

ADMINISTRATIVE REGULATION 2013 03-2013

INDUSTRIAL PRETREATMENT WASTE HAULER DISCHARGE PERMIT TEMPLATE – PERMIT TEMPLATE UPDATE BASED ON THE 2013 WASTEWATER ORDINANCE REVISION

Issued by:   
Gregory O. Trainor, Director of Utilities, Public Works and Planning

Topic:

This regulation updates the Industrial Pretreatment Waste Hauler Discharge Permit Template per §13.04.390 and §13.04.400 of Grand Junction Municipal Code (GJMC) due to the 2013 revision of Wastewater Ordinance Chapter 13.04. The Waste Hauler Discharge Permit Template, as on file with the Industrial Pretreatment Division, will be used to issue future Waste Hauler Discharge Permits and may be amended in the future.

Background and Purpose:

The purpose of this Administrative Regulation is to update the Waste Hauler Discharge Permit Template per GJMC §13.04.390 and §13.04.400 due to the 2013 revision of Wastewater Ordinance Chapter 13.04. Those sections provide as follows:

13.04.390 Industrial Pretreatment Program – Industrial Discharge Permits

(a) Permits Required

All Significant Industrial Users proposing to connect to, or discharge into, any part of the wastewater system shall apply for and obtain an Industrial Discharge Permit prior to commencing discharge to the POTW. A separate permit may be required for each Industrial User, building or complex of building. Such Significant Industrial Users shall immediately contact the City and obtain an Industrial Waste Discharge Permit.

13.04.400 Industrial Pretreatment Program – Industrial Discharge Permit Conditions

Industrial Discharge Permits shall be expressly subject to all provisions of this Code and all other applicable regulations, user charges and fees established by the City.

By and through the authority created in 2.12.010, the Director may interpret and implement a means to effectuate the purpose(s) of ordinances and ensure that the same are given full and reasonable effect. That process is being utilized here. <sup>1</sup>

---

<sup>1</sup> The Department Directors of the various departments of the City may promulgate, after public notice, administrative regulations for the purposes of interpreting, clarifying and effectuating the purposes of this code. A violation of an administrative regulation shall constitute a violation of this code. 2.12.010 GJMC

Administrative Interpretation:

The Director hereby determines that for the protection of the general health, safety and welfare of the community, that he will, through the adoption of this administrative regulation, allow the Waste Hauler Discharge Permit Template to be updated based on Wastewater Ordinance 13.04.

Because Federal law requires the Code to be updated the Director by and through this administrative regulation does allow Waste Hauler Discharge Permit Template to be updated per 2013 Ordinance revisions.

This administrative regulation is duly adopted this 18<sup>th</sup> day of September, 2013.
