ADDENDUM NO. 1

DATE: February 16, 2024
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: Forestry Chemicals & Treatments IFB-5380-24-KH

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. **Q:** I'm not sure if this matters, but in the document it lists "Xytect" as 2 separate active ingredients. The 21.4% Imidicloprid is correct, where as the 97.4% Acephate is not. The 97.4% Acephate would have the trade name "Lepitect."

A: This has been updated in the addendum 1 version of the Firm's Bid Form.

Firm shall utilize the addendum 1 version of the Firm's Bid Form attached for their bid.

2. **Q:** What are the anticipated volumes of each product?

A: Please reference the addendum 1 version of the Firm's Bid Form for estimated quantities.

3. **Q:** Do you anticipate the city purchasing all products at once or spread out throughout the year?

A: For the Urban Forestry Tree Treatments & Vegetation Management Products, the City plans on making an initial large order after award and smaller orders, if needed, throughout the year. For the Japanese Beetle Treatments, we plan on doing one large order. The City may need to order more but it is highly unlikely.

4. **Q:** Will the city allow for a partial award? We are only looking to bid on urban forestry tree treatments.

A: The City will accept partial awards by category not by line item. Firm must be able to provide all line items in that category.

It is the intent of the City to Award Firm(s) by Category, although the City reserves the right to make award(s) in the best interest of the City.

5. **Q:** Can you provide an approximate need in tons of the 22-00-07 w/0.067% Acelepryn?

A: This has been updated in the addendum 1 version of the Firm's Bid Form.

Firm shall utilize the addendum 1 version of the Firm's Bid Form attached for their bid.

6. The following condition shall be added to section 3.3 Special Conditions & Provisions:

Estimated Quantities: The quantities indicated in this Invitation for Bid are **estimates** that pertain to the total aggregate quantities that may be ordered throughout the stated Contract period. Variation of quantities may increase or decrease. The estimates do not indicate single order amounts unless otherwise stated. The Owner makes no guarantees about single order quantities or total aggregate order quantities.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,

A handwritten signature in black ink, appearing to read 'K. Hackett', is written over a light blue rectangular background.

City of Grand Junction, Colorado
