

ORDINANCE NO. 5277

AN ORDINANCE LEASING +/-3 ACRES OF CITY PROPERTY TO RURAL HOMES LOCATED AT 450 28 RD, GRAND JUNCTION, COLORADO PURSUANT TO VOTER APPROVAL

RECITALS:

In January 2025, the City of Grand Junction acquired the 21.78-acre Salt Flats property to support future affordable and attainable housing development. Pursuant to this Ordinance and the lease approved hereby and herewith, a portion of the property, +/-3 acres, is leased ("Property Lease 1") to Rural Homes, an experienced affordable for-sale housing developer, for the development of approximately 48 deed-restricted for-sale homes targeted to households at or below 100% AMI.

In November 2023, City voters approved an amendment to the City Charter allowing the City to lease property by ordinance for affordable and/or workforce housing, as defined by the City Council, for a term not to exceed ninety-nine years. The City Council, having been duly advised in the premises, finds that the development facilitated with Property Lease 1 is for affordable and/or workforce housing as defined by the Council.

Rural Homes' proposal includes 48 lots across two parcels totaling +/-3 acres, consisting of approximately 10 single-family detached homes and 38 duplex homes, each with two on-lot parking spaces. The neighborhood design incorporates a mix of alley-loaded and front-loaded homes, ADA-compliant single-story ranch homes, and a family childcare home with a dedicated play yard and storage shed. Homes will meet all-electric, solar-ready Zero Energy Ready Home specifications. Rural Homes emphasizes long-term affordability through deed restrictions, appreciation caps, and avoidance of HOAs/metro districts.

Rural Homes anticipates, pending financing award, Phase 1 completion in Winter 2026 and Phase 2 by Spring 2027, coordinated with the broader site's infrastructure timeline and master plan.

The City Council, by and with approval of this Ordinance, confirms and ratifies the actions described in Property Lease 1 and finds that the lease advances public purposes and community interests, in furtherance of the development of the Salt Flats property for affordable housing and consistent with the purposes authorized by the voters.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRAND JUNCTION, COLORADO:

Incorporating the foregoing Recitals, the City Council does confirm and ratify the actions heretofore taken and more particularly described in the lease agreement by and between Rural Homes and the City of Grand Junction (Property Lease 1), a copy of which is attached and incorporated by this reference as if fully set forth, leasing the property therein described.

AND FURTHERMORE, BE IT ORDAINED, that this Ordinance, together with Property Lease 1, is deemed by the City Council to discharge the City Charter, as amended, and the laws and ordinances of the City of Grand Junction, Colorado, and overall support and advance the public health, safety, and welfare.

Introduced on first reading this 17th day of September 2025 and ordered to be published in pamphlet form.

Adopted on second reading this 1st day of October 2025 and ordered published in pamphlet form.

Cody Kennedy
President of the City Council

5. Non-Liability of the City for Damage. The City shall not be liable for liability or damage claims for injury to persons or property, from any cause relating to the occupancy and use of the Property by Lessee or any person or interest claiming by or through the Lessee or any successor(s) thereto, including those arising out of damages or losses occurring on areas adjacent to the Property or easements used for the benefit of the Property during the Lease Term or any extension thereof, nor for any injury or damage to any property of the Lessee or any other party, from any cause whatsoever. Lessee and any successor(s) thereto agree to indemnify the City, its officers, employees, and agents, and hold the same harmless from all liability, loss, or other damage claims or obligations resulting from any injuries, including death, or losses of any nature.

Furthermore, the City shall not be liable to Lessee for any damages, or any loss of profits or loss of opportunities claimed by Lessee or any successor(s) thereto or for interruption of Lessee's or any successor's(s') business or operations resulting from the environmental condition of the Property, fire, the elements, or casualty, of any kind.

6. Hazardous Substances.

The term "Environmental Law", as used in this Lease Agreement, shall mean each and every federal, state and local law, statute, ordinance, regulation, rule, judicial or administrative order or decree, permit, license, approval, authorization or similar requirement of each and every federal, state and local governmental agency or other governmental authority, pertaining to the protection of human health and safety of the environment, either now in force or hereafter enacted.

6.2 Lessee shall not cause or permit to occur by Lessee or Lessee's agents, guests, invitees, contractors, licensees, or employees the following:

(b) the use, generation, accidental or uncontrolled release, manufacture, refining, production, processing, storage, or disposal of any Hazardous Substance on, under or about the Property, or the transportation to or from the Property of any Hazardous Substance in violation of any federal state or local law, ordinance or regulation either now in force or hereafter enacted.

