes nor shall the Board of Appeals be empowered to waive requirements of the codes. The first order of business at any hearing of the Board of Appeals shall be to determine if it has jurisdiction to hear the appeal.

(d) Any appeal to the Board of Appeals shall be preceded by a written appeal to the Chief Building Official, who shall reply in writing. The decision of the Chief Building Official may be appealed to the Board of Appeals, within ten days from the date of the decision of the Chief Building Official. A Notice of Appeal together with a copy of the original written appeal and a copy of the Chief Building Official's decision shall be filed with the Board of Appeals at the time the appeal is requested.

Sec. 8-29. Nonassumption; nonwaiver.

The City, its officials, employees and agents thereof shall not be deemed to have assumed a duty of care where none otherwise existed by the performance of a service or an act of assistance for the benefit of any person under this chapter.
