

The City of Grand Junction New Supplier Portal is Coming!

Hello Supplier,

The City of Grand Junction is transitioning our financial management system to a new online cloud-based solution. The new system is called the GJ Cloud. Beginning **April 1, 2025**, new suppliers will have the opportunity to register, and existing suppliers will access our new cloud Supplier Portal to do business with us. GJ Cloud will streamline the way we do business and provide a more efficient means for payment processing.

NOTE: The Supplier Portal and registration is not for bidding opportunities. Suppliers will continue to utilize BidNet Direct, and City's Purchasing website.

The Supplier Portal will be your primary communication channel to the Accounts Payable Division, and as such, you will be able to:

- View and update your supplier profile information
- View purchase orders and invoices, if applicable
- Track payment status, if applicable

Right now, there is no action needed by the supplier. Continue to communicate and do business with us as you have done in the past. Further communications will be provided with specific instructions for viewing and updating your supplier profile in the new system.

Thank you and we look forward to doing business with you through GJ Cloud.
