

Purchasing Division

## **ADDENDUM NO. 6**

**DATE:** March 28, 2025  
**FROM:** City of Grand Junction Purchasing Division  
**TO:** All Offerors  
**RE:** Design Build Material Recovery Facility RFP-5601-25-DD

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded, and supplemented as to this date as hereinafter described.

Please make note of the following questions/answers/clarifications:

1. **Question:** Can we get clarification from the hauler Bruin, what type of trucks will be delivering material to the facility and what their trucks current dump heights are?  
**Answer:** There will be a variety of truck make and models delivering material to the MRF, as multiple haulers will be utilizing the facility. Estimated dump heights are as follows:
  - Rear-End Load and Automated Side-Load Trucks: 16–24 feet
  - Front-End Load Trucks: 24 feet
  - Roll-Off Trucks: 28 feet
2. **Question: Section 4.3.2** Has Residue at 15%, can we please get clarification what the City/Bruin classify as residue?  
**Answer:** Residue refers to non-recyclable materials or contaminants in the recycling streams.

The original solicitation for the project noted above is amended as noted. All other conditions of the subject remain the same.

Respectfully,

A handwritten signature in blue ink that reads "Dolly Daniels".

Dolly Daniels, Senior Buyer