7. Environmental Clean-Up.

7.1 The following provisions shall be applicable to Lessee and to Lessee's agents, guests, invitees, contractors, licensees, and employees:

(a) Lessee shall, at Lessee's sole cost and expense, comply with all Environmental Laws and laws regulating the use, generation, storage, transportation, or disposal of Hazardous Substances;

(c) Should any Authority or the City demand that a clean-up plan be prepared and that a clean-up plan be undertaken because of any deposit, spill, discharge or other release of Hazardous Substances on, under or about the Property, Lessee shall, at Lessee's sole cost and expense, prepare and submit the required plan(s) and all related bonds and other financial assurances, and Lessee shall carry out all such clean-up plan(s) in compliance with the Authorities and all Environmental Laws and other applicable laws.

(d) Lessee shall promptly provide all information regarding the use, generation, storage, transportation, or disposal of Hazardous Substances requested by any Authority. If Lessee fails to fulfill any duty imposed hereunder within a reasonable time, the City may do so on Lessee's behalf and, in such case, Lessee shall cooperate with the City in the preparation of all documents the City or any Authority deems necessary or appropriate to determine the applicability of Environmental Laws to the Property and Lessee's use thereof, and for compliance therewith, and Lessee shall execute all documents promptly upon the City's request. No such action by the City and no attempt made by the City to mitigate damages under any Environmental Law or other applicable law shall constitute a waiver of any of Lessee's obligations hereunder.

(e) Lessee's obligations and liabilities hereunder shall survive the expiration or termination of this Lease Agreement.

7.2 Lessee shall indemnify, defend and hold the City, its officers, employees and agents harmless from all fines, suits, procedures, claims and actions of every kind, and all costs associated therewith (including the costs and fees of attorneys, consultants and experts) arising out of or in any way connected with any deposit, spill, discharge or other release of Hazardous Substances and the violation of any Environmental Law and other applicable law by Lessee and/or Lessee's agents, guests, invitees, contractors, licensees and employees that occur during the term of this Lease or any extension thereof, or from Lessee's failure to provide all information, make all submissions, and take all actions required by all Authorities under the Environmental Laws and other applicable laws. Lessee's obligations and liabilities hereunder shall survive the expiration or termination of this Lease Agreement.

8. Lessee's Obligation to Produce Affordable Housing Units

8.1 As a condition of the Program Grant, the City is subject to certain milestones that must be met for development of 324 affordable-housing units on the Larger Parcel. To enable the City to meet those milestones, Lessee's development of the Property shall be subject to certain conditions.

8.2 Lessee shall produce on the Property affordable housing units, defined as rental units that are restricted to households with annual incomes at or below one hundred percent (100%) of AMI, under the following timetable: 48 units shall be developed in two phases within 7 years of January 9, 2025,

the day the City purchased the Larger Parcel. Development of the 48 units shall be considered complete under this Lease Agreement if and only if both phases of development have been fully funded, and fully permitted by the City.

8.3 AMI, as well as the maximum rental rates that can be charged to tenants of the Project, shall be determined periodically as set by the United States Department of Housing and Urban Development (HUD) and/or CHFA.

8.4 Failure by the Lessee to adhere to the timetable of section 8.1 shall be deemed a default under the terms of this Lease Agreement entitling the City to exercise the remedies enumerated in section 10 below. Furthermore, and in addition to the available remedies of section 10 below, failure to adhere to the timetable as to any portion of the Project shall result in any undeveloped portion of the Property shall result in termination of this lease and reversion of that portion of the Property to the City, at the City's sole discretion.

8.5 Lessee may request in writing, and the City may grant in its sole discretion, a single, one-year extension on the timetable identified in section 8.1 above.

9. Reporting Obligations

9.1 As a condition of the Program Grant, the City is obligated to adhere to certain quarterly reporting requirements. In order for the City to meet those requirements, Lessee shall be obligated to report the necessary information to the City.

9.2 Reports from Lessee to the City shall be due on the 15th of the month immediately following the conclusion of each quarter, with the first report being due on or before October 15, 2025. Reporting requirements are enumerated in the attached **Exhibit C**, which is incorporated into this Lease Agreement by this reference.

9.3 The City may also request additional reporting to ensure compliance with Proposition 123 and may conduct periodic audits at its discretion as deemed necessary to ensure compliance with the terms of this Lease Agreement.

