

Purchasing Division

ADDENDUM NO. 1

DATE: July 9, 2024
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: Partnership with City of Grand Junction for Expansion and Enhancement of Waste Diversion Services RFP-5472-24-DD

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded, and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. **Question:** Is Grand Junction looking for a public private partnership to run/operate the recycling facility, education programs and improve operational efficiencies? Or looking for a consulting firm to assist on the modernization/expansion of the recycling facility, collection efficiencies and educational outreach?

Answer: The basis for this RFP is to provide an overview of our current recycling program and express our desire to expand and enhance the services we provide. We aim to partner with an experienced and qualified organization who may offer innovative solutions for the modernization and expansion of our recycling facilities, improve operational efficiencies, and support public education and outreach initiatives. Since we are open to various approaches and solutions, the RFP is intentionally broad to allow potential partners the freedom to propose what they can offer to help us achieve our goals.

2. **Question:** I am reaching out in relation to the RFP for a recycling partner. I want to make sure I am giving the city what they want and not more. Would you like full Resumes for key personnel or are you just looking for high point bullets that highlight the teams experience and capabilities.

Answer: Per Section 5.C of the Solicitation: The proposal should feature resumes of Key Personnel, highlighting qualifications and experience. Emphasis should be placed on a proven track record in managing similar projects, meeting deadlines, and adhering to budgetary constraints. The project team's ability to provide highly experienced and qualified key personnel to effectively address the demands of the Project.

The original solicitation for the project noted above is amended as noted. All other conditions of the subject remain the same.

Respectfully,

A handwritten signature in blue ink that reads "Dolly Daniels".
