DISCUSSION ITEMS

4/29 – Mesa County Historical Event at Loma School Debrief

Board members and staff discussed how well the event went and the number of people who attended.

Most Endangered Places – Resubmit the Teller Institute

Board is interested in submitting the building for consideration.

Developed an informal list of “action items” to address in order to complete the application for both staff and board members.

Beehive Structure

Board is interested in restoring and getting a plaque made for the structure.

Board members will be reaching out to local businesses to inquire about donations (either monetary or with building materials). Staff will work to find grants/funding if available.

UPDATES

An event specifically for the Grand Junction Historical Preservation Board would require more time and preparation. Board members had the idea of having a table or booth at the upcoming open house for the Train Depot. Staff will reach out to the people in charge of the event to see if this is possible.

ADJOURNMENT

The meeting was adjourned at 5:01 PM.