10. CHFA Ground Lease Requirements

10.1 The requirements imposed by CHFA upon lessees referenced in Recital B above are enumerated in the attached **Exhibit D**, which is incorporated into this Lease Agreement by this reference. Lessee is therefore permitted to record any restrictive covenants (as contained in the land use restriction agreement) on the land and all improvements that is binding on the lessor and any successor in the interest to the lessor.

10.2 Neither Lessee, nor any successor or assign, nor CHFA, nor any other third party, shall have any legal or equitable recourse against the City arising out of or related to Lessee's or its successors or assigns failure to meet the requirements of the Ground Lease Requirements.

11. Environmental Sustainability Standards

11.1 Pursuant to the terms of the Program Grant, the City must ensure that the Project meets certain Environmental Sustainability Standards (the "Standards"). Accordingly, Lessee is required under the terms of this lease to meet these standards.

11.2 To meet these Standards, the Project must achieve certification from one of the

following:

- 2020 Enterprise Green Communities (EGC)
- Leadership in Energy and Environmental Design LEED v.4.1 (LEED)
- National Green Building Standards NGBS ICC-700-2020 (NGBS)
- Zero Energy Ready Homes standard (US DOE)

11.3 Additionally, buildings in the Project must be all-electric, using high efficiency electric appliances such as heat pumps and heat pump water heaters, or a mixed-fuel building that includes pre-wiring for efficient electric heating and appliances and includes pre-wiring to enable future installation of EV charging station(s) of at least 10% of parking spots.

11.4 Finally, buildings in the Project must utilize water-efficient design inside and outside. Full guidance can be found at coloradowaterwise.org.

12. Default; Sublet; Termination; Assignment.

12.1 Should Lessee: (a) default in the performance of its agreements or obligations herein and any such default continue for a period of thirty (30) days after written notice thereof is given by the City to Lessee; or (b) abandon or vacate the Property; or (c) be declared bankrupt, insolvent, make an assignment for the benefit of creditors, or if a receiver is appointed; the City, at the City's option, may cancel and annul this Lease at once and enter and take possession of the Property immediately without any previous notice of intention to reenter, and such reentry shall not operate as a waiver or satisfaction in whole or in part of any claim or demand arising out of or connected with any breach or violation by Lessee of any covenant or agreement to be performed by Lessee. Upon reentry the City may remove the property and personnel of Lessee and store Lessee's property in a warehouse or at a place selected by the City, at the expense of Lessee and without liability to the City. Any such reentry shall not work a forfeiture of nor shall it terminate the rent(s) to be paid or the covenants and agreements to be performed by Lessee for the full term of this Lease; and, upon such reentry, the City may thereafter lease or sublease the Property for such rent as the City may reasonably obtain, crediting Lessee with the rent so obtained after deducting the cost reasonably incurred in such reentry, leasing or subleasing, including the costs of necessary repairs, alterations and modifications to the Property. Nothing herein shall prejudice or be to the exclusion of any other rights or remedies which the City may have against Lessee, including, but not limited to, the right of the City to obtain injunctive relief based on the irreparable harm caused to the City's reversionary rights.

12.2 Except as otherwise provided for automatic and immediate termination, if Lessee is in default in the performance of any term or condition of this Lease Agreement, the City may, at its option, terminate this Lease upon giving thirty (30) days written notice. If Lessee fails within any such thirty (30) day period to remedy each and every default specified in the City's notice, this Lease shall terminate. If Lessee remedies such default, Lessee shall not thereafter have the right of thirty (30) days (to remedy) with respect to a similar subsequent default, but rather, Lessee's rights shall, with respect to a subsequent similar default, terminate upon the giving of notice by the City.

12.3 Lessee shall not assign or sublease the Property, or any right or privilege connected therewith, or allow any other person, except officers, employees, agents, and clientele of Lessee, to occupy the Property or any part thereof without first obtaining the written consent of the City, which consent must be approved and ratified by the City Council of the City, and the written consent of CHFA. Any attempt to sublet, assign or transfer without the prior written consent of the City and CHFA shall be void *ab initio*. In the event an assignment of this Lease or a sublease is authorized by the City and CHFA, lessee shall not be released from Lessee's obligations and duties under this Lease and this Lease shall remain in full force and effect. Any consent by the City and CHFA shall not be a consent to a subsequent assignment, sublease, or occupation by any other party. Any unauthorized assignment, sublease, or permission to occupy by Lessee

shall be void and shaft, at the option of the City and CHFA, provide reasonable cause for the City to terminate this Lease. The interest of Lessee in this Lease is not to be assignable by operation of law without the formal approval and ratification by the City Council of the City and written approval by CHFA.

