Subject: **CANCELLATION** – River Park Silt Removal (RFQ-5414-24-KH)

Dear Contractors:

The City of Grand Junction greatly appreciates the time and attention your company has invested in participating in the River Park Silt Removal (RFQ) process.

However, it is the decision of the City to hereby cancel the solicitation process for this Project because there is a moratorium that restricts work within the river channel until September 1, 2024. The City intends to resolicit this project closer to the end of this moratorium. This will also allow the City to look into the required permits needed for this project.

Please feel free to contact us with any questions at 970-244-1546.

Sincerely,
