Access Weight Loss Medications Without Insurance Coverage

As the popularity of weight loss medication grows and insurance plans tighten or eliminate coverage, pharmaceutical companies are instituting direct-to-consumer programs providing prescriptions at a reduced cost. Zepbound and Wegovy can be accessed on a reoccurring basis, directly from the manufacturer if the individual manufacturers requirements are met.

	Lilly Direct®	NovoCare® Savings | Coverage | Support
	Zepbound	Wegovy
Costs	Zepbound: Starting at $299/month	Wegovy Pill: Starting at $149/month Wegovy Pen: Starting at $199/month
Free Home Delivery?	✓	✓
How to get started	• Choose a care option: in-person with your current provider or a new provider, telehealth (9amHealth), pharmacy services or well-being (scan the QR code for directions). • LillyDirect does all the work to apply discounts, savings cards and copay assistance cards. After payment, just wait for the prescription to arrive at your doorstep. • Visit: www.Lilly.com/lillydirect/medicines for more information	• Have your provider send your prescription to NovoCare Pharmacy (scan the NovoCare QR code for directions). • The medication will be shipped directly to your home. When it's time to refill, you will receive a notification. • Visit: www.NovoCare.com for more information
	• Have your provider send your prescription to one of these two programs. • Pay for the medication. • The medication will be shipped to you directly.