12.4 Notwithstanding Section 12.3, Lessee may assign and/or sublease the property to a unique entity created by the Lessee for the sole purpose of developing the property. The entity shall be controlled by the Lessee as the managing partner. No other exceptions to 12.3 shall be permitted.

12.5 Lessee shall not engage or allow any contractor, material man or supplier to perform any work or supply any materials or other goods or services on any portion of the Property which could be the subject of a mechanic's lien.

13. Lessee hereby authorizes CHFA, OEDIT, and the City to use information regarding or relating to the Project to publicize and/or report on their financing activities in any manner of communication or media including, but not limited to, in press releases, websites, social media, flyers, advertisement, community reports, etc., without further authorization or the consent of Lessee, provided that confidential or other proprietary information is not shared. Lessee agrees to obtain prior written approval from CHFA, OEDIT and/or the City prior to using the name or logo of CHFA, OEDIT and/or the City in any press release, media events, website, social media or any other public communication.

14. Fees or Commissions. The parties to this Lease Agreement warrant that no person or selling agency has been employed or retained to solicit or secure this Lease upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee. The City and Lessee agree to defend, indemnify and hold the other harmless from any claim for real estate brokerage commissions or finder's fees asserted by any other party claiming to be entitled to brokerage commissions or finder's fees arising out of this Lease.

14. Not a Partnership.

14.1 The City, by entering into this Lease Agreement, does not part with its entire possession of the Property, but only so far as it is necessary to enable Lessee to use the Property and carry out the terms and provisions of this Lease. It is expressly agreed between the Parties that this Agreement is one of lease and not of partnership and that the City shall not be or become responsible for any debts

contracted or incurred by Lessee. Lessee shall save, indemnify and hold the City, its officers, employees and agents harmless against all liability and loss, and against all claims or actions based upon or arising out of any claim, lien, damage or injury (including death), to persons or property caused by Lessee or sustained in connection with Lessee's performance of the terms and conditions of this Agreement or the conditions created thereby, or based upon any violation of any statute, ordinance, code or regulation, either now in force or hereinafter enacted, and the defense of any such claims or actions, including the costs and fees of attorneys, consultants and experts. Lessee shall also save, indemnify, and hold the City, its officers, employees and agents harmless from and against all liability and loss in connection with, and shall assume full responsibility for the payment of, all federal, state and local taxes, fees or contributions imposed or required under unemployment insurance, social security and income tax laws with respect to employees engaged by Lessee.

14.2 The City hereby reserves the right to at all times have its officers, employees and agents enter into and upon the demised premises and every part thereof and to do such acts and things as may be deemed necessary for protection of the City's interests therein.

15. Enforcement; Partial Invalidity; Governing Law.

15.1 If the Parties are required to commence or prosecute any legal action to determine the rights, duties, and obligations hereunder or to otherwise enforce this Agreement, then the prevailing party shall be entitled to the payment of their reasonable attorneys' fees and court costs, including those incurred for any successful appeal.

15.2 In case any one or more of the terms or provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement, and this Agreement shall be construed and given effect as if such invalid or illegal or unenforceable term or provision had never been contained herein. Upon such determination that any term or provision is invalid, illegal or unenforceable, the court or other tribunal making such determination is authorized and instructed to sever the invalid, illegal or unenforceable term or provision and modify this Agreement so as to give effect to the original intent of the Parties as closely as possible so that the transactions, agreements, covenants and obligations contemplated herein are consummated as originally intended to the fullest extent possible.

15.3 This Agreement shall be governed by and construed in accordance with the laws of the State of Colorado. Venue for any action to enforce any covenant or agreement contained in this Agreement shall be in Mesa County, Colorado.

16. Surrender; Holding Over. Lessee shall, upon the expiration or termination of this Lease, surrender the Property to the City in good order, condition and state of repair, reasonable wear and use excepted. In the event Lessee fails, for whatever reason, to vacate and surrender the Property upon the expiration or termination of this Lease and the parties have not reached an agreement which would allow Lessee to continue to occupy any portion of the Property, Lessee agrees that Lessee shall pay to the City the sum of **\$100.00** per day for each and every day thereafter until Lessee has effectively vacated and surrendered the Property. The parties agree that it would be difficult to establish the actual damages to the City in the event Lessee fails to vacate and surrender the Property upon the expiration or termination of this Lease, and that said **\$100.00** daily fee is an appropriate liquidated damages amount.

