Information

SUBJECT:

Discussion Regarding 2024 Revisions to the Zoning & Development Code

RECOMMENDATION:

EXECUTIVE SUMMARY:

Discussion Regarding 2024 Revisions to the Zoning & Development Code

BACKGROUND OR DETAILED INFORMATION:

In preparing the Zoning & Development Code update for adoption, as well as in initial training with staff and meetings with applicants on implementation of the new code, staff identified some items that were amended which inadvertently conflict with standard practice or could use additional clarification. Staff is committed to ensuring that these items are handled diligently to minimize disruption to the development workflow as the new code is implemented. This agenda item is intended to review the first round of revisions, which includes the following topics:

- Buffers for Residential vs. Residential Zoning
- Density Calculations & Rounding
- RH-16 Bulk Standards Implementation in MU-3

- Tiny home Use Flexibility
- Principal Use Table, Cottage Courts
- Retail Sales in Industrial Zones
- Termination of CUP process
- Personal Service as Home Occupation
- Public Outreach Meeting Content Requirements
- Extension of Project Approvals

SUGGESTED MOTION:

This item is for discussion purposes only.
