If the Contractor shall fail to pay said liquidated damages promptly upon demand thereof after having failed to achieve Final Completion on time, the City shall first look to any retainage or other funds from which to pay said liquidated damages; if retainage or other liquid funds are not available to pay said liquidated damages amounts, the Surety on the Contractor's Performance Bond and Payment Bond shall pay such liquidated damages. Should the City incur additional costs because of delays or extensions to other Contracts resulting from the Contractor's failure of timely performance, the Contractor agrees to pay these costs that the City incurs because of the Contractor's delay, and these payments are separate from and in addition to any liquidated damages.

The Contractor agrees that the City may use its own forces or hire other parties to obtain Final Completion of the Work if the time of completion has elapsed and the Contractor is not diligently pursuing completion. Purchasing Division

ADDENDUM NO. 1

DATE: September 18, 2024
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: Avalon Theater Carpet Replacement

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded, and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. **Clarification:** The following rooms are to be included in the red-carpet replacement.
 - Elevator – approximately 5' X5'-10"
 - Dressing Room – approximately 10' X 11'-2"
 - Encore Storeroom – approximately 6' X 8'
 - Box Office – approximately 9' X 10'-3"
2. **Clarification:** Contractor to include and provide the Owner with a minimum 5% overstock for future carpet repairs
3. **Clarification:** Both stairways to the basement shall have new carpet runners installed to match the new stair carpeting.
4. **Clarification:** The theater main floor, balcony, stairs, and lobby stairs shall be done in broadloom carpet. The first and second floor lobbies and vestibules of the theater, basement hallway, box office, elevator, dressing room, Encore storeroom and Encore room border shall be done with carpet tiles.
5. **Clarification:** If contractor's bid exceeds \$50,000, a bid bond must be submitted with the bid and a performance and payment bond will be required following award.
6. **Question:** Have the flooring products been selected/specified for this project yet? Manufacturer and model numbers? Style and color selections?
Answer: See attached letter from Chamberlin Architects
7. **Question:** What pattern is the selected product to be laid in?
Answer: See attached letter from Chamberlin Architects
8. **Question:** The IFB calls out approximately 824 linear feet of cove base. Can you please specify where this is to be installed?
Answer: Basement hallway and Mezzanine Lobby
9. **Question:** There is a mix of existing carpet and vinyl stringers. Are we to replace in a matching product or go with all one style of stair stringers?

Answer: Vinyl stringers are to be replaced with carpet to match stairs.

- 10. Question:** The IFB states liquidated damages of \$500 per day. Will this be waived depending on the selected products availability and the availability to work around planned events?
Answer: Yes, as long as there is direct communication between the Contractor and the City stating justifiable reasoning for the delay(s). Change orders to the contract can amend the original contract date(s).
- 11. Question:** Can you please specify the exact dates and times the theater is available for workers? Are there any "blackout dates" based on scheduled events?
Answer: Currently December 2-6 and December 23-30 are open. Working hours are 8-5 and work until 8pm can be accommodated. This project will have to be completed or in progress prior to December 31, 2024
- 12. Question:** Once contacted, will the theater's event schedule be set? Or will there be a possibility of new events being added? If so, will there be a change in project schedule to accommodate the new event schedule?
Answer: See answers to questions 10 and 11 above.
- 13. Question:** What carpet binding will be required on the selected product?
Answer: See attached letter from Chamberlin Architects
- 14. Question:** Do we include painting of safety stripes on carpet at steps? The existing carpet has black lines painted on it by someone other than the manufacturer. Do we need to paint lines?
Answer: No
- 15. Question:** Are treads, risers and stringers all going to be carpeted again to match existing?
Answer: Yes
- 16. Question:** Binding is notated for edges of carpet in stairwells/walkways. One level has lip? With reducers on the carpet instead. Do you want binding or maybe commercial rubber transitions instead of binding?
Answer: See attached letter from Chamberlin Architects
- 17. Question:** Direction of nap is notated on main level. What about other areas? Border in room 106 only? This is not on the notes.
Answer: Nap direction has not been indicated. The red-carpet border in room 106 is to be replaced.
- 18. Question:** What about the box office 103? Is the carpet being replaced there?
Answer: Yes, See Clarification #1
- 19. Question:** What about the area between 102 lobby and 119 lobby? Is the carpet being replaced there?
Answer: There is no carpet in that area.

Answer: See answer to question #10.
- 29. Question:** Is there a budget for this project?