17. Total Agreement; Applicable to Successors. This Lease contains the entire agreement between the parties and, except for automatic expiration or termination, cannot be changed or modified except by a written instrument subsequently executed by the parties hereto. This Lease and the terms and conditions hereof apply to and are binding upon the successors and authorized assigns of both parties. The parties hereto have each executed and entered into this Lease Agreement as of the day and year first above

written.

18. Execution in Counterparts. This Agreement may be executed in one or more counterparts including scanned and emailed counterparts each counterpart to be considered an original portion of this Agreement, and all of which together shall constitute a single instrument. A photocopy of this Agreement may be used in lieu of an original in any action or proceeding brought to enforce or construe this Agreement.

19. Headings Not Part of Agreement. The headings contained in this Agreement are for convenience only, do not constitute part of this Agreement, and shall not limit, affect the interpretation of, or otherwise affect in any way the provisions of this Agreement.

20. Interpretation of the Agreement. This Agreement was drafted jointly by the Parties and shall not construed against any party hereto.

21. Further Assurances. The Parties shall execute such further documents and do any and all such further things as may be necessary to implement and carry out the intent of this Agreement.

Re: Grant in the amount of \$2,200,000

Dear Ms. Chambers:

Colorado Housing and Finance Authority ("**Authority**") has been retained by the Colorado Office of Economic Development and International Trade ("**OEDIT**") as the administrator of the Affordable Housing Financing Fund ("**Fund**"). The Fund was created by the Affordable Housing Statute (CRS 29-32-101 et seq) ("**Statute**") which was voted on and approved by Colorado voters in a November 2022 ballot measure commonly known as Proposition 123. The Land Banking Program ("**Program**"), as part of Proposition 123, provides funding for the acquisition and preservation of land for the development of affordable rental housing, affordable homeownership, and/or mixed commercial use (if the predominate use is affordable housing).

The Authority hereby notifies you of its approval of your request for a grant ("**Grant**") for the Project (as hereinafter defined) under the Program. As used herein, the "**Project**" shall refer to the acquisition of land for, and the development of at least three hundred twenty-four (324) units as part of, the Salt Flats Project, which is Grand View Commons Subdivision, Lot 4, an approximate 21.45 acres of the SW4NW4 SEC 18 IS IE EXC E 25FT FOR RD EXC PORTION ON SEND LYING IN HWY 6 + 24, Common address: 450 28 RD. The Project must comply with the terms and conditions provided herein, the Program Guidelines (as defined below), and the Statute, as applicable.

This grant commitment ("**Commitment**") is subject to the terms and conditions of the Land Banking Program Guidelines issued September 18, 2023 ("Program Guidelines"), and to the terms and conditions contained herein.

- I. Grantee. City of Grand Junction, Colorado.

2. Grant. The grant shall be in an amount not to exceed Two Million Two Hundred Thousand and no/100 Dollars (\$2,200,000), provided that the final grant amount shall be determined after the Authority reviews a satisfactory appraisal of the land being acquired in connection with the Project (21.45 acres) (in accordance with the Authority's appraisal guidelines, to be ordered by the Grantee at Grantee's expense). The final grant amount may be lower than

the amount set forth above based on the Authority's review of such appraisal.

3. Milestones. As a condition of the Grant, Grantee must meet the following milestones:
 - a. Initial Milestones. Within five (5) years of the Grant closing ("**Initial Deadline**"), the Project must be properly zoned for the proposed Project use, and a development plan (per the Development Plan Appendix published in the Land Banking Program Guidelines August 21, 2024) contemplating the construction of at least three hundred twenty-four (324) units in connection with the Project must be submitted to and approved by the Authority (collectively, "**Initial Milestones**"); and
 - b. Final Milestones. Within ten (10) years of the Grant closing ("**Final Deadline**"), the Project must obtain all necessary permits, and the Grantee must close and receive funding for one or more construction loans, grants or other financing sources in an amount needed to complete at least three hundred twenty-four (324) units in connection with the Project on or before the expiration of ten (10) years from the Grant closing date (collectively, the "**Final Milestones**"). The Initial Milestones and Final Milestones are collectively referred to herein as the "**Milestones**".

Failure to meet the Initial Milestones or Final Milestones could impact future award(s) under the Program.

4. Grant Repayment. Grantee must repay the Grant in full if the Authority determines that Grantee failed to timely and properly meet each of the Milestones. If the Initial Milestones are not timely or properly met, then repayment is due within six (6) months of the Initial Deadline. If the Final Milestones are not timely or properly met, then repayment is due within six (6) months of the Final Deadline. If the Grant is repaid in full prior to the Final Deadline, the Restrictive Covenant (defined below) will be released and the Program's restrictions on the Project's use will terminate.
5. Grant Fees. The Grantee shall pay any and all of the Authority's and OEDIT's third-party costs, including but not limited to, attorneys fees and costs, title company premiums and closing fees, environmental search charges, recording costs, and UCC search charges, as applicable ("**Closing Costs**").
6. Commitment Expiration. May 31, 2025.

7. Program Requirements. Grantee must meet all Program requirements including, but not limited to the following:
 - a. Reporting. Grantee must comply with the Program reporting requirements

described on Exhibit B.

- b. Grantee Eligibility. Grantee must be either a local or tribal government.
 - c. Project Eligibility. The Project must be developed as affordable rental housing, affordable for sale housing, or commercial mixed use with a residential component. The Predominate Use (as hereinafter defined) of the total site must be affordable housing consistent with the income requirements set forth in paragraph 8.b. of this Commitment, though commercial uses, market rate or non-restricted housing or rent restricted housing above 60% area median income ("AMI") may be included in the remaining space. "**Predominate Use**" as used herein means at least 70% of the improved square footage or units on the 21.45 acres comprising the Project, unless otherwise agreed to in writing by the Authority. The commercial use of a mixed-use project must be compatible with the affordable housing use and must be approved by the Authority in advance in the Authority's sole discretion.
 - cl. Environmental Sustainability Requirements. The Project must meet environmental sustainability requirements as more fully set forth in Paragraph 10.b.
 - e. Restrictive Covenant. A restrictive covenant as set forth in Paragraph 8 ("**Restrictive Covenant**") shall be recorded against the Project at the closing of the Grant.
8. Restrictive Covenant. A Restrictive Covenant shall be recorded against the Project in the official records of the county where the Project is located at the closing of the Grant. All covenants and payment liens shall be subordinate to the Authority's Restrictive Covenant. The Restrictive Covenant shall include, but not be limited to, the following provisions:
- a. Affordability Term.
 - (i) The Restrictive Covenant will be required to remain of record so long as the Grant remains outstanding. The Restrictive Covenant may be released if the Grant is repaid.
 - (ii) If the Project as developed includes rental units, the Restrictive Covenant shall restrict the affordability of such rental housing units as set forth in paragraph 8.b below for at least 40 years after the final improvements are constructed and have received a permanent certificate of occupancy, unless otherwise agreed to by the Authority.

- (iii) If the Project as developed includes homeowner units, the Restrictive Covenant will restrict the homeowner units to remain affordable as set forth in paragraph 8.6 below for at least 40 years after the final improvements are

constructed and have received a permanent certificate of occupancy, through a ground lease or similar structure each as approved by the Authority, unless otherwise agreed to by the Authority.

- (iv) The Project may request a reduction to the term of the Covenant as stated in 8.a.(ii) and/or 8.a.(iii) to twenty (20) years by providing a market analysis that supports such reduction. The Authority may grant or deny this request in the Authority's sole discretion.
 - b. AMI. If the Project includes rental units, then the annual income of such households to meet the Affordability requirements may not exceed 60% AMI. If the Project includes homeowner units, then the annual income of such households to meet the Affordability requirements may not exceed 100% AMI.
 - c. Other Conditions. The Restrictive Covenant shall include the requirements set forth in paragraph 7.c. of this Commitment.
9. Documents. The Authority will prepare the closing documents and coordinate the closing with Grantee as set forth herein. Exhibit A to this commitment lists certain documents that: (i) must be provided by the Grantee to the Authority prior to closing ("**Pre-closing Documents**"); and (ii) must be signed and delivered by the Grantee to the Authority at closing ("**Closing Documents**"). The Pre-Closing Documents must be delivered to the Authority by the Grantee in form satisfactory to the Authority.

When the Pre-Closing Documents have been received and approved by the Authority, the Authority will prepare the Closing Documents for review by the Grantee and schedule a closing date, which will be no sooner than ten (10) business days after receipt of complete and satisfactory Pre-Closing Documents and satisfaction of all closing conditions to be completed prior to Closing.

10. Closing; Source of Funds and Condition of Funding. As a condition precedent to the closing of the Grant, all conditions hereunder shall have been met, each of the Pre-Closing Documents shall be received, reviewed and approved by the Authority, and each of the Closing Documents listed in Exhibit A, in form and substance satisfactory to the Authority, in its sole discretion, shall be executed and delivered to the Authority. In addition, at the Closing, the Grantee shall pay Closing Costs by wire transfer. The Authority reserves the right at all times to decline to close the Grant if the Authority determines, in its sole judgment, that the Grantee or the Grant does not strictly conform to the requirements of this Commitment, the Program, the Program Guidelines, any related requirements of OEDIT or the Authority and any and all other applicable legal and regulatory requirements

with Program funds. If all or a portion of the Program funds allocated for the Grant ("Funds") are withheld or revoked prior to Closing, the Authority would not be willing to provide the Grant to the Grantee at the terms set forth herein; therefore, the Authority reserves the right, at all times, to decline to close and fund the Grant if the Authority has not received all or a portion of the Funds, or if all or a portion of the Funds have been revoked.

Ground Lease Requirements

The following is a general discussion and comments regarding provisions which the Colorado Housing and Finance Authority (the "Authority") requires to be included in Ground Leases where the Authority will have a security interest only in the leasehold interest of the Borrower:

1. Any existing mortgage on the fee estate of the Ground Lessor must be subordinate to the leasehold estate of the lessee under the Ground Lease. The Ground Lease must prohibit the Ground Lessor from mortgaging the fee estate at a later date unless there is an express subordination of the Ground Lessor's fee mortgage to the lessee/borrower's interest under the Ground Lease. The Ground Lease must also prohibit the lessee/borrower from subordinating its leasehold estate to a subsequent mortgage of the fee obtained by the Ground Lessor. Ground Lessee's leasehold interest may not be subject to any encumbrances without Lender consent.
2. There must be no defaults pending under the terms of the Ground Lease, and an estoppel certificate must be obtained from the ground lessor to that effect. The Ground Lease must obligate the ground lessor to provide "estoppel" certificates when requested by a lender, to establish that there have been no unapproved changes in the Ground Lease, that the Ground Lease is in full force and effect, there are no known defaults, the date through which rent has been paid and other requirements established by the Authority. The Ground Lease may not be a sublease.
3. The Ground Lease must be in full force and effect. The remaining term of the Ground Lease, at the time of loan origination, must be at least ten years longer than the maturity date of the Loan. The Ground Lease or a Memorandum of Ground Lease must be recorded.
4. The Ground Lease must contain a non-merger clause providing that the Ground Lease does not terminate as to the Authority as leasehold mortgagee because of conveyance of the lessee/borrower's leasehold interest to the lessor or conveyance of the lessor's interest to the lessee/borrower.
5. Both the lessee/borrower's leasehold estate under the Ground Lease and the lessee/borrower's option to purchase the fee interest in the land, if any, must be assignable or transferable without the consent of the Ground Lessor, or, if assignment or transfer is limited, must permit assignment or transfer to the Authority as leasehold mortgagee and permit assignment or transfer by the Authority as leasehold mortgagee (after a foreclosure or a deed-in-lieu of foreclosure) to a purchaser at a foreclosure sale (other than the Authority) without the lessor's consent.
6. The Ground Lease must authorize a mortgage lien, and evidence must be provided which demonstrates that any consent, approval, or other action required under the Ground Lease in connection with the lien has been obtained or taken.

7. The Ground Lease must provide for written notice of default from the lessor to the Authority as leasehold mortgagee and a reasonable time (in addition to the time given to the lessee/borrower) and opportunity for the Authority as leasehold mortgagee to cure any default under the Ground Lease that may allow the Ground Lessor to terminate the leasehold, including, in the case of a default that can be cured by the leasehold mortgagee only by obtaining possession, a sufficient period of time for the Authority as leasehold mortgagee to obtain possession. The Ground Lease must require the Ground Lessor to give notice of all Borrower defaults to the Ground Lease mortgagee as a condition of the validity of the Ground Lessor's exercise of remedies for such default. The Ground Lessor must forward to the Ground Lease mortgagee a copy of any notices it sends to the Ground Lessee other than rent and other periodic billing notices. The Ground Lease must also obligate the lessor to enter into a new lease on the same terms with the same priority with the leasehold mortgagee if the original lease terminates because of default not curable by the leasehold mortgagee, or provide for no termination for any non-curable default so long as no default in rental payment exists. The Ground Lease should not contain any obligations or requirements that the Authority as leasehold mortgagee could not cure, such as the lessee/borrower's bankruptcy, or condemnation or casualty loss or a change in management.
8. The Ground Lease must provide that leasehold mortgagee receive notice upon commencement of condemnation proceedings. The Deed of Trust must provide for and the Ground Lease must permit payment to the Authority as leasehold mortgagee of any condemnation award to which the lessee/borrower is entitled. The Ground Lease must set forth the formula for allocating the condemnation award between the Ground Lessor, the tenant and the Ground Lease mortgagee for both partial and total condemnation. The formula must be acceptable to the Ground Lease mortgagee. This payment must not be less than the total award, minus the value of the remainder interest in the land considered as unimproved. The Ground Lease must provide that a Ground Lease mortgagee has the right to supervise and control the receipt and disbursement of condemnation awards. The Ground Lease must provide that a Ground Lease mortgagee has a right to participate in any condemnation proceedings and settlement discussions.

In the event of a partial taking, the Ground Lease must not terminate and must permit, and the Deed of Trust must require the lessee/borrower to rebuild and restore the improvements on the mortgaged premises unless the Authority as leasehold mortgagee consents to distribution of the proceeds. In that event, the proceeds must be applied as provided in the Loan Documents.

9. The Ground Lease must provide for the Authority's or Leasehold Mortgagee's right to foreclose without Ground Lessor consent and acquire the lease in its own name or in the name of a nominee upon foreclosure or assignment in lieu of foreclosure.
10. The Ground Lease must provide that it cannot be amended, modified, cancelled or terminated without the consent of the Authority or leasehold mortgagee. The Ground Lease must allow amendments to be made upon request by leasehold mortgagee if such requested amendment does not materially adversely affect the Ground Lessor's rights.

11. The Ground Lease must provide that the Ground Lessor agrees not to accept a voluntary surrender of the lease or termination of the Ground Lease at any time when the leasehold estate is encumbered by a leasehold mortgage.
12. If the Ground Lease contains a renewal option or an option to purchase, the Authority or leasehold mortgagee must have the right to receive notice from the lessor in the event the lessee fails to exercise the option and, for 30 days thereafter, to exercise the option itself. The Authority or leasehold mortgagee must have the right to exercise any option to purchase without the joinder of Borrower.
13. The leasehold mortgagee should have no personal liability under the lease, at least until it becomes a mortgagee in possession or the tenant under a new lease. The Ground Lease must provide for an automatic release of a foreclosing ground leasehold mortgagee and purchasers at a foreclosure sale or transferee who receives an assignment in lieu of a foreclosure.
14. In the event of a partial casualty or condemnation, the Ground Lease must provide that it cannot be terminated and that the insurance proceeds or condemnation award will be paid to the Authority or leasehold mortgagee. Authority/Leasehold mortgagee must have control of insurance proceeds and can apply to pay loan in full. The Ground Lease must provide that a Ground Lease mortgagee has the right to participate in adjustment of losses as to casualty proceeds. Insurance proceeds that remain after the restoration is completed must go to Borrower (subject to the Ground Lease mortgagee's lien) rather than to the Ground Lessor. Must have reasonable time limit for commencing restoration or opting out of restoration.
15. A default under the Ground Lease will be a default under the lessee/borrower's loan documents.
16. Rent under the Ground Lease should be a fixed amount (not a percentage rent). The Ground Lease must not contain rent escalation provisions based on the cost of living (or other indices) and rent may not increase so that the Debt Service Coverage Ratio applicable to the Loan falls below the debt service coverage used in the calculation of the Loan amount. Any rent increase should be for a sum certain at a specific date or time interval.
17. An ALTA Leasehold Loan Policy or an ALTA Loan Policy with a CLTA 107.5 endorsement must be obtained. The Policy must: (i) reflect the status of the fee interest as well as insure the lessee's interest and the lessee's option, if any, to purchase the fee interest in the related land; (ii) insure that the lease is not subordinate to any lien or encumbrance (other than the deed of trust of the Authority) and (iii) otherwise satisfy any other Authority requirements..
18. The Ground Lease should not contain any unreasonable restriction on the use of the real property, such as maintaining the property for affordable housing purposes only.

19. The Ground Lease must provide that all Improvements belong to the Ground Lessee and that the Ground Lessee has the right to alter, improve and modify the Improvements without the Ground Lessor's consent.
20. If the Property contains commercial space, the Ground Lease must contain reasonable, objective standards requiring the Ground Lessor to grant non-disturbance and attornment agreements to commercial tenants.
21. Subleases should be specifically permitted under the Ground Lease. Ground Lease Lessor must agree to non-disturbance of sublessees.
22. The Ground Lease must contain no other terms or conditions that, although not specifically set forth in this Exhibit E, would be unacceptable to a prudent commercial lender in the area in which the Property is located.
